4. The net present value of benefits to Virginia;
5. The amount of other incentives offered by the Commonwealth and the locality; and
6. The importance of the facility to the economy of the locality or region.

The guidelines shall also address the eligibility of companies that make a capital investment in phases over a period of years, and limits on eligibility for multiple grants by the same company within stated periods of time.

E. For eligible projects awarded grants prior to July 1, 2010, the aggregate amount of economic development incentive grants payable under this section in any fiscal year shall not exceed \$6 million, and the aggregate amount of such grants outstanding that were awarded prior to July 1, 2010, shall not exceed \$30 million. F. Any eligible company shall be eligible to receive a grant from the Fund in no fewer than five installments beginning in the third year after the Partnership has verified that the requirements applicable to such grant have been satisfied.
