Offered January 19, 2018

A *BILL to amend and reenact § 33.2-3100 of the Code of Virginia, relating to Washington Metropolitan Area Transit Authority Compact of 1966.*

Patron—Hugo

Referred to Committee on Rules

Be it enacted by the General Assembly of Virginia:

1. That § 33.2-3100 of the Code of Virginia is amended and reenacted as follows:

§ 33.2-3100. Washington Metropolitan Area Transit Authority Compact of 1966.

§ 3. Whereas, Maryland, Virginia and the District of Columbia heretofore have entered into the Washington Metropolitan Area Transit Regulation Compact (Virginia—Ch. 627, 1958 Acts of Assembly; Maryland—Ch. 613, Acts of General Assembly 1959; District of Columbia—Resolution of the Board of Commissioners adopted December 22, 1960), with the consent of the Congress (J.R., September 15, 1960, P.L., 86-794, 74 Stat. 1031, as amended by 76 Stat. 764), as a first step toward the improvement of transit service in the metropolitan area of Washington, D.C.;

Whereas, in said Compact each of the Signatories pledged to each of the other signatory parties faithful cooperation in the solution and control of transit and traffic problems within said metropolitan area and, in order to effect such purposes, agreed to enact any necessary legislation to achieve the objectives of the Compact to the mutual benefit of the citizens living within said metropolitan area and for the advancement of the interests of the Signatories;

Whereas, it has been established by a decade of studies that a regional system of improved and expanded transit facilities, including grade-separated rail facilities in congested areas, is essential in said metropolitan area for the satisfactory movement of people and goods, the alleviation of present and future traffic congestion, the economic welfare and vitality of all parts of the area, the effectiveness of the departments and agencies of the federal government located within the area, the orderly growth and development of the District of Columbia and the Maryland and Virginia portions of the area, the comfort and convenience of the residents of and visitors to the area, and the preservation of the beauty and dignity of the Nation's Capital;

Whereas, the Congress has authorized Maryland, Virginia and the District of Columbia to negotiate a Compact for the establishment of an organization empowered to provide necessary transit facilities (P.L. 86-669, 74 Stat. 537) and in said legislation declared the policy, inter alia, that the development and administration of such transit facilities requires (1) cooperation among the federal, state and local government of the area, (2) financial participation by the federal government in the creation of major facilities that are beyond the financial capacity or borrowing powers of the private carriers, the District of Columbia and the local governments of the area, and (3) coordination of transit facilities with other public facilities and with the use of land, public and private;

Whereas, private transit companies should be utilized to the extent practicable in providing the regional transit facilities and services, consistent with the requirements of the public interest that the publicly and privately owned facilities be operated as a coordinated regional system without unnecessary duplicating services;

Whereas, adequate provision should be made for the protection of transit labor in the development and operation of the regional system;

Whereas, adequate provisions should be made to eliminate any requirement of additional authentication of manual signature of bonds guaranteed by the United States of America; and

Whereas, it is hereby determined that an Authority to be created by interstate compact between the District of Columbia, the State of Maryland and the Commonwealth of Virginia, is the most suitable form of organization to achieve the stated objectives;

Now, therefore, the District of Columbia, the State of Maryland and the Commonwealth of Virginia, hereinafter referred to as Signatories, do hereby amend the Washington Metropolitan Area Transit Regulation Compact by adding thereto Title III, as hereinafter set forth, and do hereby covenant and agree substantially, as follows:

362 (c) of said Act.

363 (b) Commitments on behalf of the portion of the Zone located in Maryland shall be by contract or
364 agreement by the Authority with the Washington Suburban Transit District, pursuant to which the
365 Authority undertakes to provide transit facilities and service in consideration for the agreement by said
366 District to contribute to the capital required for the construction and/or acquisition of facilities specified

(c) With respect to the federal government, the commitment or obligation to render financial assistance shall be created by appropriation or in such other manner, or by such other legislation, as the Congress shall determine. Commitments by the District of Columbia shall be by contract or agreement between the governing body of the District of Columbia and the Authority, pursuant to which the Authority undertakes, subject to the provisions of § 20 hereof, to provide transit facilities and service in consideration for the undertaking by the District of Columbia to contribute to the capital required for the construction and/or acquisition of facilities specified in a mass transit plan adopted as provided in Article VI, or in any alteration, revision or amendment thereof, and for meeting expenses and obligations incurred in the operation of such facilities.

(d)(1) All payments made by the local Signatory governments for the Authority for the purpose of matching federal funds appropriated in any given year as authorized under Title VI, § 601, P.L. 110-432 regarding funding of capital and preventive maintenance projects of the Authority shall be made from amounts derived from dedicated funding sources.

(2) For purposes of this paragraph (d), a "dedicated funding source" means any source of funding that is earmarked or required under state or local law to be used to match federal appropriations authorized under Title VI, § 601, P.L. 110-432 for payments to the Authority.

Such expenses shall be allocated among such governments on the basis of population as reflected by the latest available population statistics of the Bureau of the Census; provided, however, that upon the request of any director the Board shall make the allocation upon estimates of population acceptable to the Board. The allocations shall be made by the Board and shall be included in the annual current expense budget prepared by the Board.

2021. (a) The Authority is authorized to acquire by purchase, lease or grant or in any manner other than condemnation, from the federal government or any agency thereof, from the District of Columbia, Maryland or Virginia, or any political subdivision or agency thereof, any transit and related facilities, including real and personal property and all other assets, located within the Zone, whether in operation or under construction. Such acquisition shall be made upon such terms and conditions as may be agreed upon and subject to such authorization or approval by the Congress and the governing body of the District of Columbia, as may be required; provided, however, that if such acquisition imposes or may impose any further or additional obligation or liability upon the Washington Suburban Transit District, the Northern Virginia Transportation District, or any component government thereof, under any contract with the Authority, the Authority shall not make the acquisition until any such affected contract has been appropriately amended.

(b) For such purpose, the Authority is authorized to assume all liabilities and contracts relating thereto, to assume responsibility as primary obligor, endorser or guarantor on any outstanding revenue bonds, equipment trust certificates or other form of indebtedness authorized in this Act issued by such predecessor agency or agencies and, in connection therewith, to become a party to, and assume the obligations of, any indenture or loan agreement underlying or issued in connection with any outstanding securities or debts.

