To qualify for a subtraction under this subdivision, the investment shall be made between the dates of April 1, 2010, and June 30, 2020. No taxpayer who has claimed a tax credit for an investment in a "qualified business" under § 58.1-339.4 shall be eligible for the subtraction under this subdivision for an investment in the same business.

25. For taxable years beginning on and after January 1, 2014, any income of an account holder for the taxable year taxed as (i) a capital gain for federal income tax purposes attributable to such person's first-time home buyer savings account established pursuant to Chapter 32 (§ 55-555 et seq.) of Title 55 and (ii) interest income or other income for federal income tax purposes attributable to such person's first-time home buyer savings account.

Notwithstanding the statute of limitations on assessments contained in § 58.1-312, any subtraction taken under this subdivision shall be subject to recapture in the taxable year or years in which moneys or funds withdrawn from the first-time home buyer savings account were used for any purpose other than the payment of eligible costs by or on behalf of a qualified beneficiary, as provided under § 55-558. The amount subject to recapture shall be a portion of the amount withdrawn in the taxable year that was used for other than the payment of eligible costs, computed by multiplying the amount withdrawn and used for other than the payment of eligible costs by the ratio of the aggregate earnings in the account at the time of the withdrawal to the total balance in the account at such time.

However, recapture shall not apply to the extent of moneys or funds withdrawn that were (i) withdrawn by reason of the qualified beneficiary's death or disability; (ii) a disbursement of assets of the account pursuant to a filing for protection under the United States Bankruptcy Code, 11 U.S.C. §§ 101 through 1330; or (iii) transferred from an account established pursuant to Chapter 32 (§ 55-555 et seq.) of Title 55 into another account established pursuant to such chapter for the benefit of another qualified beneficiary.

§ 58.1-322.03. Virginia taxable income; deductions.

In computing Virginia taxable income pursuant to § 58.1-322, there shall be deducted from Virginia adjusted gross income as defined in § 58.1-321:

1. a. The amount allowable for itemized deductions for federal income tax purposes where the taxpayer has elected for the taxable year to itemize deductions on his federal return, but reduced by the amount of income taxes imposed by the Commonwealth or any other taxing jurisdiction and deducted on such federal return and increased by an amount that, when added to the amount deducted under § 170 of the Internal Revenue Code for mileage, results in a mileage deduction at the state level for such purposes at a rate of 18 cents per mile; or

b. Three thousand dollars for single individuals and \$6,000 for married persons (one-half of such amounts in the case of a married individual filing a separate return), provided that the taxpayer has not itemized deductions for the taxable year on his federal income tax return. For purposes of this section, any person who may be claimed as a dependent on another taxpayer's return for the taxable year may compute the deduction only with respect to earned income.

2. a. A deduction in the amount of \$930 for each personal exemption allowable to the taxpayer for federal income tax purposes.

b. Each blind or aged taxpayer as defined under § 63(f) of the Internal Revenue Code shall be entitled to an additional personal exemption in the amount of \$800.

The additional deduction for blind or aged taxpayers allowed under this subdivision shall be allowable regardless of whether the taxpayer itemizes deductions for the taxable year for federal income tax purposes.

3. A deduction equal to the amount of employment-related expenses upon which the federal credit is based under § 21 of the Internal Revenue Code for expenses for household and dependent care services necessary for gainful employment.

4. An additional \$1,000 deduction for each child residing for the entire taxable year in a home under permanent foster care placement as defined in § 63.2-908, provided that the taxpayer can also claim the child as a personal exemption under § 151 of the Internal Revenue Code.

5. a. A deduction in the amount of \$12,000 for individuals born on or before January 1, 1939.

b. A deduction in the amount of \$12,000 for individuals born after January 1, 1939, who have attained the age of 65. This deduction shall be reduced by \$1 for every \$1 that the taxpayer's adjusted federal adjusted gross income exceeds \$50,000 for single taxpayers or \$75,000 for married taxpayers. For married taxpayers filing separately, the deduction shall be reduced by \$1 for every \$1 that the total combined adjusted federal adjusted gross income of both spouses exceeds \$75,000.

