§ 16.1-69.48:1. Fixed fee for misdemeanors, traffic infractions and other violations in district court; additional fees to be added.

A. Assessment of the fees provided for in this section shall be based on (i) an appearance for court hearing in which there has been a finding of guilty; (ii) a written appearance with waiver of court hearing and entry of guilty plea; (iii) for a defendant failing to appear, a trial in his or her absence resulting in a finding of guilty; (iv) an appearance for court hearing in which the court requires that the defendant successfully complete traffic school, a mature driver motor vehicle crash prevention course, or a driver improvement clinic, in lieu of a finding of guilty; (v) a deferral of proceedings pursuant to §§ 4.1-305, 16.1-278.8, 16.1-278.9, 18.2-57.3, 18.2-251 or 19.2-303.2; or (vi) proof of compliance with law under §§ 46.2-104, 46.2-324, 46.2-613, 46.2-711, 46.2-715, 46.2-716, 46.2-752, 46.2-1000, 46.2-1003, 46.2-1052, 46.2-1053, and 46.2-1158.02.

A defendant with charges which arise from separate incidents shall be taxed a fee for each incident even if the charges from the multiple incidents are disposed of in a single appearance or trial in absence.

In addition to the fixed fees assessed pursuant to this section, in the appropriate cases, the clerk shall also assess any costs otherwise specifically provided by statute.

§ 46.2-324. Applicants and license holders to notify Department of change of address; fee.

A. Whenever any person, after applying for or obtaining a driver's license or special identification card shall move from the address shown in the application or on the license or special identification card, he shall, within 30 days, notify the Department of his change of address. If the Department receives notification from the person or any court or law-enforcement agency that a person's residential address has changed to a non-Virginia address, unless the person (i) is on active duty with the armed forces of the United States, (ii) provides proof that he is a U.S. citizen and resides outside the United States because of his employment or the employment of a spouse or parent, or (iii) provides proof satisfactory to the Commissioner that he is a bona fide resident of Virginia, the Department shall (i) mail, by first-class mail, no later than three days after the notice of address change is received by the Department, notice to the person that his license and/or special identification card will be cancelled by the Department and (ii) cancel the driver's license and/or special identification card 30 days after notice of cancellation has been mailed.

B. The Department may contract with the United States Postal Service or an authorized agent to use the National Change of Address System for the purpose of obtaining current address information for a person whose name appears in customer records maintained by the Department. If the Department receives information from the National Change of Address System indicating that a person whose name appears in a Department record has submitted a permanent change of address to the Postal Service, the Department may then update its records with the mailing address obtained from the National Change of Address System.

C. There may be imposed upon anyone failing to notify the Department of his change of address as required by this section a fee of \$5, which fee shall be used to defray the expenses incurred by the Department. Notwithstanding the foregoing provision of this subsection, no fee shall be imposed on any person whose address is obtained from the National Change of Address System.

D. The Department shall electronically transmit change of address information to the Department of State Police, in a format approved by the State Police, for comparison with information contained in the Virginia Criminal Information Network and National Crime Information Center Convicted Sexual Offender Registry Files, at the time of the change of address. Whenever it appears from the records of the State Police that a person has failed to comply with the duty to register or reregister pursuant to Chapter 9 (§ 9.1-900 et seq.) of Title 9.1, the State Police shall promptly investigate and, if there is probable cause to believe a violation has occurred, obtain a warrant or assist in obtaining an indictment charging a violation of § 18.2-472.1 in the jurisdiction in which the person last registered or reregistered or in the jurisdiction where the person made application for change of address.

E. For any summons issued for a violation of this section, the court may, in its discretion, dismiss the summons, where proof of compliance with this section is provided to the court on or before the court date.

§ 46.2-613. Offenses relating to registration, licensing, and certificates of title; penalty.

A. No person shall:

1. Operate or permit the operation of a motor vehicle, trailer, or semitrailer owned, leased, or otherwise controlled by him to be operated on a highway unless (i) it is registered, (ii) a certificate of title therefor has been issued, and (iii) it has displayed on it the license plate or plates and decal or decals, if any, assigned to it by the Department for the current registration period, subject to the exemptions mentioned in Article 5 (§ 46.2-655 et seq.) and Article 6 (§ 46.2-662 et seq.) of this chapter. The provisions of this subdivision shall apply to the registration, licensing, and titling of mopeds on or after July 1, 2014.

