4. Title: Concealed handguns; carrying with a valid protective order.

5. Summary: The proposal authorizes any person 21 years of age or older who is not prohibited from purchasing, possessing, or transporting a firearm and is protected by an unexpired protective order to carry a concealed handgun for 45 days after the protective order was issued. The bill provides that if the person issued the protective order applies for a concealed handgun permit during such 45-day period, such person will be authorized to carry a concealed handgun for an additional 45 days and be given a copy of the certified application, which shall serve as a de facto concealed handgun permit.

The proposal requires such person to have the order or certified application and photo identification on his person when carrying a concealed handgun and to display them upon demand by a law-enforcement officer; failure to do so is punishable by a \$25 civil penalty, which shall be paid into the state treasury.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Final. See Item 8.

8. Fiscal Implications: It is not feasible to reliably estimate how much additional revenue will be deposited into the state treasury as a result of this proposal, and therefore, the potential impact on the general fund revenue cannot be determined.

9. Specific Agency or Political Subdivisions Affected: Department of State Police State, Courts, Commonwealth's Attorneys, and local law enforcement agencies.

10. Technical Amendment Necessary: None.

11. Other Comments: Similar to SB626.