The Board may borrow, in anticipation of receipts, from any Signatory, the Washington Suburban Transit District, the Northern Virginia Transportation District, or any component government thereof, or from any lending institution for any purposes of this Title, including administrative expenses. Such loans shall be for a term not to exceed two years and at such rates on interest as shall be acceptable to the Board. The Signatories and any such political subdivision or agency may, in its discretion, make such loans from any available money.

Funding

2223. The Board shall not construct or acquire any of the transit facilities specified in a mass transit plan adopted pursuant to the provisions of Article VI of this Title, or in any alteration, revision or amendment thereof, nor make any commitments or incur any obligations with respect thereto until funds are available therefor.

430 undertake or continue during the budget period, containing a statement of the estimated cost of each
431 project and the method of financing thereof.

432 Current Expense Budget

433 2425. The Board shall annually adopt a current expense budget for each fiscal year. Such budget
434 shall include the Board's estimated expenditures for administration, operation, maintenance and repairs,
435 debt service requirements and payments to be made into any funds required to be maintained. The total
436 of such expenses shall be balanced by the Board's estimated revenues and receipts from all sources,
437 excluding funds included in the capital budget or otherwise earmarked for other purposes.

438 Adoption and Distribution of Budgets

439 2526. (a) Following the adoption by the Board of annual capital and current expense budgets, the
440 general manager shall transmit certified copies of such budgets to the principal budget officer of the
441 federal government, the District of Columbia, the Washington Suburban Transit District and of the
442 component governments of the Northern Virginia Transportation Commission at such time and in such
443 manner as may be required under their respective budgetary procedures.

444 (b) Each budget shall indicate the amounts, if any, required from the federal government, the
445 government of the District of Columbia, the Washington Suburban Transit District and the component
446 governments of the Northern Virginia Transportation District, determined in accordance with the
447 commitments made pursuant to Article VII, § 18 of this Title, to balance each of said budgets.

448 Payment

449 2627. Subject to such review and approval as may be required by their budgetary or other applicable
450 processes, the federal government, the Government of the District of Columbia, the Washington
451 Suburban Transit District and the component governments of the Northern Virginia Transportation
452 District shall include in their respective budgets next to be adopted and appropriate or otherwise provide
453 the amounts certified to each of them as set forth in the budgets.

454 Article IX Revenue Bonds**455 Borrowing Power**

456 2728. The Authority may borrow money for any of the purposes of this Title, may issue its
457 negotiable bonds and other evidences of indebtedness in respect thereto and may mortgage or pledge its
458 properties, revenues and contracts as security therefor.

459 All such bonds and evidences of indebtedness shall be payable solely out of the properties and
460 revenues of the Authority. The bonds and other obligations of the Authority, except as may be otherwise
461 provided in the indenture under which they were issued, shall be direct and general obligations of the
462 Authority and the full faith and credit of the Authority are hereby pledged for the prompt payment of
463 the debt service thereon and for the fulfillment of all other undertakings of the Authority assumed by it
464 to or for the benefit of the holders thereof.

465 Funds and Expenses

466 2829. The purposes of this Title shall include, without limitation, all costs of any project or facility
467 or any part thereof, including interest during a period of construction and for a period not to exceed two
468 years thereafter and any incidental expenses (legal, engineering, fiscal, financial, consultant and other
469 expenses) connected with issuing and disposing of the bonds; all amounts required for the creation of an
470 operating fund, construction fund, reserve fund, sinking fund, or other special fund; all other expenses
471 connected with administration, the planning, design, acquisition, construction, completion, improvement
472 or reconstruction of any facility or any part thereof; and reimbursement of advances by the Board or by
473 others for such purposes and for working capital.

474 Credit Excluded; Officers, State, Political Subdivisions and Agencies

475 2930. The Board shall have no power to pledge the credit of any Signatory party, political
476 subdivision or agency thereof, or to impose any obligation for payment of the bonds upon any Signatory
477 party, political subdivision or agency thereof, but may pledge the contracts of such governments and
478 agencies; provided, however, that the bonds may be underwritten in whole or in part as to principal and
479 interest by the United States, or by any political subdivision or agency of any Signatory; provided,
480 further, that any bonds underwritten in whole or in part as to principal and interest by the United States
481 shall not be issued without approval of the Secretary of the Treasury. Neither the Directors nor any
482 person executing the bonds shall be liable personally on the bonds of the Authority or be subject to any
483 personal liability or accountability by reason of the issuance thereof.

484 Funding and Refunding

485 3031. Whenever the Board deems it expedient, it may fund and refund the bonds and other
486 obligations of the Authority whether or not such bonds and obligations have matured. It may provide for
487 the issuance, sale or exchange of refunding bonds for the purpose of redeeming or retiring any bonds
488 (including the payment of any premium, duplicate interest or cash adjustment required in connection
489 therewith) issued by the Authority or issued by any other issuing body, the proceeds of the sale of

which have been applied to any facility acquired by the Authority or which are payable out of the revenues of any facility acquired by the Authority. Bonds may be issued partly to refund bonds and other obligations then outstanding, and partly for any other purpose of the Authority. All provisions of this Title applicable to the issuance of bonds are applicable to refunding bonds and to the issuance, sale or exchange thereof.

Bonds; Authorization Generally

3432. Bonds and other indebtedness of the Authority shall be authorized by resolution of the Board. The validity of the authorization and issuance of any bonds by the Authority shall not be dependent upon nor affected in any way by: (i) the disposition of bond proceeds by the Board or by contract, commitment or action taken with respect to such proceeds; or (ii) the failure to complete any part of the project for which bonds are authorized to be issued. The Authority may issue bonds in one or more series and may provide for one or more consolidated bond issues, in such principal amounts and with such terms and provisions as the Board may deem necessary. The bonds may be secured by a pledge of all or any part of the property, revenues and franchises under its control. Bonds may be issued by the Authority in such amount, with such maturities and in such denominations and form or forms, whether coupon or registered, as to principal alone or as to both principal and interest, as may be determined by the Board. The Board may provide for redemption of bonds prior to maturity on such notice and at such time or times and with such redemption provisions, including premiums, as the Board may determine.

