

# VIRGINIA ACTS OF ASSEMBLY -- 2018 SESSION

## CHAPTER 341

*An Act to amend and reenact § 58.1-3378 of the Code of Virginia, relating to real property tax; boards of equalization.*

[H 190]

Approved March 19, 2018

**Be it enacted by the General Assembly of Virginia:**

**1. That § 58.1-3378 of the Code of Virginia is amended and reenacted as follows:**

**§ 58.1-3378. Sittings; notices thereof.**

Each board of equalization shall sit at and for such time or times as may be necessary to discharge the duties imposed and to exercise the powers conferred by this chapter. Of each sitting public notice shall be given at least 10 days beforehand by publication in a newspaper having general circulation in the county or city and, in a county, also by posting the notice at the courthouse and at each public library, voting precinct or both. Such posting shall be done by the sheriff or his deputy. Such notice shall inform the public that the board shall sit at the place or places and on the days named therein for the purpose of equalizing real estate assessments in such county or city and for the purpose of hearing complaints of inequalities wherein the property owners allege a lack of uniformity in assessment, or errors in acreage in such real estate assessments. The board also shall hear complaints that real property is assessed at more than fair market value. Except as otherwise provided by the Code of Virginia:

1. The fair market value of real property shall be established by the board as of January 1 of the applicable year; or

2. If a county or city has adopted July 1 as its tax day for real property pursuant to § 58.1-3011, then, for other than public service corporation property, the fair market value of real property shall be established by the board as of July 1 of the applicable year.

The governing body of any county or city may provide by ordinance the date by which applications must be made by property owners or lessees for relief. Such date shall not be earlier than 30 days after the termination of the date set by the assessing officer to hear objections to the assessments as provided in § 58.1-3330. If no applications for relief are received by such date, the board of equalization shall be deemed to have discharged its duties. Such governing body may also provide by ordinance the deadline by which all applications must be finally disposed of by the board of equalization. All such deadlines shall be clearly stated on the notice of assessment. The governing body may provide for applications for relief to be made electronically; however, taxpayers retain the right to file applications on traditional paper forms provided by the governing body as long as such forms are submitted prior to the established deadline. If such paper forms are mailed by the applicant, the postmark date shall be considered the date of receipt by the governing body. A hearing for relief before the board of equalization regarding an assessment on residential property shall not be denied on the basis of a lack of information on the application for relief, as long as the application includes the address, the parcel number, and the owner's proposed assessed value for the property. *If the application for relief is sent electronically, the date the applicant sends the application shall be considered the date of receipt by the governing body. The application is considered sent when it meets the requirements of subsection (a) of § 59.1-493.* A hearing for relief before the board of equalization regarding an assessment on commercial, multi-family residential, or industrial property on the basis of fair market value shall not be denied on the basis of a lack of information on the application, as long as documentation of any applicable assessment methodologies is submitted with the application, and the application includes the address, the parcel number, and the owner's proposed assessed value for the property.