For the purposes of this subdivision, "adjusted federal adjusted gross income" means federal adjusted gross income minus any benefits received under Title II of the Social Security Act and other benefits subject to federal income taxation solely pursuant to § 86 of the Internal Revenue Code, as amended.

A deduction shall be allowed to the purchaser or contributor for the amount paid or contributed during the taxable year for a prepaid tuition contract or college savings trust account entered into with the Virginia College Savings Plan, pursuant to Chapter 7 (§ 23.1-700 et seq.) of Title 23.1. Except as provided in subdivision b, the amount deducted on any individual income tax return in any taxable year shall be limited to \$4,000 per prepaid tuition contract or college savings trust account. No deduction shall be allowed pursuant to this subdivision 7 if such payments or contributions are deducted on the purchaser's or contributor's federal income tax return. If the purchase price or annual contribution to a college savings trust account exceeds \$4,000, the remainder may be carried forward and subtracted in future taxable years until the purchase price or college savings trust contribution has been fully deducted; however, except as provided in subdivision b, in no event shall the amount deducted in any taxable year exceed \$4,000 per contract or college savings trust account. Notwithstanding the statute of limitations on assessments contained in § 58.1-312, any deduction taken hereunder shall be subject to recapture in the taxable year or years in which distributions or refunds are made for any reason other than (i) to pay qualified higher education expenses, as defined in § 529 of the Internal Revenue Code or (ii) the beneficiary's death, disability, or receipt of a scholarship. For the purposes of this subdivision, "purchaser" or "contributor" means the person shown as such on the records of the Virginia College Savings Plan as of December 31 of the taxable year. In the case of a

transfer of ownership of a prepaid tuition contract or college savings trust account, the transferee shall succeed to the transferor's tax attributes associated with a prepaid tuition contract or college savings trust account, including, but not limited to, carryover and recapture of deductions.

b. A purchaser of a prepaid tuition contract or contributor to a college savings trust account who has attained age 70 shall not be subject to the limitation that the amount of the deduction not exceed \$4,000 per prepaid tuition contract or college savings trust account in any taxable year. Such taxpayer shall be allowed a deduction for the full amount paid for the contract or contributed to a college savings trust account, less any amounts previously deducted.

8. 10. The amount an individual pays annually in premiums for long-term health care insurance, provided that the individual has not claimed a deduction for federal income tax purposes, or, for taxable years beginning before January 1, 2014, a credit under § 58.1-339.11. For taxable years beginning on and after January 1, 2014, no such deduction for long-term health care insurance premiums paid by the individual during the taxable year shall be allowed if the individual has claimed a federal income tax deduction for such taxable year for long-term health care insurance premiums paid by him.

11. Contract payments to a producer of quota tobacco or a tobacco quota holder, or their spouses, as provided under the American Jobs Creation Act of 2004 (P.L. 108-357), but only to the extent that such payments have not been subtracted pursuant to subsection D of § 58.1-402, as follows:

a. If the payment is received in installment payments, then the recognized gain may be subtracted in the taxable year immediately following the year in which the installment payment is received.

b. If the payment is received in a single payment, then 10 percent of the recognized gain may be subtracted in the taxable year immediately following the year in which the single payment is received. The taxpayer may then deduct an equal amount in each of the nine succeeding taxable years.