2. Display, cause or permit to be displayed, any registration card, certificate of title, or license plate or decal which he knows is fictitious or which he knows has been cancelled, revoked, suspended, or altered; or display or cause or permit to be displayed on any motor vehicle, trailer, or semitrailer any license plate or decal that he knows is currently issued for another vehicle. Violation of this subdivision shall constitute a Class 2 misdemeanor.

3. Possess or lend or knowingly permit the use of any registration card, license plate, or decal by

anyone not entitled to it.

4. Fail or refuse to surrender to the Department or the Department of State Police, on demand, any certificate of title, registration card, or license plate or decal which has been suspended, cancelled, or revoked. Violation of this subdivision shall constitute a Class 2 misdemeanor.

5. Use a false name or address in any application for the registration of any motor vehicle, trailer, or semitrailer or for a certificate of title or for any renewal or duplicate certificate, or knowingly to make a false statement of a material fact or to conceal a material fact or otherwise commit a fraud in any registration application. Violation of this subdivision shall constitute a Class 1 misdemeanor.

B. For any summons issued for a violation of this section, the court may, in its discretion, dismiss the summons, where proof of compliance with this section is provided to the court on or before the court date.

§ 46.2-711. Furnishing number and design of plates; displaying on vehicles required.

A. The Department shall furnish one license plate for every registered moped, motorcycle, autocycle, tractor truck, semitrailer, or trailer, and two license plates for every other registered motor vehicle, except to licensed motor vehicle dealers and persons delivering unladen vehicles who shall be furnished one license plate. The license plates for trailers, semitrailers, commercial vehicles, and trucks, other than license plates for dealers, may be of such design as to prevent removal without mutilating some part of the indicia forming a part of the license plate, when secured to the bracket.

B. The Department shall issue appropriately designated license plates for:

1. Passenger-carrying vehicles for rent or hire for the transportation of passengers for private trips, other than TNC partner vehicles as defined in § 46.2-2000 and emergency medical services vehicles pursuant to clause (iii) of § 46.2-649.1:1;

D. The Department shall issue appropriately designated license plates for low-speed vehicles.

E. No vehicles shall be operated on the highways in the Commonwealth without displaying the license plates required by this chapter. The provisions of this subsection shall not apply to vehicles used to collect and deliver the United States mail to the extent that their rear license plates may be covered by the "CAUTION, FREQUENT STOPS, U.S. MAIL" sign when the vehicle is engaged in the collection and delivery of the United States mail.

F. Pickup or panel trucks are exempt from the provisions of subsection B with reference to displaying for-hire license plates when operated as a carrier for rent or hire. However, this exemption shall not apply to pickup or panel trucks subject to regulation under Chapter 21 (§ 46.2-2100 et seq.).

G. For any summons issued for a violation of this section, the court may, in its discretion, dismiss the summons, where proof of compliance with this section is provided to the court on or before the court date.

The license plate assigned to a moped, motorcycle, autocycle, trailer, or semitrailer shall be attached to the rear of the vehicle. The license plate assigned to a tractor truck shall be attached to the front of the vehicle. The license plates issued to licensed motor vehicle dealers and to persons licensed as transporters of unladen vehicles shall consist of one plate for each set issued and shall be attached to the rear of the vehicle to which it is assigned.

For any summons issued for a violation of this section, the court may, in its discretion, dismiss the summons, where proof of compliance with this section is provided to the court on or before the court date.

§ 46.2-716. How license plates fastened to vehicle; altering appearance of license plates.

A. Every license plate shall be securely fastened to the motor vehicle, trailer, or semitrailer to which it is assigned:

1. So as to prevent the plate from swinging,

2. In a position to be clearly visible, and

3. In a condition to be clearly legible.

B. No colored glass, colored plastic, bracket, holder, mounting, frame, or any other type of covering shall be placed, mounted, or installed on, around, or over any license plate if such glass, plastic, bracket, holder, mounting, frame, or other type of covering in any way alters or obscures (i) the alpha-numeric information, (ii) the color of the license plate, (iii) the name or abbreviated name of the state wherein the vehicle is registered, or (iv) any character or characters, decal, stamp, or other device indicating the month or year in which the vehicle's registration expires. No insignia, emblems, or trailer hitches or couplings shall be mounted in such a way as to hide or obscure any portion of the license plate or render any portion of the license plate illegible.

