For the purposes of this section, a victim is an individual who has suffered physical, psychological or economic harm as a direct result of the commission of a crime; a spouse, child, parent or legal guardian of a minor or incapacitated victim; or a spouse, child, parent or legal guardian of a victim of a homicide. Nothing in this subsection shall confer upon any person a right to appeal or modify any decision in a criminal, appellate or habeas corpus proceeding; abridge any right guaranteed by law; or create any cause of action for damages against the Commonwealth or any of its political subdivisions, the Attorney General or any of his employees or agents, any other officer, employee or agent of the Commonwealth or any of its political subdivisions, or any officer of the court.

§ 8.01-44.5. Punitive damages for persons injured by intoxicated drivers.

In any action for personal injury or death arising from the operation of a motor vehicle, engine or train, the finder of fact may, in its discretion, award punitive damages to the plaintiff if the evidence proves that the defendant acted with malice toward the plaintiff or the defendant's conduct was so willful or wanton as to show a conscious disregard for the rights of others.

A defendant's conduct shall be deemed sufficiently willful or wanton as to show a conscious disregard for the rights of others when the evidence proves that (i) when the incident causing the injury or death occurred, the defendant had a blood alcohol concentration of 0.15 percent or more by weight by volume or 0.15 grams or more per 210 liters of breath; (ii) at the time the defendant began drinking alcohol, or during the time he was drinking alcohol, he knew or should have known that his ability to operate a motor vehicle, engine or train would be impaired, or when he was operating a motor vehicle he knew or should have known that his ability to operate a motor vehicle was impaired; and (iii) the defendant's intoxication was a proximate cause of the injury to or death of the plaintiff. For the purposes of clause (i), it shall be rebuttably presumed that the blood alcohol concentration at the time of the incident causing injury or death was at least as high as the test result as shown in a certificate issued pursuant to § 18.2-268.9 ~~or~~, in a certificate of analysis for a blood test administered pursuant to § 18.2-268.7, provided that the test was administered in accordance with the provisions of §§ 18.2-268.1 through 18.2-268.12*, or in a certificate of analysis prepared by the Department of Forensic Science for a blood test administered pursuant to a search warrant*. In addition to any other forms of proof, a party may submit a copy of a certificate issued pursuant to § 18.2-268.9 ~~or~~, a certificate of analysis for a blood test administered pursuant to § 18.2-268.7, *or a certificate of analysis prepared by the Department of Forensic Science for a blood test administered pursuant to a search warrant,* which shall be prima facie evidence of the facts contained therein and, *if applicable,* compliance with the provisions of §§ 18.2-268.1 through 18.2-268.12.

However, when a defendant has ~~unreasonably~~ refused to submit to a test of his blood alcohol content as required by § 18.2-268.2, a defendant's conduct shall be deemed sufficiently willful or wanton as to show a conscious disregard for the rights of others when the evidence proves that (a) when the incident causing the injury or death occurred the defendant was intoxicated, which may be established by evidence concerning the conduct or condition of the defendant; (b) at the time the defendant began drinking alcohol, or during the time he was drinking alcohol, he knew or should have known that his ability to operate a motor vehicle was impaired; and (c) the defendant's intoxication was a proximate cause of the injury to the plaintiff or death of the plaintiff's decedent. In addition to any other forms of proof, a party may submit a certified copy of a court's determination of ~~unreasonable~~ refusal pursuant to § 18.2-268.3, which shall be prima facie evidence that the defendant ~~unreasonably~~ refused to submit to the test.

Evidence of similar conduct by the same defendant subsequent to the date of the personal injury or death arising from the operation of a motor vehicle, engine, or train shall be admissible at trial for consideration by the jury or other finder of fact for the limited purpose of determining what amount of punitive damages may be appropriate to deter the defendant and others from similar future action.

§ 15.2-1627. Duties of attorneys for the Commonwealth and their assistants.

A. No attorney for the Commonwealth, or assistant attorney for the Commonwealth, shall be required to carry out any duties as a part of his office in civil matters of advising the governing body and all boards, departments, agencies, officials and employees of his county or city; of drafting or preparing county or city ordinances; of defending or bringing actions in which the county or city, or any of its boards, departments or agencies, or officials and employees thereof, shall be a party; or in any other manner of advising or representing the county or city, its boards, departments, agencies, officials and employees, except in matters involving the enforcement of the criminal law within the county or city.

B. The attorney for the Commonwealth and assistant attorney for the Commonwealth shall be a part of the department of law enforcement of the county or city in which he is elected or appointed, and shall have the duties and powers imposed upon him by general law, including the duty of prosecuting all warrants, indictments or informations charging a felony, and he may in his discretion, prosecute Class 1, 2 and 3 misdemeanors, or any other violation, the conviction of which carries a penalty of confinement in jail, or a fine of $500 or more, or both such confinement and fine. He shall enforce all

forfeitures, and carry out all duties imposed upon him by § 2.2-3126. He may enforce the provisions of ~~subsection D of~~ § 18.2-268.3 *or 46.2-341.26:3*.

