4. Title: Auditor of Public Accounts; online database; register of funds expended; assistance to local entities

5. Summary: Requires the Commonwealth Data Point website administered by the Auditor of Public Accounts to include information for major categories of spending for each state agency and institution, including each independent agency. Currently, the Commonwealth Data Point website includes such information for only secretariats and major state agencies. The bill also requires that for each entry on the register of funds expended by an agency or institution a name, phone number, and email address for a contact at the agency or institution be provided. In addition, the bill provides for the Auditor of Public Accounts to make the software for the Commonwealth Data Point available to localities and school divisions to assist in the development of online databases of expenditures and revenue at the local level.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Indeterminate, see Item 8.

8. Fiscal Implications: The Auditor of Public Accounts indicates that there could be a significant fiscal impact associated with the bill as written related to the provision requiring their Office to make the software for Commonwealth Datapoint available to localities and school divisions.

9. Specific Agency or Political Subdivisions Affected: Auditor of Public Accounts, localities and school divisions.

10. Technical Amendment Necessary: None.
