7 **Be it enacted by the General Assembly of Virginia:**

8 **1. That §§ 46.2-1231, 46.2-1232, and 46.2-1233.2 of the Code of Virginia are amended and**
9 **reenacted and that the Code of Virginia is amended by adding a section numbered 46.2-1233.3 as**
10 **follows:**

11 **§ 46.2-1231. Ticketing, removal, or immobilization of trespassing vehicles by owner or operator**
12 **of parking or other lot or building; charges.**

13 The owner, operator, or lessee of any parking lot, parking area, or parking space in a parking lot or
14 area or any part of a parking lot or area, or of any other lot or building, including any county, city, or
15 town, or authorized agent of the person having control of such premises may have any vehicle
16 occupying the lot, area, space, or building without the permission of its owner, operator, lessee, or
17 authorized agent of the one having the control of the premises, removed by towing or otherwise to a
18 licensed garage for storage until called for by the owner or his agent if there are posted at all entrances
19 to the parking lot or area signs clearly and conspicuously disclosing that such vehicle, if parked without
20 permission, will be removed, towed, or immobilized. Such signs shall, at a minimum, include the
21 nonemergency telephone number of the local law-enforcement agency or the telephone number of the
22 responsible towing and recovery operator to contact for information related to the location of vehicles
23 towed from that location. The requirements of this section relating to the posting of signs by an owner,
24 operator, or lessee of any parking lot, parking area or space shall not apply to localities in which the
25 local governing body has adopted an ordinance pursuant to § 46.2-1232.

26 Whenever a trespassing vehicle is removed or towed as permitted by this section, notice of this
27 action shall forthwith be given by the tow truck operator to the State Police or the local
28 law-enforcement agency of the jurisdiction from which the vehicle was towed. It shall be unlawful to
29 fail to report such tow as required by this section and violation of the reporting requirement of this
30 section shall constitute a traffic infraction punishable by a fine of not more than \$100. Such failure to
31 report shall limit the amount which may be charged for the storage and safekeeping of the towed vehicle
32 to an amount no greater than that charged for one day of storage and safekeeping. If the vehicle is
33 removed and stored, the vehicle owner may be charged and the vehicle may be held for a reasonable fee
34 for the removal and storage.

35 All businesses engaged in towing vehicles without the consent of their owners shall prominently
36 display (i) at their main place of business and (ii) at any other location where towed vehicles may be
37 reclaimed a comprehensive list of all their fees for towing, recovery, and storage services, or the basis
38 of such charges. This requirement to display a list of fees may also be satisfied by providing, when the
39 towed vehicle is reclaimed, a written list of such fees, either as part of a receipt or separately, to the
40 person who reclaims the vehicle. Charges in excess of those posted shall not be collectable from any
41 motor vehicle owner whose vehicle is towed, recovered, or stored without his consent. *At the time a*
42 *vehicle owner or agent reclaims a towed vehicle, such towing and recovery operator, if located in*
43 *Planning District 8, shall provide a written receipt that provides a telephone number or website*
44 *available for customer complaints. A locality located wholly or partially in Planning District 8 may*
45 *require additional information to be included on such receipt.*

46 Notwithstanding the foregoing provisions of this section, if the owner or representative or agent of
47 the owner of the trespassing vehicle is present and removes the trespassing vehicle from the premises
48 before it is actually towed, the trespassing vehicle shall not be towed, but the owner or representative or
49 agent of the owner of the trespassing vehicle shall be liable for a reasonable fee, not to exceed \$25 or
50 such other limit as the governing body of the county, city, or town may set by ordinance, in lieu of
51 towing.

52 In lieu of having a trespassing vehicle removed by towing or otherwise, the owner, operator, lessee
53 or authorized agent of the premises on which the trespassing vehicle is parked may cause the vehicle to
54 be immobilized by a boot or other device that prevents a vehicle from being moved by preventing a
55 wheel from turning, provided that the boot or other device does not damage the vehicle or wheel. The
56 charge for the removal of any boot or device shall not exceed \$25 or such other limit as the governing

body of the county, city, or town may set by ordinance. In lieu of having the vehicle removed by towing or otherwise, or in lieu of causing the vehicle to be immobilized, the owner, operator, lessee or authorized agent of the premises on which the trespassing vehicle is parked may cause to have an authorized local government official or law-enforcement officer issue, on the premises, a notice of the violation of a parking ordinance or regulation created pursuant to § 46.2-1220 or § 46.2-1221 to the registered owner of the vehicle.

This section shall not apply to police, fire, or public health vehicles or where a vehicle, because of a wreck or other emergency, is parked or left temporarily on the property of another. The governing body of every county, city, and town may by ordinance set limits on fees and charges provided for in this section.