C. The Superintendent may make such regulations as he may deem advisable to enforce the proper mounting and securing of the license plate on the vehicle.

D. For any summons issued for a violation of this section, the court may, in its discretion, dismiss the summons, where proof of compliance with this section is provided to the court on or before the court date.

§ 46.2-752. A. Except as provided in § 46.2-755, counties, cities, and towns may levy and assess taxes and charge license fees on motor vehicles, trailers, and semitrailers. However, none of these taxes and license fees shall be assessed or charged by any county on vehicles owned by residents of any town located in the county when such town constitutes a separate school district if the vehicles are already subject to town license fees and taxes, nor shall a town charge a license fee to any new resident of the town, previously a resident of a county within which all or part of the town is situated, who has previously paid a license fee for the same tax year to such county. The amount of the license fee or tax imposed by any county, city, or town on any motor vehicle, trailer, or semitrailer shall not be greater than the annual or one-year fee imposed by the Commonwealth on the motor vehicle, trailer, or semitrailer. The license fees and taxes shall be imposed in such manner, on such basis, for such periods, and subject to proration for fractional periods of years, as the proper local authorities may determine.

Owners or lessees of motor vehicles, trailers, and semitrailers who have served outside of the United States in the armed services of the United States shall have a 90-day grace period, beginning on the date they are no longer serving outside the United States, in which to comply with the requirements of this section. For purposes of this section, "the armed services of the United States" includes active duty service with the regular Armed Forces of the United States or the National Guard or other reserve component.

The governing body of any county, city, or town issuing licenses under this section may by ordinance provide for a 50 percent reduction in the fee charged for the issuance of any such license issued for any vehicle owned or leased by any person who is 65 years old or older. No such discount, however, shall be available for more than one vehicle owned or leased by the same person.

The governing body of any county, city, or town issuing licenses free of charge under this subsection may by ordinance provide for (i) the limitation, restriction, or denial of such free issuance to an otherwise qualified applicant, including without limitation the denial of free issuance to a taxpayer who has failed to timely pay personal property taxes due with respect to the vehicle and (ii) the grounds for such limitation, restriction, or denial.

The situs for the imposition of licensing fees under this section shall in all cases, except as hereinafter provided, be the county, city, or town in which the motor vehicle, trailer, or semitrailer is normally garaged, stored, or parked. If it cannot be determined where the personal property is normally garaged, stored, or parked, the situs shall be the domicile of its owner. In the event the owner of the motor vehicle is a full-time student attending an institution of higher education, the situs shall be the domicile of such student, provided the student has presented sufficient evidence that he has paid a personal property tax on the motor vehicle in his domicile.

B. The revenue derived from all county, city, or town taxes and license fees imposed on motor vehicles, trailers, or semitrailers shall be applied to general county, city, or town purposes.

C. A county, city, or town may require that no motor vehicle, trailer, or semitrailer shall be locally licensed until the applicant has produced satisfactory evidence that all personal property taxes on the motor vehicle, trailer, or semitrailer to be licensed have been paid and satisfactory evidence that any delinquent motor vehicle, trailer, or semitrailer personal property taxes owing have been paid which have been properly assessed or are assessable against the applicant by the county, city, or town. A county, city, or town may also provide that no motor vehicle license shall be issued unless the tangible personal property taxes properly assessed or assessable by that locality on any tangible personal property used or usable as a dwelling titled by the Department of Motor Vehicles and owned by the taxpayer have been paid. Any county and any town within any such county may by agreement require that all personal property taxes assessed by either the county or the town on any vehicle be paid before licensure of such vehicle by either the county or the town.

C1. The Counties of Dinwiddie, Lee, and Wise may, by ordinance or resolution adopted after public notice and hearing and, with the consent of the treasurer, require that no license may be issued under this section unless the applicant has produced satisfactory evidence that all fees, including delinquent fees, payable to such county or local solid waste authority, for the disposal of solid waste pursuant to the Virginia Water and Waste Authorities Act (§ 15.2-5100 et seq.), or pursuant to § 15.2-2159, have been paid in full. For purposes of this subsection, all fees, including delinquent fees, payable to a county for waste disposal services described herein, shall be paid to the treasurer of such county; however, in Wise County, the fee shall be paid to the county or its agent.