After a hearing, a judge shall issue an order authorizing a physician to perform an abortion, without the consent of any authorized person, if he finds that (i) the minor is mature enough and well enough informed to make her abortion decision, in consultation with her physician, independent of the wishes of any authorized person, or (ii) the minor is not mature enough or well enough informed to make such decision, but the desired abortion would be in her best interest.

If the judge authorizes an abortion based on the best interests of the minor, such order shall expressly state that such authorization is subject to the physician or his agent giving notice of intent to perform the abortion; however, no such notice shall be required if the judge finds that such notice would not be in the best interest of the minor. In determining whether notice is in the best interest of the minor, the judge shall consider the totality of the circumstances; however, he shall find that notice is not in the best interest of the minor if he finds that (i) one or more authorized persons with whom the minor regularly and customarily resides is abusive or neglectful, and (ii) every other authorized person, if any, is either abusive or neglectful or has refused to accept responsibility as parent, legal guardian, custodian or person standing in loco parentis.

The minor may participate in the court proceedings on her own behalf, and the court may appoint a guardian ad litem for the minor. The court shall advise the minor that she has a right to counsel and shall, upon her request, appoint counsel for her.

Notwithstanding any other provision of law, the provisions of this subsection shall govern proceedings relating to consent for a minor's abortion. Court proceedings under this subsection and records of such proceedings shall be confidential. Such proceedings shall be given precedence over other pending matters so that the court may reach a decision promptly and without delay in order to serve the best interests of the minor. Court proceedings under this subsection shall be heard and decided as soon as practicable but in no event later than four days after the petition is filed.

An expedited confidential appeal to the circuit court shall be available to any minor for whom the court denies an order authorizing an abortion without consent or without notice. An order authorizing an abortion without consent or without notice shall not be subject to appeal.

No filing fees shall be required of the minor at trial or upon appeal.

If either the original court or the circuit court fails to act within the time periods required by this subsection, the court before which the proceeding is pending shall immediately authorize a physician to perform the abortion without consent of or notice to an authorized person.

Nothing contained in this subsection shall be construed to authorize a physician to perform an abortion on a minor in circumstances or in a manner that would be unlawful if performed on an adult woman.

A physician shall not knowingly perform an abortion upon an unemancipated minor unless consent has been obtained or the minor delivers to the physician a court order entered pursuant to this section and the physician or his agent provides such notice as such order may require. However, neither consent nor judicial authorization nor notice shall be required if the minor declares that she is abused or neglected and the attending physician has reason to suspect that the minor may be an abused or neglected child as defined in § 63.2-100 and reports the suspected abuse or neglect in accordance with § 63.2-1509; or if there is a medical emergency, in which case the attending physician shall certify the facts justifying the exception in the minor's medical record.

"Consent" means that (i) the physician has given notice of intent to perform the abortion and has received authorization from an authorized person, or (ii) at least one authorized person is present with the minor seeking the abortion and provides written authorization to the physician, which shall be witnessed by the physician or an agent thereof. In either case, the written authorization shall be incorporated into the minor's medical record and maintained as a part thereof.

"Medical emergency" means any condition which, on the basis of the physician's good faith clinical judgment, so complicates the medical condition of the pregnant minor as to necessitate the immediate

abortion of her pregnancy to avert her death or for which a delay will create a serious risk of substantial and irreversible impairment of a major bodily function.

"Notice of intent to perform the abortion" means that (i) the physician or his agent has given actual notice of his intention to perform such abortion to an authorized person, either in person or by telephone, at least 24 hours previous to the performance of the abortion; or (ii) the physician or his agent, after a reasonable effort to notify an authorized person, has mailed notice to an authorized person by certified mail, addressed to such person at his usual place of abode, with return receipt requested, at least 72 hours prior to the performance of the abortion.

"Perform an abortion" means to interrupt or terminate a pregnancy by any surgical or nonsurgical procedure or to induce a miscarriage as provided in § 18.2-72, 18.2-73, or 18.2-74.

"Unemancipated minor" means a minor who has not been emancipated by (i) entry into a valid marriage, even though the marriage may have been terminated by dissolution; (ii) active duty with any of the Armed Forces of the United States; (iii) willingly living separate and apart from his or her parents or guardian, with the consent or acquiescence of the parents or guardian; or (iv) entry of an order of emancipation pursuant to Article 15 (§ 16.1-331 et seq.).

Notwithstanding the provisions of § 18.2-71, any physician who performs an abortion in violation of subsection W shall be guilty of a Class 3 misdemeanor.