12. An amount equal to 20 percent of the sum paid by an individual pursuant to Chapter 6 (§ 58.1-600 et seq.), not to exceed \$500 in each taxable year, in purchasing for his own use the following items of tangible personal property: (i) any clothes washers, room air conditioners, dishwashers, and standard size refrigerators that meet or exceed the applicable energy star efficiency requirements developed by the U.S. Environmental Protection Agency and the U.S. Department of Energy; (ii) any fuel cell that (a) generates electricity using an electrochemical process, (b) has an electricity-only generation efficiency greater than 35 percent, and (c) has a generating capacity of at least two kilowatts; (iii) any gas heat pump that has a coefficient of performance of at least 1.25 for heating and at least 0.70 for cooling; (iv) any electric heat pump hot water heater that yields an energy factor of at least 1.7; (v) any electric heat pump that has a heating system performance factor of at least 8.0 and a cooling seasonal energy efficiency ratio of at least 13.0; (vi) any central air conditioner that has a cooling seasonal energy efficiency ratio of at least 13.5; (vii) any advanced gas or oil water heater that has an energy factor of at least 0.65; (viii) any advanced oil-fired boiler with a minimum annual fuel-utilization rating of 85; (ix) any advanced oil-fired furnace with a minimum annual fuel-utilization rating of 85; and (x) programmable thermostats.

13. The lesser of \$5,000 or the amount actually paid by a living donor of an organ or other living tissue for unreimbursed out-of-pocket expenses directly related to the donation that arose within 12 months of such donation, provided that the donor has not taken a medical deduction in accordance with the provisions of § 213 of the Internal Revenue Code for such expenses. The deduction may be taken in the taxable year in which the donation is made or the taxable year in which the 12-month period expires.

14. For taxable years beginning on and after January 1, 2013, the amount an individual age 66 or older with earned income of at least \$20,000 for the year and federal adjusted gross income not in excess of \$30,000 for the year pays annually in premiums for (i) a prepaid funeral insurance policy covering the individual or (ii) medical or dental insurance for any person for whom individual tax filers may claim a deduction for such premiums under federal income tax laws. As used in this subdivision, "earned income" means the same as that term is defined in § 32(c) of the Internal Revenue Code. The deduction shall not be allowed for any portion of such premiums paid for which the individual has (a) been reimbursed, (b) claimed a deduction for federal income tax purposes, (c) claimed a deduction or

subtraction under another provision of this section, or (d) claimed a federal income tax credit or any income tax credit pursuant to this chapter.

§ 58.1-322.04. Virginia taxable income; additional modifications.

In calculating Virginia taxable income pursuant to § 58.1-322, the following adjustments shall be made:

1. There shall be added to or subtracted from federal adjusted gross income, as the case may be, the individual's share, as beneficiary of an estate or trust, of the Virginia fiduciary adjustment determined under § 58.1-361.

2. There shall be added or subtracted, as the case may be, the amounts provided in § 58.1-315 as transitional modifications.

To the extent included in federal adjusted gross income, there shall be (i) subtracted from federal adjusted gross income, by a shareholder of an electing small business corporation (S corporation) that is subject to the bank franchise tax imposed under Chapter 12 (§ 58.1-1200 et seq.) for the calendar year in which such taxable year begins, the shareholder's allocable share of the income or gain of such electing small business corporation (S corporation) and (ii) added back to federal adjusted gross income, such that federal adjusted gross income shall be increased, by a shareholder of an electing small business corporation (S corporation) that is subject to the bank franchise tax imposed under Chapter 12 (§ 58.1-1200 et seq.) for the calendar year in which such taxable year begins, the shareholder's allocable share of the losses or deductions of such electing small business corporation (S corporation).

To the extent excluded from federal adjusted gross income, there shall be added to federal adjusted gross income, by a shareholder of an electing small business corporation (S corporation) that is subject to the bank franchise tax imposed under Chapter 12 (§ 58.1-1200 et seq.) for the calendar year in which such taxable year begins, the value of any distribution paid or distributed to the shareholder by such electing small business corporation (S corporation).

