**8. Fiscal Implications:** Section 24.2-404, Code of Virginia, requires the Department of Elections to provide general registrars voter confirmation documents for newly registered voters and notice to registered voters on the system changes and corrections in their registration records and polling places. The Department of Elections cannot estimate the number of voters affected by this bill; therefore, the fiscal impact for the Department of Elections cannot be determined at this time.

The proposed legislation is expected to have a local fiscal impact because localities are responsible for mailing voter information letters, for which mailing costs are estimated to be \$0.49 per voter.

This bill is not expected to have a fiscal impact for the Division of Legislative Services.

**9. Specific Agency or Political Subdivisions Affected:** Department of Elections, Division of Legislative Services, and localities.

**10. Technical Amendment Necessary:** No.

**11. Other Comments:** This bill is similar to HB26 (Sullivan).