D. The Counties of Arlington, Fairfax, Loudoun, and Prince William and towns within them and any city may require that no motor vehicle, trailer, or semitrailer shall be licensed by that jurisdiction unless all fines owed to the jurisdiction by the owner of the vehicle, trailer, or semitrailer for violation of the jurisdiction's ordinances governing parking of vehicles have been paid. The provisions of this subsection shall not apply to vehicles owned by firms or companies in the business of renting motor vehicles.

E. If in any county imposing license fees and taxes under this section, a town therein imposes like fees and taxes on vehicles of owners resident in the town, the owner of any vehicle subject to the fees or taxes shall be entitled, on the owner's displaying evidence that he has paid the fees or taxes, to receive a credit on the fees or taxes imposed by the county to the extent of the fees or taxes he has paid

to the town. Nothing in this section shall deprive any town now imposing these licenses and taxes from increasing them or deprive any town not now imposing them from hereafter doing so, but subject to the limitations provided in subsection D. The governing body of any county and the governing body of any town in that county wherein each imposes the license tax herein provided may provide mutual agreements so that not more than one license plate or decal in addition to the state plate shall be required.

F. Notwithstanding the provisions of subsection E, in a consolidated county wherein a tier-city exists, the tier-city may, in accordance with the provisions of the agreement or plan of consolidation, impose license fees and taxes under this section in addition to those fees and taxes imposed by the county, provided that the combined county and tier-city rates do not exceed the maximum provided in subsection A. No credit shall be allowed on the fees or taxes imposed by the county for fees or taxes paid to the tier-city, except as may be provided by the consolidation agreement or plan. The governing body of any county and the governing body of any tier-city in such county wherein each imposes the license tax herein may provide by mutual agreement that no more than one license plate or decal in addition to the state license plate shall be required.

G. Any county, city, or town may by ordinance provide that it shall be unlawful for any owner or operator of a motor vehicle, trailer, or semitrailer (i) to fail to obtain and, if any required by such ordinance, to display the local license required by any ordinance of the county, city or town in which the vehicle is registered, or (ii) to display upon a motor vehicle, trailer, or semitrailer any such local license, required by ordinance to be displayed, after its expiration date. The ordinance may provide that a violation shall constitute a misdemeanor the penalty for which shall not exceed that of a Class 4 misdemeanor and may, in the case of a motor vehicle registered to a resident of the locality where such vehicle is registered, authorize the issuance by local law-enforcement officers of citations, summonses, parking tickets, or uniform traffic summonses for violations. Any such ordinance may also provide that a violation of the ordinance by the registered owner of the vehicle may not be discharged by payment of a fine except upon presentation of satisfactory evidence that the required license has been obtained. Nothing in this section shall be construed to require a county, city, or town to issue a decal or any other tangible evidence of a local license to be displayed on the licensed vehicle if the county's, city's, or town's ordinance does not require display of a decal or other evidence of payment. No ordinance adopted pursuant to this section shall require the display of any local license, decal, or sticker on any vehicle owned by a public service company, as defined in § 56-76, having a fleet of at least 2,500 vehicles garaged in the Commonwealth.

H. Except as provided by subsections E and F, no vehicle shall be subject to taxation under the provisions of this section in more than one jurisdiction. Furthermore, no person who has purchased a local vehicle license, decal, or sticker for a vehicle in one county, city, or town and then moves to and garages his vehicle in another county, city, or town shall be required to purchase another local license, decal, or sticker from the county, city, or town to which he has moved and wherein his vehicle is now garaged until the expiration date of the local license, decal, or sticker issued by the county, city, or town from which he moved.

I. Purchasers of new or used motor vehicles shall be allowed at least a 10-day grace period, beginning with the date of purchase, during which to pay license fees charged by local governments under authority of this section.

J. The treasurer or director of finance of any county, city, or town may enter into an agreement with the Commissioner whereby the Commissioner will refuse to issue or renew any vehicle registration of any applicant therefor who owes to such county, city or town any local vehicle license fees or delinquent tangible personal property tax or parking citations. Before being issued any vehicle registration or renewal of such license or registration by the Commissioner, the applicant shall first satisfy all such local vehicle license fees and delinquent taxes or parking citations and present evidence satisfactory to the Commissioner that all such local vehicle license fees and delinquent taxes or parking citations have been paid in full. The Commissioner shall charge a reasonable fee to cover the costs of such enforcement action, and the treasurer or director of finance may add the cost of this fee to the delinquent tax bill or the amount of the parking citation. The treasurer or director of finance of any county, city, or town seeking to collect delinquent taxes or parking citations through the withholding of registration or renewal thereof by the Commissioner as provided for in this subsection shall notify the Commissioner in the manner provided for in his agreement with the Commissioner and supply to the Commissioner information necessary to identify the debtor whose registration or renewal is to be denied. Any agreement entered into pursuant to the provisions of this subsection shall provide the debtor notice of the intent to deny renewal of registration at least 30 days prior to the expiration date of a current vehicle registration. For the purposes of this subsection, notice by first-class mail to the registrant's address as maintained in the records of the Department of Motor Vehicles shall be deemed sufficient. In the case of parking violations, the Commissioner shall only refuse to issue or renew the vehicle