Bonds; Resolution and Indentures Generally

3233. The Board may determine and enter into indentures or adopt resolutions providing for the principal amount, date or dates, maturities, interest rate, or rates, denominations, form, registration, transfer, interchange and other provisions of bonds and coupons and the terms and conditions upon which the same shall be executed, issued, secured, sold, paid, redeemed, funded and refunded. The resolution of the Board authorizing any bond or any indenture so authorized under which the bonds are issued may include all such covenants and other provisions not inconsistent with the provisions of this Title, other than any restriction on the regulatory powers vested in the Board by this Title, as the Board may deem necessary or desirable for the issue, payment, security, protection or marketing of the bonds, including without limitation covenants and other provisions as to the rates or amounts of fees, rents and other charges to be charged or made for use of the facilities; the use, pledge, custody, securing, application and disposition of such revenues, of the proceeds of the bonds, and of any other moneys or contracts of the Authority; the operation, maintenance, repair and reconstruction of the facilities and the amounts which may be expended therefor; the sale, lease or other disposition of the facilities; the insuring of the facilities and of the revenues derived therefrom; the construction or other acquisition of other facilities; the issuance of additional bonds or other indebtedness; the rights of the bondholders and of any trustee for the bondholders upon default by the Authority or otherwise; and the modification of the provisions of the indenture and of the bonds. Reference on the face of the bonds to such resolution or indenture by its date of adoption or the apparent date on the face thereof is sufficient to incorporate all of the provisions thereof and of this Title into the body of the bonds and their appurtenant coupons. Each taker and subsequent holder of the bonds or coupons, whether the coupons are attached to or detached from the bonds, has recourse to all of the provisions of the indenture and of this Title and is bound thereby.

Maximum Maturity

3334. No bond or its terms shall mature in more than fifty years from its own date and in the event any authorized issue is divided into two or more series or divisions, the maximum maturity date herein authorized shall be calculated from the date on the face of each bond separately, irrespective of the fact that different dates may be prescribed for the bonds of each separate series or division of any authorized issue.

Tax Exemption

3435. All bonds and all other evidences of debt issued by the Authority under the provisions of this Title and the interest thereon shall at all times be free and exempt from all taxation by or under authority of any Signatory parties, except for transfer, inheritance and estate taxes.

Interest

3536. Bonds shall bear interest at such rate or rates as may be determined by the Board, payable annually or semiannually.

Place of Payment

3637. The Board may provide for the payment of the principal and interest of bonds at any place or places within or without the Signatory states, and in any specified lawful coin or currency of the United States of America.

Execution

3738. The Board may provide for the execution and authentication of bonds by the manual, lithographed or printed facsimile signature of members of the Board, and by additional authentication by

551 a trustee or fiscal agent appointed by the Board; provided, however, that one of such signatures shall be
552 manual; and provided, further, that no such additional authentication or manual signatures need be
553 required in the case of bonds guaranteed by the United States of America. If any of the members whose
554 signatures or countersignatures appear upon the bonds or coupons cease to be members before the
555 delivery of the bonds or coupons, their signatures or countersignatures are nevertheless valid and of the
556 same force and effect as if the members had remained in office until the delivery of the bonds and
557 coupons.

558 Holding Own Bonds

559 3839. The Board shall have power out of any funds available therefor to purchase its bonds and may
560 hold, cancel or resell such bonds.

561 Sale

562 3940. The Board may fix terms and conditions for the sale or other disposition of any authorized
563 issue of bonds. The Board may sell bonds at less than their par or face value but no issue of bonds may
564 be sold at an aggregate price below the par or face value thereof if such sale would result in a net
565 interest cost to the Authority calculated upon the entire issue so sold in excess of the applicable rate
566 determined by the Board, payable semiannually, computed with relation to the absolute maturity of the
567 bonds according to standard tables of bond values, deducting the amount of any premium to be paid on
568 the redemption of any bonds prior to maturity. All bonds issued and sold pursuant to this Title may be
569 sold in such manner, either at public or private sale, as the Board shall determine.

570 Negotiability

571 4041. All bonds issued under the provisions of this Title are negotiable instruments.

572 Bonds Eligible for Investment and Deposit

573 4142. Bonds issued under the provisions of this Title are hereby made securities in which all public
574 officers and public agencies of the Signatories and their political subdivisions and all banks, trust
575 companies, savings and loan associations, investment companies and others carrying on a banking
576 business, all insurance companies and insurance associations and others carrying on an insurance
577 business, all administrators, executors, guardians, trustees and other fiduciaries, and all other persons
578 may legally and properly invest funds, including capital in their control or belonging to them. Such
579 bonds are hereby made securities which may properly and legally be deposited with and received by any
580 officer of any Signatory, or of any agency or political subdivision of any Signatory, for any purpose for
581 which the deposit of bonds or other obligations of such Signatory is now or may hereafter be authorized
582 by law.

583 Validation Proceedings

584 4243. Prior to the issuance of any bonds, the Board may institute a special proceeding to determine
585 the legality of proceedings to issue the bonds and their validity under the laws of any of the Signatory
586 parties. Such proceeding shall be instituted and prosecuted in rem and the final judgment rendered
587 therein shall be conclusive against all persons whomsoever and against each of the Signatory parties.

588 4344. No indenture need be recorded or filed in any public office, other than the office of the Board.
589 The pledge of revenues provided in any indenture shall take effect forthwith as provided therein and
590 irrespective of the date of receipt of such revenues by the Board or the indenture trustee. Such pledge
591 shall be effective as provided in the indenture without physical delivery of the revenues to the Board or
592 to the indenture trustee.

593 Pledged Revenues

594 4445. Bond redemption and interest payments shall, to the extent provided in the resolution or
595 indenture, constitute a first, direct and exclusive charge and lien on all revenues received from the use
596 and operation of the facility, and on any sinking or other funds created therefrom. All such revenues,
597 together with interest thereon, shall constitute a trust fund for the security and payment of such bonds
598 and except as and to the extent provided in the indenture with respect to the payment therefrom of
599 expenses for other purposes including administration, operation, maintenance, improvements or
600 extensions of the facilities or other purposes shall not be used or pledged for any other purpose so long
601 as such bonds, or any of them, are outstanding and unpaid.

