2. Patron: Spruill

3. Committee: Privileges and Elections

4. Title: Absentee voting; eligibility of any registered voter.

5. Summary: Allows any registered voter to vote by absentee ballot in any election in which he is qualified to vote. The bill removes the current list of statutory reasons for which a person may be entitled to vote by absentee ballot but retains the requirement to apply to vote absentee. The bill contains numerous technical amendments that consolidate existing provisions relating to absentee voting by uniformed and overseas voters and absentee voting by persons with a disability.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Preliminary – see Item 8.

8. Fiscal Implications: As stand-alone legislation, the Department of Elections considers implementation of this bill as “routine,” and does not require additional funding. The Department of Elections will review all electoral legislation likely to be enacted prior to the passage by each house. If the aggregate number of “routine” bills likely to pass either house is unusually large, it is possible that the Department of Elections will require additional resources. If so, the Department of Elections will identify the costs at that time.

Additional costs the agency may incur include updating instructions and guidance documents to include translation, and, if needed, changes to the Virginia Election and Registration Information System (VERIS), web materials, printing and distribution of forms, additional support for staff to research Code sections and update forms impacted by the legislation, and training to assure officers of election and voters are aware of any changes.

9. Specific Agency or Political Subdivisions Affected: Virginia Department of Elections, State Board of Elections, local electoral boards, general registrars, and localities.

10. Technical Amendment Necessary: No.

11. Other Comments: None.
