(Patron Prior to Substitute—Senator Reeves)

A BILL to amend and reenact § 18.2-308.014 of the Code of Virginia, relating to out-of-state concealed handgun permits; photo identification.

Be it enacted by the General Assembly of Virginia:

1. That § 18.2-308.014 of the Code of Virginia is amended and reenacted as follows:

§ 18.2-308.014. Reciprocity.

A. A valid concealed handgun or concealed weapon permit or license issued by another state shall authorize the holder of such permit or license who is at least 21 years of age to carry a concealed handgun in the Commonwealth, provided (i) the issuing authority provides the means for instantaneous verification of the validity of all such permits or licenses issued within that state, accessible 24 hours a day, and if available; (ii) except for the age of the permit or license holder and the type of weapon authorized to be carried, the requirements and qualifications of that state's law are adequate to prevent possession of a permit or license by persons who would be denied a permit in the Commonwealth under this article. The Superintendent of State Police shall (a) in consultation with the Office of the Attorney General determine whether states meet the requirements and qualifications of this subsection, (b) maintain a registry of such states on the Virginia Criminal Information Network (VCIN), and (c) make the registry available to law-enforcement officers for investigative purposes the permit or license holder carries a photo identification issued by a government agency of any state or by the U.S. Department of Defense or U.S. Department of State and displays the permit or license and such identification upon demand by a law-enforcement officer; and (iii) the permit or license holder has not previously had a Virginia concealed handgun permit revoked. The Superintendent of the State Police, in consultation with the Attorney General, may also shall enter into agreements for reciprocal recognition with any state qualifying for recognition under this subsection such other states that require an agreement to be in place before such state will recognize a Virginia concealed handgun permit as valid in such state. The Attorney General shall provide the Superintendent with any legal assistance or advice necessary for the Superintendent to perform his duties set forth in this subsection. If the Superintendent determines that another state requires that an agreement for reciprocal recognition be executed by the Attorney General or otherwise formally approved by the Attorney General as a condition of such other state's entering into an agreement for reciprocal recognition, the Attorney General shall (a) execute such agreement or otherwise formally approve such agreement and (b) return to the Superintendent the executed agreement or, in a form deemed acceptable by such other state, documentation of his formal approval of such agreement within 30 days after the Superintendent notifies the Attorney General, in writing, that he is required to execute or otherwise formally approve such agreement.

B. A valid concealed handgun permit issued by Maryland shall be valid in the Commonwealth, provided (i) the holder of the permit is licensed in Maryland to perform duties substantially similar to those performed by Virginia branch pilots licensed pursuant to Chapter 9 (§ 54.1-900 et seq.) of Title 54.1 and is performing such duties while in the Commonwealth, and (ii) the holder of the permit is 21 years of age or older.

C. For the purposes of participation in concealed handgun reciprocity agreements with other jurisdictions, the official government-issued law-enforcement identification card issued to an active-duty law-enforcement officer in the Commonwealth who is exempt from obtaining a concealed handgun permit under this article shall be deemed a concealed handgun permit.

2. That within 60 days of the effective date of this act, the Superintendent of State Police shall enter into agreements for reciprocal recognition of concealed handgun permits or licenses with states where such agreements were in existence as of December 1, 2015, as required by the provisions of this act.
