Referred to Committee on Privileges and Elections

Be it enacted by the General Assembly of Virginia:

1. That §§ 24.2-612, 24.2-700, 24.2-701, 24.2-706, and 24.2-707 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding a section numbered 24.2-701.1 as follows:

§ 24.2-612. List of offices and candidates filed with Department of Elections and checked for accuracy; when ballots printed; number required.

Immediately after the expiration of the time provided by law for a candidate for any office to qualify to have his name printed on the official ballot and prior to printing the ballots for an election, each electoral board shall forward to the Department of Elections a list of the county, city, or town offices to be filled at the election and the names of all candidates who have filed for each office. In addition, each electoral board shall forward the name of any candidate who failed to qualify with the reason for his disqualification. On that same day, the electoral board shall also provide a copy of the notice to each disqualified candidate. The notice shall be sent by email or regular mail to the address on the candidate's certificate of candidate qualification, and such notice shall be deemed sufficient. The Department of Elections shall promptly advise the electoral board of the accuracy of the list. The failure of any electoral board to send the list to the Department of Elections for verification shall not invalidate any election.

Each electoral board shall have printed the number of ballots it determines will be sufficient to conduct the election.

Notwithstanding any other provisions of this title, the Department of Elections may print or otherwise provide one statewide paper ballot style for each paper ballot style in use for presidential and vice-presidential electors for use only by persons eligible to vote for those offices only under § 24.2-402 or only for federal elections under § 24.2-453. The Department of Elections may apportion or authorize the printer or vendor to apportion the costs for these ballots among the localities based on the number of ballots ordered. Any printer employed by the Department of Elections shall execute the statement required by § 24.2-616. The Department of Elections shall designate a representative to be present at the printing of such ballots and deliver them to the appropriate electoral boards pursuant to § 24.2-617. Upon receipt of such paper ballots, the electoral board shall affix its seal. Thereafter, such ballots shall be handled and accounted for, and the votes counted as the Department of Elections shall specifically direct.

The electoral board shall make printed ballots available for absentee voting *by mail* not later than 45 days prior to any election or within three business days of the receipt of a properly completed absentee ballot application, whichever is later. *The electoral board shall make printed ballots available for absentee voting in person not later than 21 days prior to any election.* In the case of a special election, excluding for federal offices, if time is insufficient to meet the applicable deadline established herein, then the electoral board shall make printed ballots available as soon after the deadline as possible. For the purposes of this chapter, making printed ballots available includes mailing of such ballots or electronic transmission of such ballots pursuant to § 24.2-706 to a qualified absentee voter who is eligible for an absentee ballot under subdivision 2 of § 24.2-700. Not later than five days after absentee ballots are made available, each electoral board shall report to the Department of Elections, in writing on a form approved by the Department of Elections, whether it has complied with the applicable deadline.

Only the names of candidates for offices to be voted on in a particular election district shall be printed on the ballots for that election district.

The electoral boards shall send to the Department of Elections a statement of the number of ballots ordered to be printed, proofs of each printed ballot for verification, and copies of each final ballot. If the Department of Elections finds that, in its opinion, the number of ballots ordered to be printed by any local electoral board is not sufficient, it may direct the local board to order the printing of a reasonable number of additional ballots.

225 absentee voter applicant list that shall be maintained in the office of the general registrar with a file of
226 the applications of the listed applicants received. The list shall be available for inspection and copying
227 and the applications for mailed ballots shall be available for inspection only by any registered voter
228 during regular office hours. Upon request and for a reasonable fee, the Department of Elections shall
229 provide an electronic copy of the absentee voter applicant list to any political party or candidate. Such
230 list shall be used only for campaign and political purposes. Any list made available for inspection and
231 copying under this section shall contain the post office box address in lieu of the residence street
232 address for any individual who has furnished at the time of registration or subsequently, in addition to
233 his street address, a post office box address pursuant to subsection B of § 24.2-418.

234 No list or application containing an individual's social security number, or any part thereof, or the
235 individual's day and month of birth, shall be made available for inspection or copying by anyone. The
236 Department of Elections shall prescribe procedures for general registrars to make the information in the
237 lists and applications available in a manner that does not reveal social security numbers or parts thereof,
238 or an individual's day and month of birth.