4. Notwithstanding any other provision of law, the income from any disposition of real property that is held by the taxpayer for sale to customers in the ordinary course of the taxpayer's trade or business, as defined in § 453(l)(1)(B) of the Internal Revenue Code, of property may, at the election of the taxpayer, be recognized under the installment method described under § 453 of the Internal Revenue Code, provided that (i) the election relating to the dealer disposition of the property has been made on or before the due date prescribed by law (including extensions) for filing the taxpayer's return of the tax imposed under this chapter for the taxable year in which the disposition occurs and (ii) the dealer disposition is in accordance with restrictions or conditions established by the Department, which shall be set forth in guidelines developed by the Department. Along with such restrictions or conditions, the guidelines shall also address the recapture of such income under certain circumstances. The development of the guidelines shall be exempt from the Administrative Process Act (§ 2.2-4000 et seq.).

§ 58.1-324. Husband and wife.

A. If the federal taxable income of husband or wife is determined on a separate federal return, their Virginia taxable incomes shall be separately determined.

B. If the federal taxable income of husband and wife is determined on a joint federal return, or if neither files a federal return:

1. Their tax shall be determined on their joint Virginia taxable income; or
2. Separate taxes may be determined on their separate Virginia taxable incomes if they so elect.

C. Where husband and wife have not separately reported and claimed items of income, exemptions and deductions for federal income tax purposes, and have not elected to file a joint Virginia income tax return, such items allowable for Virginia income tax purposes shall be allocated and adjusted as follows:

1. Income shall be allocated to the spouse who earned the income or with respect to whose property the income is attributable.

2. Allowable deductions with respect to trade, business, production of income, or employment shall be allocated to the spouse to whom attributable.

3. Nonbusiness deductions, where properly taken for federal income tax purposes, shall be allowable for Virginia income tax purposes, but shall be allocable between husband and wife as they may mutually agree. 4. Where the standard deduction or low income allowance is properly taken pursuant to subdivision 1 a of § 58.1-322.03, such deduction or allowance shall be allocable between husband and wife as they may mutually agree.

5. Personal exemptions properly allowable for federal income tax purposes shall be allocated for Virginia income tax purposes as husband and wife may mutually agree; however, exemptions for taxpayer and spouse together with exemptions for old age and blindness must be allocated respectively to the spouse to whom they relate.

D. Where allocations are permitted to be made under subsection C pursuant to agreement between husband and wife, and husband and wife have failed to agree as to those allocations, such allocations shall be made between husband and wife in a manner corresponding to the treatment for federal income tax purposes of the items involved, under regulations prescribed by the Department of Taxation.

§ 58.1-339.8. Income tax credit for low-income taxpayers.

A. As used in this section, unless the context requires otherwise:

"Family Virginia adjusted gross income" means the combined Virginia adjusted gross income of an individual, the individual's spouse, and any person claimed as a dependent on the individual's or his spouse's income tax return for the taxable year.

"Poverty guidelines" means the poverty guidelines for the 48 contiguous states and the District of Columbia updated annually in the Federal Register by the U.S. Department of Health and Human Services under the authority of § 673(2) of the Omnibus Budget Reconciliation Act of 1981.

"Virginia adjusted gross income" has the same meaning as the term is defined in § 58.1-321.

B. 1. For taxable years beginning on and after January 1, 2000, any individual or persons filing a joint return whose family Virginia adjusted gross income does not exceed 100 percent of the poverty guideline amount corresponding to a household of an equal number of persons as listed in the poverty guidelines published during such taxable year, shall be allowed a credit against the tax levied pursuant to § 58.1-320 in an amount equal to \$300 each for the individual, the individual's spouse, and any person claimed as a dependent on the individual's or married persons' income tax return for the taxable year. For any taxable year in which a husband and wife file separate Virginia income tax returns, the credit provided under this section shall be allowed against the tax for only one of such two tax returns. Additionally, the credit provided under this section shall not be allowed against such tax of a dependent of the individual or of married persons.

2. For taxable years beginning on and after January 1, 2006, any individual or married persons, eligible for a tax credit pursuant to § 32 of the Internal Revenue Code, may for the taxable year, in lieu of the credit authorized under subdivision B 1, claim a credit against the tax imposed pursuant to § 58.1-320 in an amount equal to 20 percent of the credit claimed by the individual or married persons for federal individual income taxes pursuant to § 32 of the Internal Revenue Code for the taxable year. In no case shall a household be allowed a credit pursuant to this subdivision and subdivision B 1 for the same taxable year.