Defer disposition and place the juvenile in the temporary custody of the Department to attend a boot camp established pursuant to § 66-13 provided bed space is available for confinement and the juvenile (i) has been found delinquent for an offense that would be a Class 1 misdemeanor or felony if committed by an adult, (ii) has not previously been and is not currently being adjudicated delinquent or found guilty of a violent juvenile felony, (iii) has not previously attended a boot camp, (iv) has not previously been committed to and received by the Department, and (v) has had an assessment completed by the Department or its contractor concerning the appropriateness of the candidate for a boot camp. Any order authorizing removal from the home and transferring legal custody of a juvenile to a local board of social services as provided in this subdivision shall be entered only upon a finding by the court that

If such failure to comply involves a child under the age of 16 years and three months, the child's ability to apply for a driver's license shall be delayed for a period of not less than 30 days following the date he reaches the age of 16 and three months.

If the court finds a second or subsequent such offense, it may order the denial of a driver's license for a period of one year or until the juvenile reaches the age of 18, whichever is longer, or delay the child's ability to apply for a driver's license for a period of one year following the date he reaches the age of 16 and three months, as may be appropriate.

If the test results indicate the presence of any drug other than alcohol, the test results shall be admissible, except in a prosecution under clause (v) of § 18.2-266, only if other competent evidence has been presented to relate the presence of the drug or drugs to the impairment of the accused's ability to drive or operate any motor vehicle, engine or train safely.

B. The failure of an accused to permit a blood or breath sample to be taken to determine the alcohol or drug content of his blood is ~~not~~ evidence and shall ~~not~~ be subject to comment by the Commonwealth at the trial of the case~~, except in rebuttal or pursuant to subsection C; nor shall the fact that a blood or breath test had been offered the accused be evidence or the subject of comment by the Commonwealth, except in rebuttal or pursuant to subsection C~~.

B. Any person~~, after having been~~ *who operates a watercraft or motorboat which is underway upon waters of the Commonwealth shall be deemed thereby, as a condition of such operation, to have consented to have samples of his blood taken for a chemical test to determine the alcohol, drug, or both alcohol and drug content of his blood, if he is* arrested for a violation of ~~clause (iii), (iv), or (v) of subsection B of~~ § 29.1-738~~, §~~ *or* 29.1-738.02~~,~~ or of a similar ordinance~~, may be required to submit to a blood test to determine the drug or both drug and alcohol content of his blood~~ *within three hours of the alleged offense*. ~~When a~~ *A* person, after having been arrested for a violation of clause (i) or (ii), or both, of subsection B of § 29.1-738, *who* submits to a breath test, in accordance with subsection A ~~of this section, or refuses to take~~ or is incapable of taking such a breath test, ~~he~~ may be required to submit to tests to determine the *alcohol,* drug, or both drug and alcohol content of his blood if the law-enforcement officer has reasonable cause to believe the person was operating a watercraft or motorboat under the influence of any drug or combination of drugs, or the combined influence of alcohol and drugs.

C. ~~If~~ *When* a person~~, after being~~ *is* arrested for a violation of subsection B of § 29.1-738~~,~~ *or* § 29.1-738.02~~,~~ or of a similar ordinance of any county, city, or town and ~~after having been advised by the arresting officer that a person who operates a watercraft or motorboat which is underway upon the waters of the Commonwealth shall be deemed thereby, as a condition of such operation, to have consented to have a sample of his blood and breath taken for a chemical test to determine the alcohol or drug content of his blood, and that the unreasonable refusal to do so constitutes grounds for a court to order him not to operate a watercraft or motorboat which is underway upon the waters of the Commonwealth, then~~ *such person* refuses to ~~permit the taking of a sample of his~~ *submit to having* blood or breath or both blood and breath samples ~~for such tests~~ *taken for testing as required by subsection A*, the arresting officer *shall advise the person of his obligation under the law and the consequences of refusal and* shall take the person arrested before a committing magistrate. If the person is unable to be taken before a magistrate because the person is taken to a medical facility for treatment or evaluation of his medical condition, the arresting officer at a medical facility, in the presence of a witness other than a law-enforcement officer, shall again advise the person, at the medical facility, of ~~the law requiring blood or breath samples to be taken and the penalty for~~ *his obligation under the law and the consequences of* refusal. If he again so refuses after having been further advised by such magistrate or by the arresting officer at a medical facility of the law requiring a blood or breath sample to be taken and the penalty for refusal, and so declares again his refusal in writing upon a form provided by the Supreme Court of Virginia, or refuses or fails to so declare in writing and such fact is certified as prescribed in § 18.2-268.3, then no blood or breath sample shall be taken even though he may thereafter request same.

D. When any person is arrested for operating a watercraft or motorboat which is underway in violation of subsection B of § 29.1-738 or § 29.1-738.02, the procedures and requirements of §§ 18.2-268.1 through 18.2-268.11 shall apply, mutatis mutandis, to this section.

E. *A violation of subsection B is a civil offense.* If the court or jury finds the defendant guilty of ~~unreasonably~~ refusing to permit a ~~blood or~~ breath sample to be taken *in violation of subsection A or finds that the defendant refused to permit a blood sample to be taken in violation of subsection B,* the court shall order such person not to operate a watercraft or motorboat which is underway for a period of 12 months for a first offense and for 24 months for a second or subsequent offense of refusal within five years of the first or other such refusal. However, if the defendant pleads guilty to a violation of subsection B of § 29.1-738, the court may dismiss the refusal warrant.