239 The completion and timely delivery of an application for an absentee ballot shall be
240 construed to be an offer by the applicant to vote in the election.

241 The general registrar shall note on each application received whether the applicant is or is not a
242 registered voter. In reviewing the application for an absentee ballot, the general registrar shall
243 not reject the application of any individual because of an error or omission on any record or paper

relating to the application, if such error or omission is not material in determining whether such individual is qualified to vote absentee.

If the application has been properly completed and signed and the applicant is a registered voter of the precinct in which he offers to vote, the general registrar shall, at the time when the printed ballots for the election are available, send by the deadline set out in § 24.2-612, obtaining a certificate or other evidence of either first-class or expedited mailing or delivery from the United States Postal Service or other commercial delivery provider, or deliver to him in person in the office of the registrar, the following items and nothing else:

1. An envelope containing the folded ballot, sealed and marked "Ballot within. Do not open except in presence of a witness."

2. An envelope, with printing only on the flap side, for resealing the marked ballot, on which envelope is printed the following:

"Statement of Voter."

Signature of Voter _____

Date _____

Signature of witness _____"

For elections held after January 1, 2004, instead of the envelope containing the above oath, an envelope containing the standard oath prescribed by the presidential designee under § 101(b)(7) of the Uniformed and Overseas Citizens Absentee Voting Act (52 U.S.C. § 20301 et seq.) shall be sent to voters who are qualified to vote absentee under that Act.

3. A properly addressed envelope for the return of the ballot to the general registrar by mail or by the applicant in person.

4. Printed instructions for completing the ballot and statement on the envelope and returning the ballot.

For federal elections held after January 1, 2004, for any voter who is required by subparagraph (b) of 52 U.S.C. § 21083 of the Help America Vote Act of 2002 to show identification the first time the voter votes in a federal election in the state, the printed instructions shall direct the voter to submit with his ballot (i) a copy of a current and valid photo identification or (ii) a copy of a current utility bill, bank statement, government check, paycheck or other government document that shows the name and address of the voter. Such individual who desires to vote by mail but who does not submit one of the forms of identification specified in this paragraph may cast such ballot by mail and the ballot shall be counted as a provisional ballot under the provisions of § 24.2-653. The Department of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to subsection B of § 24.2-653 and this section.

5. For any voter entitled to vote absentee under the Uniformed and Overseas Citizens Absentee Voting Act (52 U.S.C. § 20301 et seq.), information provided by the Department of Elections specific to the voting rights and responsibilities for such citizens, or information provided by the registrar specific to the status of the voter registration and absentee ballot application of such voter, may be included.

The envelopes and instructions shall be in the form prescribed by the Department of Elections.

If the applicant makes his application to vote in person under § 24.2-701 at a time when the printed ballots for the election are available, the general registrar, on the determination of the qualifications of the applicant to vote, shall provide to the applicant the items set forth in subdivisions 1 through 4, and no item shall be removed by the applicant from the office of the general registrar. On the request of the applicant, made no later than 5:00 p.m. on the seventh day prior to the election in which the applicant offers to vote, the general registrar may send the items set forth in subdivisions 1 through 4 to the applicant by mail, obtaining a certificate or other evidence of mailing.

If the applicant states as the reason for his absence on election day any of the reasons set forth in subdivision 2 of § 24.2-700, the general registrar, at the time when the printed ballots for the election are available, shall mail by the deadline set forth in § 24.2-612 or deliver in person to the applicant in the office of the general registrar the items as set forth in subdivisions 1 through 4 and, if necessary, an application for registration. A certificate or other evidence of mailing shall not be required. The general registrar, at the time when the printed ballots for the election are available, shall send by the deadline

305 set forth in § 24.2-612 the blank ballot, the form for the envelope for returning the marked ballot, and
306 instructions to the voter by electronic transmission if the voter so requests. The voted ballot shall be
307 returned to the general registrar as otherwise required by this chapter.

308 When the statement prescribed in subdivision 2 has been properly completed and signed by the
309 registered voter and witnessed, his ballot shall not be subject to challenge pursuant to § 24.2-651.

