

2018 SESSION

ENROLLED

VIRGINIA ACTS OF ASSEMBLY — CHAPTER

An Act to require the Department of Health to determine the most effective means of protecting the public from cancer caused by radon.

[H 1534]

Approved

Be it enacted by the General Assembly of Virginia:

1. § 1. That the Department of Health shall review consumer complaints regarding radon testing and mitigation received since 2013 and the current certification requirements for individuals performing radon testing and mitigation and shall determine the benefits of any additional oversight for individuals performing radon testing and mitigation. The Department of Health shall report its findings and any recommendations to the House Committee on Health, Welfare and Institutions and the Senate Committee on Education and Health by December 1, 2018.
