[S 1387]

Approved March 24, 2017

**Be it enacted by the General Assembly of Virginia:**

**1. That the Code of Virginia is amended by adding a section numbered 30-61.1 as follows:**

**§ 30-61.1. Operational and programmatic efficiency and effectiveness reviews.**

*A. In addition to the review and evaluation of state entities pursuant to the Legislative Program Review and Evaluation Act (§ 30-65 et seq.), the Commission may establish an operational and programmatic efficiency and effectiveness review and assessment of any state departments, agencies, and programs. The Commission may contract with a United States-based private management consulting firm to conduct the efficiency and effectiveness review and assessment. Such contract shall be pursuant to a fixed price contract and shall not provide for any payment resulting from the implementation of any recommendations of the review.*

*B. The purpose of the review and assessment shall be to provide an objective and independent cost-savings assessment of the Commonwealth's organizational structure and its programs in order to provide information to the Governor and the General Assembly to effect savings in expenditures, a reduction in duplication of effort, and programmatic efficiencies in the operation of state government. Any review and assessment conducted pursuant to this section shall take into consideration the results of any prior studies, audits, or reviews conducted by the Commission, the General Assembly or the Auditor of Public Accounts, any Governor-appointed commission or like entity, or any other independent entity that addressed the structure and operation of state government and identified monetary savings or efficiencies leading to a reduction in costs or reduced duplication of effort.*

*C. The Commission shall submit a report to the General Assembly on the results of any review and assessment by December 1 of the year in which such review is conducted.*