310 The circuit courts shall have jurisdiction to issue an injunction to enforce the provisions of this
311 section upon the application of (i) any aggrieved voter, (ii) any candidate in an election district in whole
312 or in part in the court's jurisdiction where a violation of this section has occurred, or is likely to occur,
313 or (iii) the campaign committee or the appropriate district political party chairman of such candidate.
314 Any person who fails to discharge his duty as provided in this section through willful neglect of duty
315 and with malicious intent shall be guilty of a Class 1 misdemeanor as provided in subsection A of
316 § 24.2-1001.

317 **§ 24.2-707. How ballots marked and returned by mail.**

318 On receipt of a mailed absentee ballot, the voter shall, in the presence of a witness, (i) open the
319 sealed envelope marked "ballot within" and (ii) mark and refold the ballot, as provided in §§ 24.2-644
320 and 24.2-646 without assistance and without making known how he marked the ballot, except as
321 provided by § 24.2-704.

322 After the voter has marked his absentee ballot, he shall (a) enclose the ballot in the envelope
323 provided for that purpose, (b) seal the envelope, (c) fill in and sign the statement printed on the back of
324 the envelope in the presence of a witness, who shall sign the same envelope, (d) enclose the ballot
325 envelope and any required assistance form within the envelope directed to the general registrar, and (e)
326 seal that envelope and mail it to the office of the general registrar or deliver it personally to the general
327 registrar. A voter's failure to provide in the statement on the back of the envelope his full middle name
328 or his middle initial shall not be a material omission, rendering his ballot void, unless the voter failed to
329 provide in the statement on the back of the envelope his full first and last name. A voter's failure to
330 provide the date, or any part of the date, including the year, on which he signed the statement printed
331 on the back of the envelope shall not be considered a material omission and shall not render his ballot
332 void. For purposes of this chapter, "mail" shall include delivery by a commercial delivery service, but
333 shall not include delivery by a personal courier service or another individual except as provided by
334 §§ 24.2-703.2 and 24.2-705.

335 An applicant who makes his application to vote in person at a time when the printed ballots for the
336 election are available shall follow the same procedure set forth above except that he may complete the
337 procedure in person in the office of the general registrar, or at another location or locations in the
338 county or city approved by the electoral board, before a registrar, or, if a ballot is cast at that time,
339 before the officers of election appointed by the electoral board. Any such location shall be in a public
340 building owned or leased by the city, the county, or a town within the county, with adequate facilities
341 for the protection of all records concerning the absentee voters, the absentee ballots, both voted and
342 unvoted, and any voting equipment in use at the location. Such location may be in a facility owned or
343 leased by the Commonwealth and used as a location for Department of Motor Vehicles facilities and for
344 an office of the general registrar. Such location shall be deemed the equivalent of the office of the
345 general registrar for the purpose of completing the application for an absentee ballot in person pursuant
346 to §§ 24.2-701 and 24.2-706. On the request of the applicant, made no later than 5:00 p.m. on the
347 seventh day prior to the election in which the applicant offers to vote, the general registrar may send the
348 items set forth in subdivisions 1 through 4 of § 24.2-706 to the applicant by mail, obtaining a certificate
349 or other evidence of mailing.

350 Failure to follow the procedures set forth above shall render the applicant's ballot void.

351 The general registrar of any county or city using a central absentee voting precinct may provide for
352 the casting of absentee ballots on voting equipment prior to election day by applicants who are voting in
353 person. The Department of Elections shall prescribe procedures for the use of voting equipment. The
354 procedures shall provide for the casting of absentee ballots prior to election day by in-person applicants
355 on voting equipment which has been certified, and is currently approved, by the Department of
356 Elections. The procedures shall be applicable and uniformly applied by the Department of Elections to
357 all jurisdictions using comparable voting equipment. At least two officers of election, one representing
358 each political party, shall be present during all hours that absentee voting is available at any location at
359 which absentee ballots are cast prior to election day.

360 The requirement that officers of election shall be present if ballots are cast on voting equipment prior
361 to election day shall not be applicable when the voting equipment is located in the office of the general
362 registrar and the general registrar or an assistant registrar is present.