§ 29.1-738.3. Presumptions from alcohol or drug content.

In any prosecution for operating a watercraft or motorboat which is underway in violation of clause (ii), (iii), or (iv) of subsection B of § 29.1-738, or of a similar ordinance of any county, city or town, the amount of alcohol or drugs in the blood of the accused at the time of the alleged offense as indicated by a chemical analysis of a sample of the accused's blood or breath to determine the alcohol or drug content of his blood *(i)* in accordance with the provisions of § 29.1-738.2 *or (ii) performed by the Department of Forensic Science pursuant to a search warrant* shall give rise to the rebuttable presumptions of subdivisions ~~(1)~~ *A 1* through ~~(4)~~ *4* of ~~subsection A of~~ § 18.2-269.

§ 46.2-301.1. Administrative impoundment of motor vehicle for certain driving while license suspended or revoked offenses; judicial impoundment upon conviction; penalty for permitting violation with one's vehicle.

A. The motor vehicle being driven by any person (i) whose driver's license, learner's permit or privilege to drive a motor vehicle has been suspended or revoked for a violation of § 18.2-51.4 or 18.2-272 or driving while under the influence in violation of § 18.2-266~~,~~ *or* 46.2-341.24 or a substantially similar ordinance or law in any other jurisdiction; (ii) driving after adjudication as an habitual offender, where such adjudication was based in whole or in part on an alcohol-related offense, or where such person's license has been administratively suspended under the provisions of § 46.2-391.2; (iii) driving after such person's driver's license, learner's permit or privilege to drive a motor vehicle has been suspended or revoked for ~~unreasonable~~ refusal of tests in violation of § 18.2-268.3~~,~~ *or* 46.2-341.26:3 or a substantially similar ordinance or law in any other jurisdiction; or (iv) driving without an operator's license in violation of § 46.2-300 having been previously convicted of such offense or a substantially similar ordinance of any county, city, or town or law in any other jurisdiction shall be impounded or immobilized by the arresting law-enforcement officer at the time the person is arrested for driving after his driver's license, learner's permit or privilege to drive has been so revoked or suspended or for driving without an operator's license in violation of § 46.2-300 having been previously convicted of such offense or a substantially similar ordinance of any county, city, or town or law in any other jurisdiction. The impoundment or immobilization for a violation of clauses (i) through (iii) shall be for a period of 30 days. The period of impoundment or immobilization for a violation of clause (iv) shall be until the offender obtains a valid operator's license pursuant to § 46.2-300 or three days, whichever is less. In the event that the offender obtains a valid operator's license at any time during the three-day impoundment period and presents such license to the court, the court shall authorize the release of the vehicle upon payment of all reasonable costs of impoundment or immobilization to the person holding the vehicle.

The provisions of this section as to the offense described in clause (iv) ~~of this subsection~~ shall not apply to a person who drives a motor vehicle with no operator's license ~~(i)~~ *(a)* whose license has been expired for less than one year prior to the offense or ~~(ii)~~ *(b)* who is under 18 years of age at the time of the offense. The arresting officer, acting on behalf of the Commonwealth, shall serve notice of the impoundment upon the arrested person. The notice shall include information on the person's right to petition for review of the impoundment pursuant to subsection B. A copy of the notice of impoundment shall be delivered to the magistrate and thereafter promptly forwarded to the clerk of the general district court of the jurisdiction where the arrest was made. Transmission of the notice may be by electronic means.

At least five days prior to the expiration of the period of impoundment imposed pursuant to this section or § 46.2-301, the clerk shall provide the offender with information on the location of the motor vehicle and how and when the vehicle will be released; however, for a violation of clause (iv) ~~above~~, such information shall be provided at the time of arrest.

All reasonable costs of impoundment or immobilization, including removal and storage expenses, shall be paid by the offender prior to the release of his motor vehicle. Notwithstanding the above, where the arresting law-enforcement officer discovers that the vehicle was being rented or leased from a vehicle renting or leasing company, the officer shall not impound the vehicle or continue the impoundment but shall notify the rental or leasing company that the vehicle is available for pickup and shall notify the clerk if the clerk has previously been notified of the impoundment.

B. Any driver who is the owner of the motor vehicle that is impounded or immobilized under subsection A may, during the period of the impoundment, petition the general district court of the jurisdiction in which the arrest was made to review that impoundment. The court shall review the impoundment within the same time period as the court hears an appeal from an order denying bail or fixing terms of bail or terms of recognizance, giving this matter precedence over all other matters on its docket. If the person proves to the court by a preponderance of the evidence that the arresting law-enforcement officer did not have probable cause for the arrest, or that the magistrate did not have probable cause to issue the warrant, the court shall rescind the impoundment. Upon rescission, the motor vehicle shall be released and the Commonwealth shall pay or reimburse the person for all reasonable costs of impoundment or immobilization, including removal or storage costs paid or incurred by him.

