**Be it enacted by the General Assembly of Virginia:**

**1. That the Code of Virginia is amended by adding in Article 6 of Chapter 2 of Title 2.2 a section numbered 2.2-214.2 as follows:**

**§ 2.2-214.2. Office of the Children's Ombudsman created; powers and duties; report.**

A. As used in this section, "child-serving agency" means (i) a state agency that provides services to children, including the Department of Social Services, the Department of Juvenile Justice, the Department of Education, the Department of Correctional Education, the Department of Behavioral Health and Developmental Services, the Office of Comprehensive Services for At-Risk Youth and Families, and the Department of Health, and (ii) a local entity that provides services to children and that receives funding from a state agency under clause (i).

B. There is hereby created the Office of the Children's Ombudsman to provide ombudsman services to any child served by any child-serving agency of the Commonwealth. The ombudsman shall be appointed by the Governor subject to confirmation by the General Assembly. The Governor may remove the ombudsman for cause in accordance with § 2.2-108. The ombudsman shall initially be appointed for a term that expires one full year following the end of the Governor's term of office, and thereafter the term shall be four years. Vacancies shall be filled by appointment by the Governor for the unexpired term.

C. The ombudsman shall have the power and duty to:

1. Operate and manage the Office of the Children's Ombudsman and to employ such personnel as may be required to carry out the provisions of this section;

2. Receive, investigate, and take all reasonable steps to mediate or resolve complaints regarding the child-serving agencies. However, after an initial investigation of any complaint, the ombudsman may decline to further investigate any complaint if the ombudsman determines that the complaint is frivolous or not made in good faith;

3. Conduct inspections, in connection with a complaint received pursuant to this section, of any public or private facility, institution, or residence where a child has been placed by a court or a child-serving agency when such child is residing in the facility, institution, or residence. Inspections conducted pursuant to this subdivision may be unannounced;

4. Make such inquiries, and obtain such assistance, in connection with a complaint received pursuant to this section, as the ombudsman may require in the discharge of the ombudsman's duties from any agency, division of any agency, or other state entity or from any agency, division of any agency, or other entity of any political subdivision of the Commonwealth;

5. Notwithstanding any provisions to the contrary, access any and all information, including confidential information, necessary for the full and complete investigation of the complaint. All information obtained shall be maintained by the ombudsman as confidential in the same manner as is required by the agency or entity from which it was obtained. The ombudsman shall be subject to the same penalties for disclosure of confidential information as the entity or person from whom the information was obtained;

6. Enter into an agreement with any state agency providing advocacy, client assistance, or ombudsman services to the agency's clients to ensure the protection of children, provided that such agreements do not restrict the authority of the ombudsman to pursue legal or administrative remedies on behalf of children;

7. Notify the law enforcement agency and the attorney for the Commonwealth in the jurisdiction in which a secure facility, shelter care facility, or detention home, as defined in § 16.1-228, or residential public charter school is located when the ombudsman has reason to believe that there has been a violation of state criminal law; however, when the ombudsman has reason to believe that the criminal action has been committed in a state facility, notice shall be given to the director or commissioner of the department responsible for licensing or regulating such facility;

8. Report to the head of any agency any serious problem, abuse, or deficiency related to that agency,

94 D. Nothing in this section shall prevent any child-serving agency providing services to children from  
95 developing and maintaining advocacy, client assistance, or ombudsman services for its clients  
96 independently from the Office of the Children's Ombudsman.