602 Remedies

603 4546. The holder of any bond may for the equal benefit and protection of all holders of bonds
604 similarly situated: (1) by mandamus or other appropriate proceedings require and compel the
605 performance of any of the duties imposed upon the Board or assumed by it, its officers, agents or
606 employees under the provisions of any indenture, in connection with the acquisition, construction,
607 operation, maintenance, repair, reconstruction or insurance of the facilities, or in connection with the
608 collection, deposit, investment, application and disbursement of the revenues derived from the operation
609 and use of the facilities, or in connection with the deposit, investment and disbursement of the proceeds
610 received from the sale of bonds; or (2) by action or suit in a court of competent jurisdiction of any
611 Signatory party require the Authority to account as if it were the trustee of an express trust, or enjoin
612 any acts or things which may be unlawful or in violation of the rights of the holders of the bonds. The

enumeration of such rights and remedies does not, however, exclude the exercise or prosecution of any other rights or remedies available to the holders of bonds.

Article X Equipment Trust Certificates

Power

4647. The Board shall have power to execute agreements, leases and equipment trust certificates with respect to the purchase of facilities or equipment such as cars, trolley buses and motor buses, or other craft, in the form customarily used in such cases and appropriate to effect such purchase, and may dispose of such equipment trust certificates in such manner as it may determine to be for the best interests of the Authority. Each vehicle covered by an equipment trust certificate shall have the name of the owner and lessor plainly marked upon both sides thereof, followed by the words "Owner and Lessor".

Payments

4748. All moneys required to be paid by the Authority under the provisions of such agreements, leases and equipment trust certificates shall be payable solely from the revenue to be derived from the operation of the transit system or from such grants, loans, appropriations or other revenues, as may be available to the Board under the provisions of this Title. Payment for such facilities or equipment, or rentals thereof, may be made in installments, and the deferred installments may be evidenced by equipment trust certificates as aforesaid, and title to such facilities or equipment may not vest in the Authority until the equipment trust certificates are paid.

Procedure

4849. The agreement to purchase facilities or equipment by the Board may direct the vendor to sell and assign the equipment to a bank or trust company, duly authorized to transact business in any of the Signatory states, or to the Housing and Home Finance Administrator, as trustee, lessor or vendor, for the benefit and security of the equipment trust certificates and may direct the trustee to deliver the facilities and equipment to one or more designated officers of the Board and may authorize the trustee simultaneously therewith to execute and deliver a lease of the facilities or equipment to the Board.

Agreements and Leases

4950. The agreements and leases shall be duly acknowledged before some person authorized by law to take acknowledgments of deeds and in the form required for acknowledgment of deeds and such agreements, leases, and equipment trust certificates shall be authorized by resolution of the Board and shall contain such covenants, conditions and provisions as may be deemed necessary or appropriate to insure the payment of the equipment trust certificates from the revenues to be derived from the operation of the transit system and other funds.

The covenants, conditions and provisions of the agreements, leases and equipment trust certificates shall not conflict with any of the provisions of any resolution or trust agreement securing the payment of bonds or other obligations of the Authority then outstanding or conflict with or be in derogation of the rights of the holders of any such bonds or other obligations.

Law Governing

5051. The equipment trust certificates issued hereunder shall be governed by Laws of the District of Columbia and for this purpose the chief place of business of the Authority shall be considered to be the District of Columbia. The filing of any documents required or permitted to be filed shall be governed by the Laws of the District of Columbia.

Article XI Operation of Facilities

Operation by Contract or Lease

5152. Any facilities and properties owned or controlled by the Authority may be operated by the Authority directly or by others pursuant to contract or lease as the Board may determine.

The Operating Contract

5253. Without limitation upon the right of the Board to prescribe such additional terms and provisions as it may deem necessary and appropriate, the operating contract shall:

(a) specify the services and functions to be performed by the Contractor;

(b) provide that the Contractor shall hire, supervise and control all personnel required to perform the services and functions assumed by it under the operating contract and that all such personnel shall be employees of the Contractor and not of the Authority;

(c) require the Contractor to assume the obligations of the labor contract or contracts of any transit company which may be acquired by the Authority and assume the pension obligations of any such transit company;

(d) require the Contractor to comply in all respects with the labor policy set forth in Article XIV of this Title;

(e) provide that no transfer of ownership of the capital stock, securities or interests in any Contractor, whose principal business in the operating contract, shall be made without written approval of the Board and the certificates or other instruments representing such stock, securities or interests shall contain a

674 statement of this restriction;

675 (f) provide that the Board shall have the sole authority to determine the rates or fares to be charged,
676 the routes to be operated and the service to be furnished;

677 (g) specify the obligations and liabilities which are to be assumed by the Contractor and those which
678 are to be the responsibility of the Authority;

679 (h) provide for an annual audit of the books and accounts of the Contractor by an independent
680 certified public accountant to be selected by the Board and for such other audits, examinations and
681 investigations of the books and records, procedures and affairs of the Contractor at such times and in
682 such manner as the Board shall require, the cost of such audits, examinations and investigations to be
683 borne as agreed by the parties in the operating contracts; and

684 (i) provided that no operating contract shall be entered into for a term in excess of five years;
685 provided, that any such contract may be renewed for successive terms, each of which shall not exceed
686 five years. Any such operating contract shall be subject to termination by the Board for cause only.

687 Compensation for Contractor

688 5354. Compensation to the Contractor under the operating contract may, in the discretion of the
689 Board, be in the form of (1) a fee paid by the Board to the Contractor for services, (2) a payment by
690 the Contractor to the Board for the right to operate the system, or (3) such other arrangement as the
691 Board may prescribe; provided, however, that the compensation shall bear a reasonable relationship to
692 the benefits to the Authority and to the estimated costs the Authority would incur in directly performing
693 the functions and duties delegated under the operating contract; and provided, further that no such
694 contract shall create any right in the Contractor (1) to make or change any rate or fare or alter or
695 change the service specified in the contract to be provided or (2) to seek judicial relief by any form of
696 original action, review or other proceeding from any rate or fare or service prescribed by the Board.
697 Any assertion, or attempted assertion, by the Contractor of the right to make or change any rate or fare
698 or service prescribed by the Board shall constitute cause for termination of the operating contract. The
699 operating contract may provide incentives for efficient and economical management.

700 Selection of Contractor

701 5455. The Board shall enter into an operating contract only after formal advertisement and
702 negotiations with all interested and qualified parties, including private transit companies rendering transit
703 service within the Zone; provided, however, that, if the Authority acquires transit facilities from any
704 agency of the federal or District of Columbia governments, in accordance with the provisions of Article
705 VII, § 20 of this Title, the Authority shall assume the obligations of any operating contract which the
706 transferor agency may have entered into.