For purpose of this subdivision, "household" means an individual and in the case of married persons, the individual and his spouse regardless of whether or not the individual and his spouse file combined or separate Virginia individual income tax returns.

C. The amount of the credit provided pursuant to subsection B for any taxable year shall not exceed the individual's or married persons' Virginia income tax liability.

D. Notwithstanding any other provision of this section, no credit shall be allowed pursuant to subsection B in any taxable year in which the individual, the individual's spouse, or both, or any person claimed as a dependent on such individual's or married persons' income tax return, claims one or any combination of the following on his or their income tax return for such taxable year:

1. The subtraction under subdivision ~~€ 44 8~~ of § ~~58.1-322~~ 58.1-322.02;
2. The subtraction under subdivision ~~€ 23 15~~ of § ~~58.1-322~~ 58.1-322.02;

4. The deduction for the additional personal exemption for blind or aged taxpayers under subdivision ~~Đ 2 b~~ of § ~~58.1-322~~ 58.1-322.03; or
5. The deduction under subdivision ~~Đ 5~~ of § ~~58.1-322~~ 58.1-322.03.

§ 58.1-362. Virginia taxable income of a nonresident estate or trust.

The Virginia taxable income of a nonresident estate or trust shall be its share of income, gain, loss and deduction attributable to Virginia sources as determined under § 58.1-363 increased or reduced, as the case may be, by:

1. The amount derived from or connected with Virginia sources of any income, gain, loss and deduction recognized for federal income tax purposes but excluded from the computation of distributable net income of the estate or trust; and

2. The net amount of any modifications as provided for in ~~§ 58.1-322~~ (not including subsection ~~Đ~~ thereof) §§ 58.1-322.01, 58.1-322.02, and 58.1-322.04 with respect to the income or gain referred to in subdivision 1 of this section.

§ 58.1-363. Share of a nonresident estate, trust, or beneficiary in income from Virginia sources.

A. The share of a nonresident estate or trust under § 58.1-362 and the share of a nonresident beneficiary of any estate or trust under provisions otherwise applicable to nonresident individuals in estate or trust income or loss attributable to Virginia sources shall be determined as follows:

1. There shall be determined the items of income, gain, loss and deduction derived from Virginia sources, which enter into the computation of distributable net income of the estate or trust for the

taxable year (including such items from another estate or trust of which the first estate or trust is a beneficiary).

2. There shall be added or subtracted (as the case may be) the modifications described in ~~§ 58.1-322 §§ 58.1-322.01, 58.1-322.02, 58.1-322.03, and 58.1-322.04~~ to the extent relating to items of income, gain, loss and deduction derived from Virginia sources which enter into the computation of distributable net income (including all such items from another estate or trust of which the first estate or trust is a beneficiary). No modification shall be made under this subsection which has the effect of duplicating an item already reflected in the computation of distributable net income.

3. The amounts determined under subdivisions 1 and 2 shall be allocated among the estate or trust and its beneficiaries (including, solely for the purposes of this allocation, resident beneficiaries) in proportion to their respective shares of distributable net income. The amounts so allocated shall have the same character under this article as under the laws of the United States relating to federal income taxes. Where an item entering into the computation of such amounts is not characterized by such laws, it shall have the same character as if realized directly from the source from which realized by the estate or trust, or incurred in the same manner as incurred by the estate or trust.

B. If the estate or trust has no distributable net income for the taxable year, the share of each beneficiary (including, solely for the purpose of such allocation, resident beneficiaries) in the net amount determined under subdivisions A 1 and 2 ~~of subsection A~~ shall be in proportion to his share of the estate or trust income for such year, under local law or the governing instrument, which is required to be distributed currently and any other amounts of such income distributed in such year. Any balance of such net amount shall be allocated to the estate or trust.