Otherwise, the court shall affirm the impoundment. If the person requesting the review fails to appear without just cause, his right to review shall be waived.

The court's findings are without prejudice to the person contesting the impoundment or to any other potential party as to any proceedings, civil or criminal, and shall not be evidence in any proceedings, civil or criminal.

C. The owner or co-owner of any motor vehicle impounded or immobilized under subsection A who was not the driver at the time of the violation may petition the general district court in the jurisdiction where the violation occurred for the release of his motor vehicle. The motor vehicle shall be released if the owner or co-owner proves by a preponderance of the evidence that he (i) did not know that the offender's driver's license was suspended or revoked when he authorized the offender to drive such motor vehicle; (ii) did not know that the offender had no operator's license and that the operator had been previously convicted of driving a motor vehicle without an operator's license in violation of § 46.2-300 or a substantially similar ordinance of any county, city, or town or law in any other jurisdiction when he authorized the offender to drive such motor vehicle; or (iii) did not consent to the operation of the motor vehicle by the offender. If the owner proves by a preponderance of the evidence that his immediate family has only one motor vehicle and will suffer a substantial hardship if that motor vehicle is impounded or immobilized for the period of impoundment that otherwise would be imposed pursuant to this section, the court, in its discretion, may release the vehicle after some period of less than such impoundment period.

D. Notwithstanding any provision of this section, a subsequent dismissal or acquittal of the charge of driving without an operator's license or of driving on a suspended or revoked license shall result in an immediate rescission of the impoundment or immobilization provided in subsection A. Upon rescission, the motor vehicle shall be released and the Commonwealth shall pay or reimburse the person for all reasonable costs of impoundment or immobilization, including removal or storage costs, incurred or paid by him.

E. Any person who knowingly authorizes the operation of a motor vehicle by (i) a person he knows has had his driver's license, learner's permit or privilege to drive a motor vehicle suspended or revoked for any of the reasons set forth in subsection A or (ii) a person who he knows has no operator's license and who he knows has been previously convicted of driving a motor vehicle without an operator's license in violation of § 46.2-300 or a substantially similar ordinance of any county, city, or town or law in any other jurisdiction ~~shall be~~ *is* guilty of a Class 1 misdemeanor.

F. Notwithstanding the provisions of this section or § 46.2-301, nothing in this section shall impede or infringe upon a valid lienholder's rights to cure a default under an existing security agreement. Furthermore, such lienholder shall not be liable for any cost of impoundment or immobilization, including removal or storage expenses which may accrue pursuant to the provisions of this section or § 46.2-301. In the event a lienholder repossesses or removes a vehicle from storage pursuant to an existing security agreement, the Commonwealth shall pay all reasonable costs of impoundment or immobilization, including removal and storage expenses, to any person or entity providing such services to the Commonwealth, except to the extent such costs or expenses have already been paid by the offender to such person or entity. Such payment shall be made within seven calendar days after a request is made by such person or entity to the Commonwealth for payment. Nothing herein, however, shall relieve the offender from liability to the Commonwealth for reimbursement or payment of all such reasonable costs and expenses.

§ 46.2-341.26:2. Implied consent to post-arrest chemical test to determine alcohol or drug content of blood of commercial driver.

A. Any person~~, whether licensed by Virginia or not, who operates a commercial motor vehicle upon a highway as defined in § 46.2-100 in the Commonwealth shall be deemed thereby, as a condition of such operation, to have consented to have samples of his blood, breath, or both blood and breath taken for a chemical test to determine the alcohol, drug or both alcohol and drug content of his blood, if he is~~ arrested for violation of § 46.2-341.24 or 46.2-341.31 ~~within two hours of the alleged offense.~~

~~B. Such person shall be required to have~~ *shall submit to* a breath ~~sample taken and shall be entitled, upon request,~~ *test to determine the alcohol content of his blood. If the breath test is unavailable or the person is physically unable to submit to the breath test, the person shall submit to a blood test in accordance with subsection B. The accused shall, prior to administration of the test, be advised by the person administering the test that he has the right* to observe the process of analysis and to see the blood-alcohol reading on the equipment used to perform the breath test. If the equipment automatically produces a written printout of the breath test result, the printout, or a copy, shall be given to the ~~suspect. If a breath test is not available, then a blood test shall be required~~ *accused*.

B. Any person, whether licensed in Virginia or not, who operates a motor vehicle upon a highway, as defined in § 46.2-100, in the Commonwealth shall be deemed thereby, as a condition of such operation, to have consented to have samples of his blood taken for a chemical test to determine the alcohol, drug, or both alcohol and drug content of his blood, if he is arrested for violation of

§ 46.2-341.24 or 46.2-341.31 within three hours of the alleged offense.