registration of any applicant therefor pursuant to this subsection for the vehicle that incurred the parking violations. The provisions of this subsection shall not apply to vehicles owned by firms or companies in the business of renting motor vehicles.

K. The governing bodies of any two or more counties, cities, or towns may enter into compacts for the regional enforcement of local motor vehicle license requirements. The governing body of each participating jurisdiction may by ordinance require the owner or operator of any motor vehicle, trailer, or semitrailer to display on his vehicle a valid local license issued by another county, city, or town that is a party to the regional compact, provided that the owner or operator is required by the jurisdiction of situs, as provided in § 58.1-3511, to obtain and display such license. The ordinance may also provide that no motor vehicle, trailer, or semitrailer shall be locally licensed until the applicant has produced satisfactory evidence that (i) all personal property taxes on the motor vehicle, trailer, or semitrailer to be licensed have been paid to all participating jurisdictions and (ii) any delinquent motor vehicle, trailer, or semitrailer personal property taxes that have been properly assessed or are assessable by any participating jurisdiction against the applicant have been paid. Any city and any county having the urban county executive form of government, the counties adjacent to such county and towns within them may require that no motor vehicle, trailer, or semitrailer shall be licensed by that jurisdiction or any other jurisdiction in the compact unless all fines owed to any participating jurisdiction by the owner of the vehicle for violation of any participating jurisdiction's ordinances governing parking of vehicles have been paid. The ordinance may further provide that a violation shall constitute a misdemeanor the penalty for which shall not exceed that of a Class 4 misdemeanor. Any such ordinance may also provide that a violation of the ordinance by the owner of the vehicle may not be discharged by payment of a fine and applicable court costs except upon presentation of satisfactory evidence that the required license has been obtained. The provisions of this subsection shall not apply to vehicles owned by firms or companies in the business of renting motor vehicles.

L. In addition to the taxes and license fees permitted in subsection A, counties, cities, and towns may charge a license fee of no more than \$1 per motor vehicle, trailer, and semitrailer. Except for the provisions of subsection B, such fee shall be subject to all other provisions of this section. All funds collected pursuant to this subsection shall be paid pursuant to § 51.1-1204 to the Volunteer Firefighters' and Rescue Squad Workers' Service Award Fund to the accounts of all members of the Fund who are volunteers for fire departments or emergency medical services agencies within the jurisdiction of the particular county, city, or town.

M. In any county, the county treasurer or comparable officer and the treasurer of any town located wholly or partially within such county may enter into a reciprocal agreement, with the approval of the respective local governing bodies, that provides for the town treasurer to collect current, non-delinquent license fees or taxes on any motor vehicle, trailer, or semitrailer owed to the county or for the county treasurer to collect current, non-delinquent license fees or taxes owed to the town. A treasurer or comparable officer collecting any such license fee or tax pursuant to an agreement entered into under this subsection shall account for and pay over such amounts to the locality owed such license fee or tax in the same manner as provided by law. As used in this subsection, with regard to towns, "treasurer" means the town officer or employee vested with authority by the charter, statute, or governing body to collect local taxes.

N. *For any summons issued for a violation of this section, the court may, in its discretion, dismiss the summons, where proof of compliance with this section is provided to the court on or before the court date.*

The Department shall suspend the registration of any motor vehicle, trailer, or semitrailer which the Department or the Department of State Police determines is not equipped with proper (i) brakes, (ii) lights, (iii) horn or warning device, (iv) turn signals, (v) safety glass when required by law, (vi) mirror, (vii) muffler, (viii) windshield wiper, (ix) steering gear adequate to ensure the safe movement of the vehicle as required by this title or when such vehicle is equipped with a smoke screen device or cutout or when such motor vehicle, trailer, or semitrailer is otherwise unsafe to be operated.