§ 58.1-391. Virginia taxable income of owners of a pass-through entity.

A. In determining Virginia taxable income of an owner, any modification described in ~~§ 58.1-322 §§ 58.1-322.01, 58.1-322.02, 58.1-322.03, and 58.1-322.04~~ that relates to an item of pass-through entity income, gain, loss or deduction shall be made in accordance with the owner's distributive share, for federal income tax purposes, of the item to which the modification relates. Where an owner's distributive share of any such item is not included in any category of income, gain, loss or deduction required to be taken into account separately for federal income tax purposes, the owner's distributive share of such item shall be determined in accordance with his distributive share, for federal income tax purposes, of pass-through entity taxable income or loss.

B. Each item of pass-through entity income, gain, loss or deduction shall have the same character for an owner under this chapter as for federal income tax purposes. Where an item is not characterized for federal income tax purposes, it shall have the same character for an owner as if realized directly from the source from which realized by the pass-through entity or incurred in the same manner by the pass-through entity.

C. Where an owner's distributive shares of an item of pass-through entity income, gain, loss or deduction is determined for federal income tax purposes by special provision in the pass-through entity agreement with respect to such item, and where the principal purpose of such provision is the avoidance or evasion of tax under this chapter, the owner's distributive share of such item, and any modification required with respect thereto, shall be determined as if the pass-through entity agreement made no special provision with respect to such item.

§ 58.1-490. Declarations of estimated tax.

A. Every resident and nonresident individual shall make a declaration of his estimated tax for every taxable year, if his Virginia tax liability can reasonably be expected to exceed an amount, to be determined under regulations promulgated by the Tax Commissioner, which takes into account the additions, subtractions, and deductions set forth in ~~§ 58.1-322 §§ 58.1-322.01, 58.1-322.02, 58.1-322.03, and 58.1-322.04~~, the credits set forth in Articles 3 (§ 58.1-332 et seq.) and 13.2 (§ 58.1-439.18 et seq.), and the filing exclusions set forth in § 58.1-321. Every estate with respect to any taxable year ending two or more years after the date of death of the decedent and every trust shall make a declaration of its estimated tax for every taxable year, if its Virginia taxable income can reasonably be expected to exceed the amount specified by regulation for individuals as set forth above.

B. For purposes of this article, "estimated tax" means the amount which an individual estimates to be his income tax under this chapter for the taxable year, less the amount which he estimates to be the sum of any credits allowable against the tax.

C. For purposes of this section, the declaration shall be the first voucher.

D. In the case of a husband and wife, a single declaration under this section may be made by them jointly, in which case the liability with respect to the estimated tax shall be joint and several. No joint declaration may be made if either the husband or the wife is a nonresident of the Commonwealth unless both are required by this chapter to file a return, if they are separated under a decree of divorce or of separate maintenance, or if they have different taxable years. If a joint declaration is made but a joint return is not made for the taxable year, the estimated tax for such year may be treated as the estimated

tax of either the husband or the wife, or may be divided between them.

E. A declaration of estimated tax of an individual other than a farmer, fisherman, or merchant seaman shall be filed on or before May 1 of the taxable year, except that if the requirements of subsection A are first met:

1. The declaration shall be filed on or before June 15; or

2. After June 1 and before September 2 of the taxable year, the declaration shall be filed on or before September 15; or

3. After September 1 of the taxable year, the declaration shall be filed on or before January 15 of the succeeding year.

F. A declaration of estimated tax of an individual having an estimated gross income from (i) farming (including oyster farming); (ii) fishing; or (iii) working as a merchant seaman for the taxable year, which is at least two-thirds of his total estimated gross income for the taxable year, may be filed at any time on or before January 15 of the succeeding year, in lieu of the time otherwise prescribed.

G. A declaration of estimated tax of an individual having a total estimated tax for the taxable year of \$40 or less may be filed at any time on or before January 15 of the succeeding year under regulations of the Tax Commissioner.