C. ~~The~~ *A* person may be required to submit to blood tests to determine the *alcohol,* drug*, or both drug and alcohol* content of his blood if he has been arrested pursuant to ~~provision~~ *clause* (iii), (iv), or (v) of subsection A of § 46.2-341.24, or if he has taken the breath test required pursuant to subsection B *or is incapable of taking such a breath test* and the law-enforcement officer has reasonable cause to believe the person was driving under the influence of any drug or combination of drugs, or the combined influence of alcohol and drugs.

D. If the certificate of analysis referred to in § 46.2-341.26:9 indicates the presence of alcohol in the suspect's blood, the suspect shall be taken before a magistrate to determine whether the magistrate should issue an out-of-service order prohibiting the suspect from driving any commercial motor vehicle for a 24-hour period. If the magistrate finds that there is probable cause to believe that the suspect was driving a commercial motor vehicle with any measurable amount of alcohol in his blood, the magistrate shall issue an out-of-service order prohibiting the suspect from driving any commercial motor vehicle for a period of 24 hours. The magistrate shall forward a copy of the out-of-service order to the Department within seven days after issuing the order. The order shall be in addition to any other action or sanction permitted or required by law to be taken against or imposed upon the suspect.

§ 46.2-341.26:3. Refusal of tests; issuance of out-of-service orders; disqualification.

A. ~~If~~ *It is unlawful for a person who is arrested for a violation of § 46.2-341.24 or 46.2-341.31 to refuse to have samples of his breath taken for chemical tests to determine the alcohol or drug content of his blood as required by § 46.2-341.26:2 and any person who so refuses is guilty of a violation of this subsection which is punishable as follows:*

1. A first violation is a civil offense. For a first offense, the court shall suspend the defendant's privilege to drive for a period of one year. This suspension period is in addition to the suspension period provided under § 46.2-391.2.

2. If a person is found to have violated this subsection and within 10 years prior to the date of the refusal he was found guilty of any of the following: a violation of this section, a violation of any offense listed in subsection E of § 18.2-270, or a violation of § 46.2-341.24 or 46.2-341.31 arising out of separate occurrences or incidents, he is guilty of a Class 1 misdemeanor. A conviction under this subdivision shall of itself operate to deprive the person of the privilege to drive or operate any motor vehicle, engine, or train in the Commonwealth for a period of three years from the date of the judgment of conviction and such person shall have his license revoked as provided in subsection A of § 46.2-391. The court trying such case shall order the surrender of the person's driver's license, to be disposed of in accordance with § 46.2-398, and shall notify such person that his license has been revoked for a period of three years and that the penalty for violation of that revocation is as set out in § 46.2-391. This revocation period is in addition to the suspension period provided under § 46.2-391.2.

3. If a person is found to have violated this subsection and within 10 years prior to the date of the refusal he was found guilty of any two of the following: a violation of this section, a violation of any offense listed in subsection E of § 18.2-270, or a violation of § 46.2-341.24 or 46.2-341.31 arising out of separate occurrences or incidents, he is guilty of a Class 1 misdemeanor. A conviction under this subdivision shall of itself operate to deprive the person of the privilege to drive or operate any motor vehicle, engine, or train in the Commonwealth indefinitely and such person shall have his license revoked as provided in subsection B of § 46.2-391. The court trying such case shall order the surrender of the person's driver's license, to be disposed of in accordance with § 46.2-398, and shall notify such person that his license has been revoked indefinitely and that the penalty for violation of that revocation is as set out in § 46.2-391. This revocation period is in addition to the suspension period provided under § 46.2-391.2.

B. It is unlawful for a person who is arrested for a violation of § 46.2-341.24 or 46.2-341.31 to refuse to have samples of his blood taken for chemical tests to determine the alcohol or drug content of his blood as required by § 46.2-341.26:2 and any person who so refuses is guilty of a violation of this subsection which is a civil offense and is punishable as follows:

1. For a first offense, the court shall suspend the defendant's privilege to drive for a period of one year. This suspension period is in addition to the suspension period provided under § 46.2-391.2.

2. If a person is found to have violated this subsection and within 10 years prior to the date of the refusal he was found guilty of any of the following: a violation of this section, a violation of any offense listed in subsection E of § 18.2-270, or a violation of § 46.2-341.24 or 46.2-341.31 arising out of separate occurrences or incidents, such violation shall of itself operate to deprive the person of the privilege to drive or operate any motor vehicle, engine, or train in the Commonwealth for a period of three years from the date of the judgment and such person shall have his license revoked as provided in subsection A of § 46.2-391. The court trying such case shall order the surrender of the person's driver's license, to be disposed of in accordance with § 46.2-398, and shall notify such person that his license has been revoked for a period of three years and that the penalty for violation of that revocation is as

set out in § 46.2-391. This revocation period is in addition to the suspension period provided under § 46.2-391.2.

