2. Patron: Albo

3. Committee: Passed Both Houses

4. Title: Virginia Information Technologies Agency; procurement of information technology; compliance.

5. Summary: Requires the Chief Information Officer of the Virginia Information Technologies Agency to develop policies, standards, and guidelines that require that any procurement of information technology made by the Commonwealth's executive, legislative, and judicial branches and independent agencies be made in accordance with applicable federal laws and regulations pertaining to information security and privacy.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: FINAL - Indeterminate, see Item 8.

8. Fiscal Implications: The Virginia Information Technologies Agency (VITA) indicates that this legislation will require staff time to conduct a review of federal laws and regulations pertaining to information security and privacy in order to see how such laws and regulations conform to current Virginia laws and regulations. The agency does not currently have sufficient staff to conduct this review and continue active procurements, including the information technology sourcing project and would require additional staff or contractors. The agency may require up to two security positions, however, the full impact is not known at this time. Once the review is complete, in instances where the federal law or regulation requires additional action or stricter standards, there will be a fiscal impact on the cost of procurements, however, that fiscal impact is currently indeterminate.

9. Specific Agency or Political Subdivisions Affected: Virginia Information Technologies Agency, all state agencies procuring information technology

10. Technical Amendment Necessary: No.

11. Other Comments: The introduced version of this bill required that Commonwealth IT contracts comply with federal laws and regulations pertaining to information security and privacy. The enrolled version of this bill clarifies that such contracts comply with applicable federal laws and regulations.