707 Article XII Coordination of Private and Public Facilities

708 Declaration of Policy

709 5556. It is hereby declared that the interest of the public in efficient and economical transit service
710 and in the financial well-being of the Authority and of the private transit companies requires that the
711 public and private segments of the regional transit system be operated, to the fullest extent possible, as a
712 coordinated system without unnecessary duplicating service.

713 Implementation of Policy

714 5657. In order to carry out the legislative policy set forth in § 55 of this Article XII

715 (a) The Authority—

716 (1) except as herein provided, shall not, directly or through a Contractor, perform transit service by
717 bus or similar motor vehicles;

718 (2) shall, in cooperation with the private carriers and WMATC coordinate to the fullest extent
719 practicable, the schedules for service performed by its facilities with the schedules for service performed
720 by private carriers; and

721 (3) shall enter into agreements with the private carriers to establish and maintain, subject to approval
722 by WMATC, through routes and joint fares and provide for the division thereof, or, in the absence of
723 such agreements, establish and maintain through routes and joint fares in accordance with orders issued
724 by WMATC directed to the private carriers when the terms and conditions for such through service and
725 joint fares are acceptable to it.

726 (b) The WMATC, upon application, complaint, or upon its own motion, shall—

727 (1) direct private carriers to coordinate their schedules for service with the schedules for service
728 performed by facilities owned or controlled by the Authority;

729 (2) direct private carriers to improve or extend any existing services or provide additional service
730 over additional routes;

731 (3) authorize a private carrier, pursuant to agreement between said carrier and the Authority, to
732 establish and maintain through routes and joint fares for transportation to be rendered with facilities
733 owned or controlled by the Authority if, after hearing held upon reasonable notice, WMATC finds that
734 such through routes and joint fares are required by the public interest; and

735 (4) in the absence of such an agreement with the Authority, direct a private carrier to establish and

maintain through routes and joint fares with the Authority, if, after hearing held upon reasonable notice, WMATC finds that such through service and joint fares are required by the public interest; provided, however, that no such order, rule or regulation of WMATC shall be construed to require the Authority to establish and maintain any through route and joint fare.

(c) WMATC shall not authorize or require a private carrier to render any service, including the establishment or continuation of a joint fare for a through route service with the Authority which is based on a division thereof between the Authority and private carrier which does not provide a reasonable return to the private carrier, unless the carrier is currently earning a reasonable return on its operation as a whole in performing transportation subject to the jurisdiction of WMATC. In determining the issue of reasonable return, WMATC shall take into account any income attributable to the carrier, or to any corporation, firm or association owned in whole or in part by the carrier, from the Authority whether by way of payment for services or otherwise.

(d) If the WMATC is unable, through the exercise of its regulatory powers over the private carriers granted in subsection (b) hereof or otherwise, to bring about the requisite coordination of operations and service between the private carriers and the Authority, the Authority may in the situations specified in subsection (b) hereof, cause such transit service to be rendered by its Contractor by bus or other motor vehicle, as it shall deem necessary to effectuate the policy set forth in § 55 hereof. In any such situation, the Authority, in order to encourage private carriers to render bus service to the fullest extent practicable, may, pursuant to agreement, make reasonable subsidy payments to any private carrier.

(e) The Authority may acquire the capital stock or the transit facilities of any private transit company and may perform transit service, including service by bus or similar motor vehicle, with transit facilities so acquired, or with transit facilities acquired pursuant to Article VII, § 20. Upon acquisition of the capital stock or the transit facilities of any private transit company, the Authority shall undertake the acquisition, as soon as possible, of the capital stock or the transit facilities of each of the other private transit companies within the Zone requesting such acquisition. Lack of such request, however, shall not be construed to preclude the Authority from acquiring the capital stock or the transit facilities of any such company pursuant to § 82 of Article XVI.

Rights of Private Carriers Unaffected

5858. Nothing in this title shall restrict or limit such rights and remedies, if any, that any private carrier may have against the Authority arising out of acts done or actions taken by the Authority hereunder. In the event any court of competent jurisdiction shall determine that the Authority has unlawfully infringed any rights of any private carrier or otherwise caused or permitted any private carrier to suffer legally cognizable injury, damages or harm and shall award a judgment therefor, such judgment shall constitute a lien against any and all of the assets and properties of the Authority.

Financial Assistance to Private Carriers

5859. (a) The Board may accept grants from and enter into loan agreements with the Housing and Home Finance Administrator, pursuant to the provisions of the Urban Mass Transportation Act of 1964 (78 Stat. 302), or with any successor agency or under any law of similar purport, for the purpose of rendering financial assistance to private carriers.

(b) An application by the Board for any such grant or loan shall be based on and supported by a report from WMATC setting forth for each private carrier to be assisted (1) the equipment and facilities to be acquired, constructed, reconstructed, or improved, (2) the service proposed to be rendered by such equipment and facilities, (3) the improvement in service expected from such facilities and equipment, (4) how the use of such facilities and equipment will be coordinated with the transit facilities owned by the Authority, (5) the ability of the affected private carrier to repay any such loans or grants and (6) recommended terms for any such loans or grants.

(c) Any equipment or facilities acquired, constructed, reconstructed or improved with the proceeds of such grants or loans shall be owned by the Authority and may be made available to private carriers only by lease or other agreement which contain provisions acceptable to the Housing and Home Finance Administrator assuring that the Authority will have satisfactory continuing control over the use of such facilities and equipment.

Article XIII Jurisdiction; Rates and Service

Washington Metropolitan Area Transit Commission

5960. Except as provided herein, this Title shall not affect the functions and jurisdiction of WMATC, as granted by Titles I and II of this Compact, over the transportation therein specified and the persons engaged therein and the Authority shall have no jurisdiction with respect thereto.

Public Facilities

6061. Service performed by transit facilities owned or controlled by the Authority, and the rates and fares to be charged for such service, shall be subject to the sole and exclusive jurisdiction of the Board and, notwithstanding any other provision in this Compact contained, WMATC shall have no authority with respect thereto, or with respect to any contractor in connection with the operation by it of transit

797 facilities owned or controlled by the Authority. The determinations of the Board with respect to such
798 matters shall not be subject to judicial review nor to the processes to any court.

