

VIRGINIA ACTS OF ASSEMBLY -- 2018 SESSION

CHAPTER 354

An Act to amend the Code of Virginia by adding in Article 4 of Chapter 10 of Title 56 a section numbered 56-256.1, relating to the height of electric power distribution lines over agricultural land.

[S 72]

Approved March 19, 2018

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding in Article 4 of Chapter 10 of Title 56 a section numbered 56-256.1 as follows:

§ 56-256.1. Height of electric power distribution lines over agricultural land.

Unless placement at a greater height is required pursuant to § 56-466 or other applicable law, any electric distribution line that is installed, either as a new line or as a replacement for an existing line, on or after July 1, 2018, by or for an electric utility upon or over land upon which agricultural operations, as defined in § 3.2-300, are conducted shall be placed at a height that is not less than the minimum height requirement that applies to the placement of electric distribution lines above road crossings.