H. An individual may amend a declaration under regulations of the Tax Commissioner.

I. If on or before March 1 of the succeeding taxable year an individual files his return for the taxable year for which the declaration is required, and pays therewith the full amount of the tax shown to be due on the return:

1. Such return shall be considered as his declaration if no declaration was required to be filed during the taxable year, but is otherwise required to be filed on or before January 15.

2. Such return shall be considered as the amendment permitted by subsection H to be filed on or before January 15 if the tax shown on the return is greater than the estimated tax shown in a declaration previously made.

J. This section shall apply to a taxable year other than a calendar year by the substitution of the months of such fiscal year for the corresponding months specified in this section.

K. An individual having a taxable year of less than 12 months shall make a declaration in accordance with regulations of the Tax Commissioner.

L. The declaration of estimated tax for an individual who is unable to make a declaration by reason of any disability shall be made and filed by his guardian, committee, fiduciary or other person charged with the care of his person or property (other than a receiver in possession of only a part of his property), or by his duly authorized agent.

M. The declaration of estimated tax for a trust or estate shall be made by the fiduciary. For purposes of the estimated tax imposed in this article, any reference to an "individual" shall be deemed to include the fiduciary required to file a declaration for a trust or estate. Any overpayment of estimated tax with respect to any trust or estate shall be refunded to the fiduciary. A beneficiary of a trust or estate shall not be entitled to a credit against the beneficiary's individual income tax for any overpayment of estimated tax by a trust or estate.

§ 58.1-513. Limitations; transfer of credit; gain or loss from tax credit.

A. Any taxpayer claiming a tax credit under this article shall not claim a credit under any similar Virginia law for costs related to the same project. To the extent a credit is taken in accordance with this article, no subtraction allowed for the gain on the sale of (i) land dedicated to open-space use or (ii) an easement dedicated to open-space use under ~~subsection C subdivision 14~~ of § 58.1-322 58.1-322.02 shall be allowed for three years following the year in which the credit is taken. Any building which serves as the basis, in whole or in part, of a tax credit under this article shall not serve as the basis of the tax credit allowed under § 58.1-339.2 for a period of five years following the donation on which the credit is based; and any building which serves as the basis for the tax credit allowed under § 58.1-339.2 shall not serve as the basis, in whole or in part, for a tax credit under this article for a period of five years following the completion of the rehabilitation project on which the credit is based.

B. Any tax credits that arise under this article from the donation of land or an interest in land made by a pass-through tax entity such as a trust, estate, partnership, limited liability company or partnership, limited partnership, subchapter S corporation or other fiduciary shall be used either by such entity if it is the taxpayer on behalf of such entity or by the member, manager, partner, shareholder or beneficiary, as the case may be, in proportion to their interest in such entity in the event that income, deductions and tax liability pass through such entity to such member, manager, partner, shareholder or beneficiary or as set forth in the agreement of said entity. Such tax credits shall not be claimed by both the entity and the member, manager, partner, shareholder or beneficiary for the same donation.

C. 1. Any taxpayer holding a credit under this article may transfer unused but otherwise allowable credit for use by another taxpayer on Virginia income tax returns. A taxpayer who transfers any amount of credit under this article shall file a notification of such transfer to the Department in accordance with

procedures and forms prescribed by the Tax Commissioner.

2. A fee of two percent of the value of the donated interest shall be imposed upon any transfer arising from the sale by any taxpayer of credits under this article and upon the distribution of a portion of credits under this article to a member, manager, partner, shareholder or beneficiary pursuant to subsection B. Revenues generated by such fees first shall be used by the Department of Taxation and the Department of Conservation and Recreation for their costs in implementing this article but in no event shall such amount exceed 50 percent of the total revenue generated by the fee on an annual basis. The remainder of such revenues shall be transferred to the Virginia Land Conservation Fund for distribution to the public or private conservation agencies or organizations, excluding federal governmental entities, that are responsible for enforcing the conservation and preservation purposes of the donated interests. Distribution of such revenues shall be made annually by the Virginia Land Conservation Foundation proportionally based on a three-year average of the number of donated interests accepted by the public or private conservation agencies or organizations, excluding federal governmental entities, during the immediately preceding three-year period.