3. If a person is found to have violated this subsection and within 10 years prior to the date of the refusal he was found guilty of any two of the following: a violation of this section, a violation of any offense listed in subsection E of § 18.2-270, or a violation of § 46.2-341.24 or 46.2-341.31 arising out of separate occurrences or incidents, such violation shall of itself operate to deprive the person of the privilege to drive or operate any motor vehicle, engine, or train in the Commonwealth indefinitely and such person shall have his license revoked as provided in subsection B of § 46.2-391. The court trying such case shall order the surrender of the person's driver's license, to be disposed of in accordance with § 46.2-398, and shall notify such person that his license has been revoked indefinitely and that the penalty for violation of that revocation is as set out in § 46.2-391. This revocation period is in addition to the suspension period provided under § 46.2-391.2.

C. When a person *is* arrested for a violation of § 46.2-341.24 or ~~§~~ 46.2-341.31~~, after having been advised by a law-enforcement officer (i) that a person who operates a commercial motor vehicle on a public highway in the Commonwealth is deemed thereby, as a condition of such operation, to have consented to have samples of his blood or breath taken for chemical tests to determine the alcohol or drug content of his blood, (ii) that a finding of unreasonable refusal to consent may be admitted as evidence at a criminal trial, and (iii) that the unreasonable refusal to do so constitutes grounds for the issuance of an out-of-service order and for the disqualification of such person from operating a commercial motor vehicle, then~~ *and such person* refuses to ~~permit~~ *submit to having* blood or breath *or both blood and breath* samples ~~to be~~ taken for ~~such tests~~ *testing as required by § 46.2-341.26:2*, the law-enforcement officer shall ~~take the person before a magistrate. If he again refuses after having been further advised by the magistrate (i) of the law requiring blood or breath samples to be taken, (ii) that a finding of unreasonable refusal to consent may be admitted as evidence at a criminal trial, and (iii) the sanctions for refusal, and declares again his refusal in writing on~~ *advise the person, from* a form provided by the *Office of the Executive Secretary of the* Supreme Court, ~~or refuses or fails to so declare in writing and such fact is certified as prescribed below, then no blood or breath samples shall be taken even though he may later request them.~~

~~B.~~ *of his obligation under the law and the consequences of refusal.* The form *from which the law-enforcement officer shall advise the person arrested* shall contain a brief statement of the law requiring the taking of blood or breath samples, that ~~a finding of unreasonable~~ refusal to ~~consent~~ *submit to testing* may be admitted as evidence at a criminal trial, and the ~~sanctions~~ *penalties* for refusal~~; a declaration of refusal; and lines for the signature of the person from whom the blood or breath sample is sought, the date, and the signature of a witness to the signing. If the person refuses or fails to execute the declaration, the magistrate shall certify such fact and that the magistrate advised the person that a refusal to permit a blood or breath sample to be taken, if found to be unreasonable, constitutes grounds for immediate issuance of an out-of-service order prohibiting him from driving a commercial vehicle for a period of twenty-four hours, and for the disqualification of such person from operating a commercial motor vehicle~~.

D. The law-enforcement officer shall, under oath before the magistrate, execute the form and certify (i) that the defendant has refused to submit to having blood or breath or both blood and breath samples taken for testing; (ii) that the officer has read the portion of the form described in subsection C to the arrested person; (iii) that the arrested person, after having had the portion of the form described in subsection C read to him, had refused to submit to having such sample or samples taken; and (iv) how many, if any, violations of this section, any offense listed in subsection E of § 18.2-270, or § 46.2-341.24 or 46.2-341.31 the arrested person has been convicted of within the last 10 years. Such sworn certification shall constitute probable cause for the magistrate to issue a warrant or summons charging the person with refusal. The magistrate shall attach the executed and sworn advisement form to the warrant or summons. The warrant or summons for a first offense under subsection A or any offense under subsection B shall be executed in the same manner as a criminal warrant or summons. If the person arrested has been taken to a medical facility for treatment or evaluation of his medical condition, the law-enforcement officer may read the advisement form to the person at the medical facility, and issue, on the premises of the medical facility, a summons for a violation of this section in lieu of securing a warrant or summons from the magistrate. The magistrate or law-enforcement officer, as the case may be, shall forward the executed advisement form and warrant or summons to the appropriate court.

~~C.~~ *E.* If the magistrate finds that there was probable cause to believe the refusal was unreasonable, he shall immediately issue an out-of-service order prohibiting the person from operating a commercial motor vehicle for a period of ~~twenty-four~~ *24* hours ~~and shall issue a warrant or summons charging such person with a violation of § 46.2-341.26:2. The warrant or summons shall be executed in the same manner as criminal warrants. Venue for the trial of the warrant or summons shall lie in the court of the county or city in which the criminal offense is to be tried~~.

