Be it enacted by the General Assembly of Virginia:

**1. That §§ 46.2-1241 and 46.2-1242 of the Code of Virginia are amended and reenacted as follows:
 § 46.2-1241. Issuance of disabled parking placards.**

A. Upon application of a person with a disability that limits or impairs his ability to walk or that creates a concern for his safety while walking, the Commissioner shall issue a permanent removable windshield placard for use on a passenger car or pickup or panel truck. The Commissioner shall require that each original application be accompanied by a certification signed by a licensed physician, licensed podiatrist, licensed chiropractor, licensed nurse practitioner, or licensed physician assistant on forms prescribed by the Commissioner that the applicant meets the definition of "person with a disability that limits or impairs his ability to walk or that creates a concern for his safety while walking" contained in § 46.2-1240.

1. The Commissioner shall provide for the renewal of such placards every five years. Applications for renewals may require the applicant to certify that his disability is a permanent disability, but renewal applications need not be accompanied by a physician's, podiatrist's, chiropractor's, nurse practitioner's, or physician assistant's certification of the applicant's disability. The Commissioner shall work in consultation with the Medical Advisory Board for the Department to develop a definition of "permanent disability" as used in this subdivision. Notwithstanding any contrary provision of this chapter, no physician's, podiatrist's, chiropractor's, nurse practitioner's, or physician assistant's certification of an applicant's disability shall be required for the renewal of any disabled parking placard of an applicant to whom disabled parking license plates have been issued under § 46.2-731.

2. The Commissioner shall charge a reasonable fee for each placard, but no fee shall be charged any person exempted from fees in § 46.2-739.

3. The placards shall be of a design approved by the Commissioner pursuant to the specifications and definitions contained in § 46.2-1240.

B. Upon the application of a person with a disability that limits or impairs his ability to walk and whose disability is temporary, the Commissioner shall issue a temporary removable windshield placard. The application for a temporary removable windshield placard shall be accompanied by a certification signed by a licensed physician, nurse practitioner, physician assistant, podiatrist, or chiropractor on forms prescribed by the Commissioner that the applicant meets the definition of "person with a condition that limits or impairs his ability to walk" contained in § 46.2-1240 and shall also include the period of time that the physician, podiatrist, or chiropractor determines the applicant will have the disability, not to exceed six months.

1. A licensed physician, nurse practitioner, physician assistant, podiatrist, or chiropractor may certify up to 15 days in advance of an applicant's medical procedure that an applicant will meet the definition of "person with a condition that limits or impairs his ability to walk" and that the disability will be temporary. Any licensed physician, nurse practitioner, physician assistant, podiatrist, or chiropractor who certifies an applicant's disability in advance of a medical procedure shall provide the period of time for which the physician, nurse practitioner, physician assistant, podiatrist, or chiropractor has determined that the applicant will have the disability, not to exceed six months. The Commissioner will mail the temporary placard to the applicant.

2. The temporary removable windshield placard shall be valid for the period of time for which the physician, podiatrist, or chiropractor has determined that the applicant will have the disability, not to exceed six months from the date of issuance.

3. The Commissioner shall provide for a reasonable fee to be charged for the placard. The placards shall be of a design approved by the Commissioner pursuant to the specifications and definitions contained in § 46.2-1240.