§ 46.2-1232. Localities may regulate removal or immobilization of trespassing vehicles.

A. The governing body of any county, city, or town may by ordinance regulate the removal of trespassing vehicles from property by or at the direction of the owner, operator, lessee, or authorized agent in charge of the property. In the event that a vehicle is towed from one locality and stored in or released from a location in another locality, the local ordinance, if any, of the locality from which the vehicle was towed shall apply.

B. No local ordinance adopted under authority of this section shall require that any towing and recovery business also operate as or provide services as a vehicle repair facility or body shop, filling station, or any business other than a towing and recovery business.

C. Any such local ordinance may also require towing and recovery operators to (i) obtain and retain photographs or other documentary evidence substantiating the reason for the removal; (ii) post signs at their main place of business and at any other location where towed vehicles may be reclaimed conspicuously indicating (a) the maximum charges allowed by local ordinance, if any, for all their fees for towing, recovery, and storage services and (b) the name and business telephone number of the local official, if any, responsible for handling consumer complaints; (iii) obtain at the time the vehicle is towed, verbal approval of an agent designated in the local ordinance who is available at all times; and (iv) obtain, at the time the vehicle is towed, if such towing is performed during the normal business hours of the owner of the property from which the vehicle is being towed, the written authorization of the owner of the property from which the vehicle is towed, or his agent. Such written authorization, if required, shall be in addition to any written contract between the towing and recovery operator and the owner of the property or his agent, *except for vehicles being towed from a locality within Planning District 8, which shall not require written authorization if such written contract is in place. Any such written contract governing a property located within Planning District 8 shall clearly state the terms on which towing and recovery operators may monitor private lots on behalf of property owners.* For the purposes of this subsection, "agent" shall not include any person who either (a) is related by blood or marriage to the towing and recovery operator or (b) has a financial interest in the towing and recovery operator's business.

D. Any such ordinance adopted by a locality within Planning District 8 may require towing companies that tow vehicles from the county, city, or town adopting the ordinance to other localities, provided that the stored or released location is within the Commonwealth of Virginia and within 10 miles of the point of origin of the actual towing, (i) to obtain from the locality from which such vehicles are towed a permit to do so and (ii) to submit to an inspection of such towing company's facilities to ensure that the company meets all the locality's requirements, regardless of whether such facilities are located within the locality or elsewhere. The locality may impose and collect reasonable fees for the issuance and administration of permits as provided for in this subsection. Such ordinance may also provide grounds for revocation, suspension, or modification of any permit issued under this subsection, subject to notice to the permittee of the revocation, suspension, or modification and an opportunity for the permittee to have a hearing before the governing body of the locality or its designated agent to challenge the revocation, suspension, or modification. *Any tow truck driver who removes or tows a vehicle, pursuant to any such ordinance, that is occupied by an unattended companion animal as defined in § 3.2-6500 shall, upon such removal, immediately notify the animal control office of the locality in which the vehicle is being removed or towed.* Nothing in this subsection shall be applicable to public safety towing.

§ 46.2-1233.2. Advisory board.

Prior to adopting or amending any ordinance pursuant to § 46.2-1232 or § 46.2-1233, the local governing body shall appoint an advisory board to advise the governing body with regard to the appropriate provisions of the ordinance. ~~Voting members~~ *Members* of the advisory board shall *only* consist of an equal number of representatives of local law-enforcement agencies and representatives of licensed towing and recovery operators, and one member of the general public. Any such advisory board shall meet at least once per year at the call of the chairman of the advisory board, who shall be elected annually from among the ~~voting~~ members of the advisory board by a majority vote. *The chairmanship*

of any such advisory board for any locality within Planning District 8 shall be for a term of one year and rotate annually between a representative of a local law-enforcement agency, a representative of a licensed towing and recovery operator, and one member of the general public.

§ 46.2-1233.3. Improper towing; penalty.

A. This section shall apply only to tow truck drivers and towing and recovery operators removing a vehicle without the consent of its owner from a location in Planning District 8.

B. In addition to any action brought pursuant to subsection B of § 46.2-119, any tow truck driver who violates subsection A of § 46.2-118 or § 46.2-1217, 46.2-1231, or 46.2-1233.1, or any ordinance adopted therefrom, or any ordinance adopted pursuant to § 46.2-1233, or any towing or recovery operator who violates subsection B of § 46.2-118 or § 46.2-1217, 46.2-1231, or 46.2-1233.1, or any ordinance adopted therefrom, or any ordinance adopted pursuant to § 46.2-1233, is subject to a civil penalty of \$150. Such penalty shall be collected by the Office of the Attorney General, and the proceeds shall be deposited into the Literary Fund.