799 Standards

800 6462. Insofar as practicable, and consistent with the provision of adequate service at reasonable fares,
801 the rates and fares and service shall be fixed by the Board so as to result in revenues which will:

802 (a) pay the operating expenses and provide for repairs, maintenance and depreciation of the transit
803 system owned or controlled by the Authority;

804 (b) provide for payment of all principal and interest on outstanding revenue bonds and other
805 obligations and for payment of all amounts to sinking funds and other funds as may be required by the
806 terms of any indenture of loan agreement;

807 (c) provide for the purchase, lease or acquisition of rolling stock, including provisions for interest,
808 sinking funds, reserve funds, or other funds required for the payment of any obligations incurred by the
809 Authority for the acquisition of rolling stock; and

810 (d) provide funds for any purpose the Board deems necessary and desirable to carry out the purposes
811 of this title.

812 Hearings

813 6263. (a) The Board shall not raise any fare or rate, nor implement a major service reduction, except
814 after holding a public hearing with respect thereto.

815 (b) Any Signatory, any political subdivision thereof, any agency of the federal government and any
816 person, firm or association served by or using the transit facilities of the Authority and any private
817 carrier may file a request with the Board for a hearing with respect to any rates or charges made by the
818 Board or any service rendered with the facilities owned or controlled by the Authority. Such request
819 shall be in writing, shall state the matter on which a hearing is requested and shall set forth clearly the
820 matters and things on which the request relies. As promptly as possible after such a request is filed, the
821 Board, or such officer or employee as it may designate, shall confer with the protestant with respect to
822 the matters complained of. After such conference, the Board, if it deems the matter meritorious and of
823 general significance, may call a hearing with respect to such request.

824 (c) The Board shall give at least fifteen days' notice for all public hearings. The notice shall be given
825 by publication in a newspaper of daily circulation throughout the Transit Zone and such notice shall be
826 published once a week for two successive weeks. The notice period shall start with the first day of
827 publication. Notices of public hearings shall be posted in accordance with regulations promulgated by
828 the Board.

829 (d) Prior to calling a hearing on any matter specified in this section, the Board shall prepare and file
830 at its main office and keep open for public inspection its report relating to the proposed action to be
831 considered at such hearing. Upon receipt by the Board of any report submitted by WMATC, in
832 connection with a matter set for hearing, pursuant to the provisions of § 63 of this Article XIII, the
833 Board shall file such report at its main office and make it available for public inspection. For hearings
834 called by the Board pursuant to paragraph (b), above, the Board also shall cause to be lodged and kept
835 open for public inspection the written request upon which the hearing is granted and all documents filed
836 in support thereof.

837 Reference of Matters to WMATC

838 6364. To facilitate the attainment of the public policy objectives for operation of the publicly and
839 privately owned or controlled transit facilities as stated in Article XII, § 55, prior to the hearings
840 provided for by § 62 hereof—

841 (a) The Board shall refer to WMATC for its consideration and recommendations, any matter which
842 the Board considers may affect the operation of the publicly and privately owned or controlled transit
843 facilities as a coordinated regional transit system and any matter for which the Board has called a
844 hearing, pursuant to § 62 of this Article XIII, except that temporary or emergency changes in matters
845 affecting service shall not be referred; and

846 (b) WMATC, upon such reference of any matter to it, shall give the referred matter preference over
847 any other matters pending before it and shall, as expeditiously as practicable, prepare and transmit its
848 report thereon to the Board. The Board may request WMATC to reconsider any part of its report or to
849 make any supplemental reports it deems necessary. All of such reports shall be advisory only.

850 (c) Any report submitted by WMATC to the Board shall consider, without limitation, the probable
851 effect of the matter or proposal upon the operation of the publicly and privately owned or controlled
852 transit facilities as a coordinated regional system, passenger movements, fare structures, service and the
853 impact on the revenues of both the public and private facilities.

854 Article XIV Labor Policy

855 Construction

856 6465. The Board shall take such action as may be necessary to insure that all laborers and mechanics
857 employed by contractors or subcontractors in the construction, alteration or repair, including painting and
858 decorating, of projects, buildings and works which are undertaken by the Authority or are financially

assisted by it, shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 276a-276a-5), and every such employee shall receive compensation at a rate not less than one and one-half times his basic rate of pay for all hours worked in any workweek in excess of eight hours in any workday or forty hours in any workweek, as the case may be. A provision stating the minimum wages thus determined and the requirement that overtime be paid as above provided shall be set out in each project advertisement for bids and in each bid proposal form and shall be made a part of the contract covering the project, which contract shall be deemed to be a contract of the character specified in § 103 of the Contract Work Hours Standards Act (76 Stat. 357), as now or as may hereafter be in effect. The Secretary of Labor shall have, with respect to the administration and enforcement of the labor standards specified in this provision, the supervisory, investigatory and other authority and functions set forth in Reorganization Plan Numbered 14 of 1950 (15 F.R. 3176, 64 Stat. 1267, 5 U.S.C. 133z-15), and § 2 of the Act of June thirteen, nineteen hundred thirty-four, as amended (48 Stat. 948, as amended; 40 U.S.C. 276 (c)). The requirements of this section shall also be applicable with respect to the employment of laborers and mechanics in the construction, alteration or repair, including painting and decorating, of the transit facilities owned or controlled by the Authority where such activities are performed by a contractor pursuant to agreement with the operator of such facilities.

Equipment and Supplies

6566. Contracts for the manufacture or furnishing of materials, supplies, articles and equipment shall be subject to the provisions of the Walsh-Healey Public Contracts Act (41 U.S.C. 35 et seq.), as now or as may hereafter be in effect.

Operations

6667. (a) The rights, benefits, and other employee protective conditions and remedies of § 13 (c) of the Federal Transit Act, as amended (49 U.S.C. Section 5333 (b)), as determined by the Secretary of Labor, shall apply to Washington Metropolitan Area Transit Authority employees otherwise covered by the Act. The Authority shall extend to employees whose positions are adversely affected by the expenditure of federal funds obtained by WMATA pursuant to congressional appropriations, the rights, benefits, and other employee protective conditions and remedies of section 13 (c) of the Federal Transit Act, as amended (49 U.S.C. § 5333(b)).

(b) The Authority shall deal with and enter into written contracts with employees as defined in § 152 of Title 29, United States Code, through accredited representatives of such employees or representatives of any labor organization authorized to act for such employees concerning wages, salaries, hours, working conditions, and pension or retirement provisions. Each such contract entered into after the effective date of this act shall prohibit the contracting employees from engaging in any strike or an employer from engaging in any lockout.

