6   **Be it enacted by the General Assembly of Virginia:**
7   **1. That § 15.2-1609.9 of the Code of Virginia is amended and reenacted as follows:**
8   **§ 15.2-1609.9. Compensation of part-time deputies.**
9   The part-time deputies of sheriffs shall not receive fixed salaries, but shall be entitled to receive
10 reasonable compensation for their services and allowances for their expenses, to be determined and paid
11 as hereinafter provided. Each such part-time deputy shall keep a record of all services performed by him
12 as such, which shall be reported to the sheriff whose deputy he is. The sheriff shall likewise keep a
13 record of all services performed by each part-time deputy. Each sheriff shall file a monthly report with
14 the board of supervisors or other governing body of the county or city council, as the case may be, on
15 or before the fifth day of the month next succeeding that in which such services are performed, showing
16 in detail all services and hours of service rendered by part-time deputies. The board of supervisors or
17 other governing body or the city council shall recommend to the Compensation Board what in its
18 judgment is a fair compensation to pay each individual part-time deputy of a sheriff on the basis of such
19 reports, except that the limit for compensation per hour of service shall not exceed the hourly equivalent
20 of the minimum annual salary paid a full-time deputy sheriff *of like rank and experience* who performs
21 like services in the same county or city. In addition, mileage and other expenses for rendering the
22 services shall be paid. If in the judgment of the governing body such limit would work a hardship on a
23 particular part-time deputy sheriff, each sum may be increased with the written approval of the judge of
24 the circuit court of the county or city for which such officer is appointed.