Any law-enforcement officer shall, when he observes any defect in a motor vehicle as described above, take possession of the registration card, license plates, and decals of any such vehicle and retain the same in his possession for a period of ~~fifteen~~ 15 days unless the owner of the vehicle corrects the defects or obtains a new safety inspection sticker from an authorized safety inspection station. When the defect or defects are corrected as indicated above the registration card, license plates, and decals shall be returned to the owner.

For any summons issued for a violation of this section, the court may, in its discretion, dismiss the summons, where proof of compliance with this section is provided to the court on or before the court

date.

§ 46.2-1003. Illegal use of defective or unsafe equipment.

It shall be unlawful for any person to use or have as equipment on a motor vehicle operated on a highway any device or equipment mentioned in § 46.2-1002 which is defective or in unsafe condition.

For any summons issued for a violation of this section, the court may, in its discretion, dismiss the summons, where proof of compliance with this section is provided to the court on or before the court date.

§ 46.2-1052. Tinting films, signs, decals, and stickers on windshields, etc.; penalties.

A. Except as otherwise provided in this article or permitted by federal law, it shall be unlawful for any person to operate any motor vehicle on a highway with any sign, poster, colored or tinted film, sun-shading material, or other colored material on the windshield, front or rear side windows, or rear windows of such motor vehicle. This provision, however, shall not apply to any certificate or other paper required by law or permitted by the Superintendent to be placed on a motor vehicle's windshield or window.

The size of stickers or decals used by counties, cities, and towns in lieu of license plates shall be in compliance with regulations promulgated by the Superintendent. Such stickers shall be affixed on the windshield at a location designated by the Superintendent.

B. Notwithstanding the foregoing provisions of this section, whenever a motor vehicle is equipped with a mirror on each side of such vehicle, so located as to reflect to the driver of such vehicle a view of the highway for at least 200 feet to the rear of such vehicle, any or all of the following shall be lawful:

1. To drive a motor vehicle equipped with one optically grooved clear plastic right-angle rear view lens attached to one rear window of such motor vehicle, not exceeding 18 inches in diameter in the case of a circular lens or not exceeding 11 inches by 14 inches in the case of a rectangular lens, which enables the driver of the motor vehicle to view below the line of sight as viewed through the rear window;

2. To have affixed to the rear side windows, rear window or windows of a motor vehicle any sticker or stickers, regardless of size; or

3. To drive a motor vehicle when the driver's clear view of the highway through the rear window or windows is otherwise obstructed.

C. Except as provided in § 46.2-1053, but notwithstanding the foregoing provisions of this section, no sun-shading or tinting film may be applied or affixed to any window of a motor vehicle unless such motor vehicle is equipped with a mirror on each side of such motor vehicle, so located as to reflect to the driver of the vehicle a view of the highway for at least 200 feet to the rear of such vehicle, and the sun-shading or tinting film is applied or affixed in accordance with the following:

1. No sun-shading or tinting films may be applied or affixed to the rear side windows or rear window or windows of any motor vehicle operated on the highways of the Commonwealth that reduce the total light transmittance of such window to less than 35 percent;

2. No sun-shading or tinting films may be applied or affixed to the front side windows of any motor vehicle operated on the highways of the Commonwealth that reduce total light transmittance of such window to less than 50 percent;

3. No sun-shading or tinting films shall be applied or affixed to any window of a motor vehicle that (i) have a reflectance of light exceeding 20 percent or (ii) produce a holographic or prism effect.

Any person who operates a motor vehicle on the highways of the Commonwealth with sun-shading or tinting films that (i) have a total light transmittance less than that required by subdivisions 1 and 2, (ii) have a reflectance of light exceeding 20 percent, or (iii) produce holographic or prism effects is guilty of a traffic infraction but shall not be awarded any demerit points by the Commissioner for the violation.

Any person or firm who applies or affixes to the windows of any motor vehicle in Virginia sun-shading or tinting films that (i) reduce the light transmittance to levels less than that allowed in subdivisions 1 and 2, (ii) have a reflectance of light exceeding 20 percent, or (iii) produce holographic or prism effects is guilty of a Class 3 misdemeanor for the first offense and of a Class 2 misdemeanor for any subsequent offense.

