2. Patron: Surovell

3. Committee: Transportation

4. Title: Temporary visitor's driver's license

5. Summary: This bill allows the Department of Motor Vehicles (DMV) to issue a temporary visitor's driver's license to an applicant who is unable to present valid documentary evidence of legal permanent residency in the United States or conditional resident alien status, if certain requirements are met.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Preliminary. See Item #8.

8. Fiscal Implications: The systems changes required to implement this legislation are estimated to cost \$78,665. While there would be an expenditure impact associated with the issuance of temporary visitor's driver's licenses (including production costs for the credentials and an increase in the number of transactions in DMV Customer Service Centers), the magnitude of that impact cannot be estimated. In any event, the agency expenditure impact would likely be offset by the revenue impact of the additional fees collected from issuance of temporary visitor's driver's licenses.

9. Specific Agency or Political Subdivisions Affected: Department of Motor Vehicles.

10. Technical Amendment Necessary: No.

11. Other Comments: None.