(c) In case of any labor dispute involving the Authority and such employees where collective bargaining does not result in agreement, either party may declare that an impasse has been reached between the parties and may, by written notification to the other party and to the Federal Mediation and Conciliation Service, request the Service to appoint a mediator for the purpose of assisting them in reconciling their differences and resolving the controversy on terms which are mutually acceptable. Within five days of the receipt of the request the Federal Mediation and Conciliation Service shall appoint a mediator in accordance with its rules and procedures for such appointment. The mediator shall meet with the parties forthwith, either jointly or separately, and shall take such steps as he or she deems appropriate to persuade the parties to resolve their differences and effect a mutually acceptable agreement. The mediator shall not, however, make findings of fact or recommend terms of settlement. Each party shall pay one-half of the expenses of such mediator. If the mediator is unable to effect settlement of the controversy within fifteen days after his or her appointment, the Authority shall submit such dispute to fact finding by a board composed of three persons, one appointed by the Authority, one appointed by the labor organization representing the employees, and a third member to be agreed upon by the labor organization and the Authority. The member agreed upon by the labor organization and the Authority shall act as chairman of the board. The determination of the majority of the fact finding board thus established shall be advisory as to all matters in dispute. If after a period of ten days from the date of the appointment of the two persons representing the Authority and the labor organization, the third person has not been selected, then either of the two persons may request the Federal Mediation and Conciliation Service to furnish a list of five persons from which the third person shall be selected; provided, however, that the list shall not include the name of the person who served as mediator unless inclusion of his or her name is mutually agreed to by both parties. The persons appointed by the Authority and the labor organization, promptly after the receipt of such list shall determine by lot the order of elimination, and thereafter each shall in that order alternately eliminate one name until only one name remains. The remaining person on the list shall be the third member of the fact finding board. The term "labor dispute" shall be broadly construed and shall include any controversy concerning wages,

920 salaries, hours, working conditions, or benefits including health and welfare, sick leave, insurance or
921 pension or retirement provisions but not limited thereto, and including any controversy concerning any
922 differences or questions that may arise between the parties including but not limited to the making or
923 maintaining of collective bargaining agreements, the terms to be included in such agreements, and the
924 interpretation or application of such collective bargaining agreements. Each party shall pay one-half of
925 the expenses of such fact finding. Under no circumstances may the parties resort to binding arbitration
926 after the date of enactment of this act or the expiration date of any contract requiring binding arbitration,
927 whichever is later. This prohibition against binding arbitration shall not be interpreted to preclude such
928 arbitration of individual employee grievances.

929 (d) The Authority is hereby authorized and empowered to establish and maintain a system of
930 pensions and retirement benefits for such officers and employees of the Authority as may be designated
931 or described by resolution of the Authority; to fix the terms of and restrictions on admission to such
932 system and the classifications therein; to provide that persons eligible for admission in such pension
933 system shall not be eligible for admission to, or receive any benefits from, any other pension system
934 (except Social Security benefits), which is financed or funded, in whole or in part, directly or indirectly
935 by funds paid or appropriated by the Authority to such other pension system, and to provide in
936 connection with such pension system, a system of benefits payable to the beneficiaries and dependents
937 of any participant in such pension system after the death of such participant (whether accidental or
938 otherwise, whether occurring in the actual performance of duty or otherwise, or both) subject to such
939 exceptions, conditions, restrictions and classifications as may be provided by resolution of the Authority.
940 Such pension system shall be financed or funded by such means and in such manner as may be
941 determined by the Authority to be economically feasible. Unless the Authority shall otherwise determine,
942 no officer or employee of the Authority and no beneficiary or dependent of any such officer or
943 employee shall be eligible to receive any pension or retirement or other benefits both from or under any
944 such pension system and from or under any pension or retirement system established by an acquired
945 transportation system or established or provided for, by or under the provisions of any collective
946 bargaining agreement between the Authority and the representatives of its employees.

947 (e) Whenever the Authority acquires existing transit facilities from a public or privately owned utility
948 either in proceeding by eminent domain or otherwise, the Authority shall assume and observe all
949 existing labor contracts and pension obligations. When the Authority acquires an existing transportation
950 system, all employees who are necessary for the operation thereof by the Authority shall be transferred
951 to and appointed as employees of the Authority, subject to all the rights and benefits of this Title. These
952 employees shall be given seniority credit and sick leave, vacation, insurance and pension credits in
953 accordance with the records or labor agreements from the acquired transportation system. Members and
954 beneficiaries of any pension or retirement system or other benefits established by the acquired
955 transportation system shall continue to have rights, privileges, benefits, obligations and status with
956 respect to such established system. The Authority shall assume the obligations of any transportation
957 system acquired by it with regard to wages, salaries, hours, working conditions, sick leave, health and
958 welfare and pension or retirement provisions for employees. It shall assume the provisions of any
959 collective bargaining agreement between such acquired transportation system and the representatives of
960 its employees. The Authority and the employees, through their representatives for collective bargaining
961 purposes, shall take whatever action may be necessary to have pension trust funds presently under the
962 joint control of the acquired transportation system and the participating employees through their
963 representative transferred to the trust fund to be established, maintained and administered jointly by the
964 Authority and the participating employees through their representatives. No employee of any acquired
965 transportation system who is transferred to a position with the Authority shall by reason of such transfer
966 be placed in any worse position with respect to workmen's compensation, pension, seniority, wages, sick
967 leave, vacation, health and welfare insurance or any other benefits, than he enjoyed as an employee of
968 such acquired transportation system.

969 (f) The Authority shall not require any person, as a condition of employment or continuation of
970 employment, to join any labor union or labor organization. The Authority shall not require any person,
971 as a condition of employment or continuation of employment, to pay any dues, fees, or other charges of
972 any kind to any labor union or labor organization.

973 Article XV Relocation Assistance

974 Relocation Program and Payments

975 6768. Section 7 of the Urban Mass Transportation Act of 1964, and as the same may from time to
976 time be amended, and all regulations promulgated thereunder, are hereby made applicable to individuals,
977 families, business concerns and nonprofit organizations displaced from real property by actions of the
978 Authority without regard to whether financial assistance is sought by or extended to the Authority under
979 any provision of that Act; provided, however, that in the event real property is acquired for the
980 Authority by an agency of the federal government, or by a State or local agency or instrumentality, the
981 Authority is authorized to reimburse the acquiring agency for relocation payments made by it.