D. The Division of Purchases and Supply, pursuant to § 2.2-1112, shall determine the proper standards for equipment or devices used to measure light transmittance through windows of motor vehicles. Law-enforcement officers shall use only such equipment or devices to measure light transmittance through windows that meet the standards established by the Division. Such measurements made by law-enforcement officers shall be given a tolerance of minus seven percentage points.

E. No film or darkening material may be applied on the windshield except to replace the sunshield in the uppermost area as installed by the manufacturer of the vehicle.

F. Nothing in this section shall prohibit the affixing to the rear window of a motor vehicle of a

single sticker no larger than 20 square inches if such sticker is totally contained within the lower five inches of the glass of the rear window, nor shall subsection B apply to a motor vehicle to which but one such sticker is so affixed.

G. Nothing in this section shall prohibit applying to the rear side windows or rear window of any multipurpose passenger vehicle or pickup truck sun-shading or tinting films that reduce the total light transmittance of such window or windows below 35 percent.

H. As used in this article:

"Front side windows" means those windows located adjacent to and forward of the driver's seat;

"Holographic effect" means a picture or image that may remain constant or change as the viewing angle is changed;

"Prism effect" means a visual, iridescent, or rainbow-like effect that separates light into various colored components that may change depending on viewing angle;

"Rear side windows" means those windows located to the rear of the driver's seat;

"Rear window" or "rear windows" means those windows which are located to the rear of the passenger compartment of a motor vehicle and which are approximately parallel to the windshield.

I. Notwithstanding the foregoing provisions of this section, sun-shading material which was applied or installed prior to July 1, 1987, in a manner and on which windows not then in violation of Virginia law, shall continue to be lawful, provided that it can be shown by appropriate receipts that such material was installed prior to July 1, 1987.

J. Where a person is convicted within one year of a second or subsequent violation of this section involving the operation of the same vehicle having a tinted or smoked windshield, the court, in addition to any other penalty, may order the person so convicted to remove such tinted or smoked windshield from the vehicle.

K. The provisions of this section shall not apply to law-enforcement vehicles.

L. The provisions of this section shall not apply to the rear windows or rear side windows of any emergency medical services vehicle used to transport patients.

M. The provisions of subdivision C 1 shall not apply to sight-seeing carriers as defined in § 46.2-2000 and contract passenger carriers as defined in § 46.2-2000.

N. For any summons issued for a violation of this section, the court may, in its discretion, dismiss the summons, where proof of compliance with this section is provided to the court on or before the court date.

§ 46.2-1053. Equipping certain motor vehicles with sun-shading or tinting films or applications.

Notwithstanding the provisions of § 46.2-1052, a motor vehicle operated by or regularly used to transport any person with a medical condition which renders him susceptible to harm or injury from exposure to sunlight or bright artificial light may be equipped, on its windshield and any or all of its windows, with sun-shading or tinting films or applications which reduce the transmission of light into the vehicle to levels not less than ~~thirty-five~~ 35 percent. Such sun-shading or tinting film when applied to the windshield of a motor vehicle shall not cause the total light transmittance to be reduced to any level less than ~~seventy~~ 70 percent except for the upper five inches of such windshield or the AS-1 line, whichever is closer to the top of the windshield. Vehicles equipped with such sun-shading or tinting films shall not be operated on any highway unless, while being so operated, the driver or an occupant of the vehicle has in his possession a written authorization issued by the Commissioner of the Department of Motor Vehicles authorizing such operation. The Commissioner shall issue such written authorization only upon receipt of a signed statement from a licensed physician or licensed optometrist (i) identifying with reasonable specificity the person seeking the written authorization and (ii) stating that, in the physician's or optometrist's professional opinion, the equipping of a vehicle with sun-shading or tinting films or applications is necessary to safeguard the health of the person seeking the written authorization. Written authorizations issued by the Commissioner under this section shall be valid so long as the condition requiring the use of sun-shading or tinting films or applications persists or until the vehicle is sold, whichever first occurs. Such written authorizations shall permit the approval of any such vehicle upon its safety inspection as required by this chapter if such vehicle otherwise qualifies for inspection approval. In the discretion of the Commissioner, one or more written authorizations may be issued to an individual or a family. The Division of Purchases and Supply, pursuant to § 2.2-1112, shall determine the proper standards for equipment or devices used to measure light transmittance through windows of motor vehicles. Law-enforcement officers shall use only such equipment or devices to measure light transmittance through windows that meet the standards established by the Division. Such measurements made by law-enforcement officers shall be given a tolerance of minus seven percentage points.