~~D. The executed declaration of refusal or the certificate of the magistrate, as the case may be, shall be attached to the warrant and shall be forwarded by the magistrate to the court.~~

~~E. When the court receives the declaration or certificate together with the warrant or summons charging refusal, the court shall fix a date for the trial of the warrant or summons, at such time as the court designates.~~

~~F. The declaration of refusal or certificate under § 46.2-341.26:3 shall be prima facie evidence that the defendant refused to allow a blood or breath sample to be taken to determine the alcohol or drug content of his blood. However, this shall not prohibit the defendant from introducing on his behalf evidence of the basis for his refusal. The court shall determine the reasonableness of such refusal.~~

§ 46.2-341.26:4. Appeal and trial; sanctions for refusal; procedures.

A. Venue for the trial of the warrant or summons shall lie in the court of the county or city in which the offense of driving under the influence of intoxicants or other offense listed in subsection A or B of § 46.2-341.26:3 is to be tried.

B. The procedure for appeal and trial *of any civil offense of § 46.2-341.26:3* shall be the same as provided by law for misdemeanors. If requested by either party on appeal to the circuit court, trial by jury shall be as provided in Article 4 (§ 19.2-260 et seq.) of Chapter 15 of Title 19.2, and the Commonwealth shall be required to prove its case beyond a reasonable doubt.

C. If ~~the court or jury finds the defendant guilty as charged in the warrant or summons referred to in § 46.2-341.26:3, the defendant shall be disqualified as provided in § 46.2-341.18. However, if~~ the defendant pleads guilty to a violation of § 46.2-341.24, the court may dismiss the warrant or summons.

The court shall ~~notify the Commissioner of any such finding of guilt and shall forward~~ *dispose of* the defendant's license ~~to the Commissioner as in other cases of similar nature for suspension of license unless the defendant appeals his conviction. In such case the court shall return the license to the defendant upon his appeal being perfected~~ *in accordance with the provisions of § 46.2-398; however, the defendant's license shall not be returned during any period of suspension imposed under § 46.2-391.2*.

§ 46.2-341.26:9. Assurance of breath test validity; use of breath tests as evidence.

To be capable of being considered valid in a prosecution under § 46.2-341.24 or 46.2-341.31, chemical analysis of a person's breath shall be performed by an individual possessing a valid license to conduct such tests, with the type of equipment and in accordance with methods approved by the Department.

Any individual conducting a breath test under the provisions of § 46.2-341.26:2 shall issue a certificate which includes the name of the suspect, the date and time the sample was taken from the suspect, the alcohol content of the sample, and the identity of the person who examined the sample. The certificate will also indicate that the test was conducted in accordance with the Department's specifications.

The certificate of analysis, when attested by the authorized individual conducting the breath test on equipment maintained by the Department, shall be admissible in any court as evidence of the facts therein stated and of the results of such analysis (i) in any criminal proceeding, provided that the requirements of subsection A of § 19.2-187.1 have been satisfied and the accused has not objected to the admission of the certificate pursuant to subsection B of § 19.2-187.1, or (ii) in any civil proceeding. Any such certificate of analysis purporting to be signed by a person authorized by the Department shall be admissible in evidence without proof of seal or signature of the person whose name is signed to it.

A copy of such certificate shall be promptly delivered to the suspect. ~~The law-enforcement officer requiring the test or anyone with such officer at the time if otherwise~~ *Any person* qualified to conduct ~~such~~ *a breath* test as provided by this section~~,~~ may administer the breath test or analyze the results thereof.

§ 46.2-341.26:10. Evidence.

A. In any trial for a violation of § 46.2-341.24, admission of the blood or breath test results shall not limit the introduction of any other relevant evidence bearing upon any question at issue before the court, and the court shall, regardless of the results of the blood or breath tests, consider other relevant admissible evidence of the condition of the accused. If the test results indicate the presence of any drugs other than alcohol, the test results shall be admissible except in a prosecution under clause (v) of subsection A of § 46.2-341.24, only if other competent evidence has been presented to relate the presence of the drug or drugs to the impairment of the accused's ability to drive or operate any commercial motor vehicle safely.

B. The failure of an accused to permit a blood or breath sample to be taken to determine the alcohol or drug content of his blood is ~~not~~ evidence and shall ~~not~~ be subject to ~~any~~ comment by the Commonwealth at the trial of the case~~, except in rebuttal or pursuant to subsection C; nor shall the fact that a blood or breath test had been offered the accused be evidence or the subject of comment by the Commonwealth, except in rebuttal or pursuant to subsection C~~.

C. ~~Evidence of a finding against the defendant under § 18.2-268.3 for his unreasonable refusal to~~

~~permit a blood or breath sample to be taken to determine the alcohol or drug content of his blood shall be admissible into evidence, upon the motion of the Commonwealth or the defendant, for the sole purpose of explaining the absence at trial of a chemical test of such sample. When admitted pursuant to this subsection such evidence shall not be considered evidence of the accused's guilt.~~

~~D.~~ The court or jury trying the case involving a violation of clause (ii), (iii), or (iv) of subsection A of § 46.2-341.24 shall determine the innocence or guilt of the defendant from all the evidence concerning his condition at the time of the alleged offense.

§ 46.2-341.27. Presumptions from alcohol and drug content of blood.