D. To the extent included in and not otherwise subtracted from federal adjusted gross income pursuant to § 58.1-322.58.1-322.02 or federal taxable income pursuant to § 58.1-402, there shall be subtracted any amount of gain or income recognized by a taxpayer on the application of a tax credit under this article against a Virginia income tax liability.

E. The transfer of the credit and its application against a tax liability shall not create gain or loss for the transferor or the transferee of such credit.

F. A pass-through tax entity, such as a partnership, limited liability company or Subchapter S corporation, may appoint a tax matters representative, who shall be a general partner, member/manager or shareholder, and register that representative with the Tax Commissioner. The Tax Commissioner shall be entitled to deal with the tax matters representative as representative of the taxpayers to whom credits have been allocated or transferred by the entity under this article with respect to those credits. In the event a pass-through tax entity allocates or transfers tax credits arising under this article to its partners, members or shareholders and the allocated or transferred credits shall be disallowed, in whole or in part, such that an assessment of additional tax against a taxpayer shall be made, the Tax Commissioner shall first make written demand for payment of any additional tax, together with interest and penalties, from the tax matters representative. In the event such payment demand is not satisfied, the Tax Commissioner shall proceed to collection against the taxpayers in accordance with the provisions of Chapter 18 (§ 58.1-1800 et seq.).

§ 58.1-1823. Reassessment and refund upon the filing of amended return or the payment of an assessment.

A. Any person filing a tax return or paying an assessment required for any tax administered by the Department of Taxation may file an amended return with the Department within the later of: (i) three years from the last day prescribed by law for the timely filing of the return; (ii) one year from the final determination of any change or correction in the liability of the taxpayer for any federal tax upon which the state tax is based, provided that the refund does not exceed the amount of the decrease in Virginia tax attributable to such federal change or correction; (iii) two years from the filing of an amended Virginia return resulting in the payment of additional tax, provided that the amended return raises issues relating solely to such prior amended return and that the refund does not exceed the amount of the payment with such prior amended return; (iv) two years from the payment of an assessment, provided that the amended return raises issues relating solely to such assessment and that the refund does not exceed the amount of such payment; or (v) one year from the final determination of any change or correction in the income tax of the taxpayer for any other state, provided that the refund does not exceed the amount of the decrease in Virginia tax attributable to such change or correction. If the Department is satisfied, by evidence submitted to it or otherwise, that the tax assessed and paid upon the original return exceeds the proper amount, the Department may reassess the taxpayer and order that any amount excessively paid be refunded to him. The Department may reduce such refund by the amount of any taxes, penalties and interest which are due for the period covered by the amended return, or any past-due taxes, penalties and interest which have been assessed within the appropriate period of limitations. Any order of the Department denying such reassessment and refund, or the failure of the Department to act thereon within three months shall, as to matters first raised by the amended return, be deemed an assessment for the purpose of enabling the taxpayer to pursue the remedies allowed under this chapter.

B. Notwithstanding the statute of limitations established in this section, any retired employee of a political subdivision of the Commonwealth, established pursuant to Chapter 627 of the 1958 Acts of Assembly, may file an amended individual income tax return until May 1, 1990, for taxable years beginning on and after January 1, 1985, and before January 1, 1986, for taxes paid on retirement income exempt pursuant to § 58.1-322.

1216 C. Notwithstanding the statute of limitations contained in subsection A, any individual who claimed
1217 an age subtraction on his 1990 individual income tax return may file an amended individual income tax
1218 return on July 1, 1994, for taxable years beginning on and after January 1, 1990, and ending before
1219 January 1, 1991, to claim an income deduction as provided in § 58.1-322 D 5 in lieu of the income
1220 subtraction originally claimed.
