#### Summary of Proposed Legislation:

The proposal amends § 18.2-308.2:2 of the *Code of Virginia* to expand requirements relating to criminal history record checks for firearms purchases. The proposal would require checks to ensure that prospective gun buyers are not in the Terrorist Screening Database. Under the proposal, a prospective buyer who is in the Terrorist Screening Database would be disqualified from purchasing a firearm or having a firearm transferred to him under this section. The proposal includes an enactment clause specifying that the proposed provisions will become effective only if the State Police receives approval from the U.S. Department of Justice to implement the policies and procedures set out in the act.

Currently, under § 18.2-308.2:2 (L), it is a Class 6 felony for any firearms dealer to willfully and intentionally sell, rent, trade, or transfer a firearm in violation of this section. Under § 18.2-308.2:2(M), purchasing a firearm with the intent to transfer it to an individual who is ineligible to purchase a firearm from a dealer is a Class 4 felony that carries a mandatory minimum term of one year. Offenders who transfer more than one firearm in violation of § 18.2-308.2:2(M) are subject to a mandatory minimum term of five years. Subsection N of § 18.2-308.2:2 makes it a Class 4 felony for any person ineligible to purchase or possess a firearm to solicit, employ, or assist any person in purchasing a firearm in violation of § 18.2-308.2:2(M); a violation of this subsection also carries a mandatory minimum term of five years. It is a Class 2 misdemeanor under § 18.2-308.2:2(F) for dealers to obtain criminal history information under false pretenses or to unlawfully disseminate such information.

#### Analysis:

Available data do not contain sufficient detail to determine the number of incidents that would be affected by the proposal. However, affected offenders may be sentenced similarly to those who are currently convicted under existing provisions (see table below).

**Impact of Proposed Legislation:**

**State adult correctional facilities.** Because it expands existing felony offenses, the proposal may increase the future state-responsible (prison) bed space needs of the Commonwealth. However, existing databases do not provide sufficient detail to estimate the number of new felony convictions likely to result from enactment of the proposal. As a result, the magnitude of the impact on prison bed space needs cannot be quantified.

**Local adult correctional facilities.** Similarly, the proposal may increase local-responsible (jail) bed space needs; however, the magnitude of the impact cannot be determined.

**Adult community corrections resources.** Because the proposal could result in felony convictions and subsequent supervision requirements for an additional number of offenders, the proposal may increase the need for adult community corrections resources. Since the number of cases that may be affected cannot be determined, the potential impact on community corrections resources cannot be quantified.

**Virginia's sentencing guidelines.** While felony violations of § 18.2-308.2:2(K) are covered by the sentencing guidelines, convictions under other subsections of § 18.2-308.2:2 are not covered by the guidelines as the primary, or most serious, offense. Such convictions, however, could augment the sentence recommendation if the most serious offense is covered by the guidelines. No adjustment to the guidelines is necessary under the proposal.

**Juvenile correctional centers.** The Department of Juvenile Justice (DJJ) reports that the impact of this proposal on bed space needs of juvenile correctional centers cannot be determined.

**Juvenile detention facilities.** The Department of Juvenile Justice reports that the proposal's impact on detention center bed space cannot be determined.

**Pursuant to § 30-19.1:4, the estimated amount of the necessary appropriation cannot be determined for periods of imprisonment in state adult correctional facilities; therefore, Chapter 665 of the 2015 Acts of Assembly requires the Virginia Criminal Sentencing Commission to assign a minimum fiscal impact of \$50,000.**

**Pursuant to § 30-19.1:4, the estimated amount of the necessary appropriation cannot be determined for periods of commitment to the custody of the Department of Juvenile Justice.**