Relocation of Public or Public Utility Facilities

Notwithstanding the provisions of § 67 of this Article XV, any highway or other public facility or any facilities of a public utility company which will be dislocated by reason of a project deemed necessary by the Board to effectuate the authorized purposes of this Title shall be relocated if such facilities are devoted to a public use, and the reasonable cost of relocation, if substitute facilities are necessary, shall be paid by the Board from any of its moneys.

Article XVI General Provisions

Creation and Administration of Funds

6970. (a) The Board may provide for the creation and administration of such funds as may be required. The funds shall be disbursed in accordance with rules established by the Board and all payments from any fund shall be reported to the Board. Moneys and such funds and other moneys of the Authority shall be deposited, as directed by the Board, in any branch or subsidiary of any state or national bank which has operations within the Zone, and having a total paid-in capital of at least one million dollars (\$ 1, 000, 000). The trust department of any such state or national bank may be designated as a depository to receive any securities acquired or owned by the Authority. The restriction with respect to paid-in capital may be waived for any such bank which agrees to pledge federal securities to protect the funds and securities of the Authority in such amounts and pursuant to such arrangements as may be acceptable to the Board.

(b) Any moneys of the Authority may, in the discretion of the Board and subject to any agreement or covenant between the Authority and the holders of any of its obligations limiting or restricting classes of investments, be invested in: (i) Direct obligations of or obligations guaranteed by the United States of America; (ii) Bonds, debentures, notes or other evidences of indebtedness issued by agencies of the United States of America, including but not limited to the following: Bank for Cooperatives; Federal Intermediate Credit Banks; Federal Home Loan Bank System; Export-Import Bank of the United States; Federal Land Banks, Federal National Mortgage Association; Student Loan Marketing Association; Government National Mortgage Association; Tennessee Valley Authority; or United States Postal Service; (iii) Securities that qualify as lawful investments and may be accepted as security for fiduciary, trust and public funds under the control of the United States or any officer or officers thereof, or securities eligible as collateral for deposits of moneys of the United States, including United States Treasury tax and loan accounts; (iv) Domestic and Eurodollar certificates of deposit; and (v) Bonds, debentures, notes or other evidences of indebtedness issued by a domestic corporation, such as a corporation organized under the laws of one of the states of the United States, provided that such obligations are nonconvertible and at the time of their purchase are rated in the highest rating categories by a nationally recognized bond rating agency.

Annual Independent Audit

7071. (a) As soon as practical after the closing of the fiscal year, an audit shall be made of the financial accounts of the Authority. The audit shall be made by qualified certified public accountants selected by the Board, who shall have no personal interest direct or indirect in the financial affairs of the Authority or any of its officers or employees. The report of audit shall be prepared in accordance with generally accepted auditing principles and shall be filed with the Chairman and other officers as the Board shall direct. Copies of the report shall be distributed to each Director, to the Congress, to the Mayor and Council of the District of Columbia, to the Governors of Virginia and Maryland, to the Washington Suburban Transit Commission, to the Northern Virginia Transportation Commission and to the governing bodies of the political subdivisions located within the Zone which are parties to commitments for participation in the financing of the Authority and shall be made available for public distribution.

(b) The financial transactions of the Board shall be subject to audit by the United States General Accounting Office in accordance with the principles and procedures applicable to commercial corporate transactions and under such rules and regulations as may be prescribed by the Comptroller General of the United States. The audit shall be conducted at the place or places where the accounts of the Board are kept.

(c) Any Director, officer or employee who shall refuse to give all required assistance and information to the accountants selected by the Board or who shall refuse to submit to them for examination such books, documents, records, files, accounts, papers, things or property as may be requested shall, in the discretion of the Board, forfeit his office.

Reports

7172. The Board shall make and publish an annual report on its programs, operations, and finances, which shall be distributed in the same manner provided by § 70 of this Article XVI for the report of annual audit. It may also prepare, publish and distribute such other public reports and informational materials as it may deem necessary or desirable.

Insurance

1043 7273. The Board may self-insure or purchase insurance and pay the premiums therefor against loss
1044 or damage to any of its properties; against liability for injury to persons or property; and against loss of
1045 revenue from any cause whatsoever. Such insurance coverage shall be in such form and amount as the
1046 Board may determine, subject to the requirements of any agreement arising out of insurance of bonds or
1047 other obligations by the Authority.

1048 Contracting and Purchasing

1049 7374. (a) (1) Except as provided in subsections (b), (c), and (f) of this section, and except in the case
1050 of procurement procedures otherwise expressly authorized by statute, the Authority in conducting a
1051 procurement of property, services, or construction shall:

1052 (A) obtain full and open competition through the use of competitive procedures in accordance with
1053 the requirements of this Section; and

1054 (B) use the competitive procedure or combination of competitive procedures that is best suited under
1055 the circumstances of the procurement.

1056 (2) In determining the competitive procedure appropriate under the circumstances, the Authority
1057 shall:

1058 (A) solicit sealed bids if:

1059 (i) time permits the solicitation, submission, and evaluation of sealed bids;

1060 (ii) the award will be made on the basis of price and other price-related factors;

1061 (iii) it is not necessary to conduct discussions with the responding sources about their bids; and

1062 (iv) there is a reasonable expectation of receiving more than one sealed bid; or

1063 (B) request competitive proposals if sealed bids are not appropriate under clause (A) of this
1064 paragraph.

1065 (b) The Authority may provide for the procurement of property, services, or construction covered by
1066 this Section using competitive procedures but excluding a particular source in order to establish or
1067 maintain an alternative source or sources of supply for that property, service, or construction if the
1068 Authority determines that excluding the source would increase or maintain competition and would likely
1069 result in reduced overall costs for procurement of property, services, or construction.

1070 (c) The Authority may use procedures other than competitive procedures if:

1071 (1) the property, services, or construction needed by the Authority is available from only one
1072 responsible source and no other type of property, services, or construction will satisfy the needs of the
1073 Authority; or

1074 (2) the Authority's need for the property, services, or construction is of such an unusual and
1075 compelling urgency that the Authority would be seriously injured unless the Authority limits the number
1076 of sources from which it solicits bids or proposals; or

1077 (3) the Authority determines that it is necessary in the public interest to use procedures other than
1078 competitive procedures in the particular procurement; or

1079 (4) the property or services needed can be obtained through federal or other governmental sources at
1080 reasonable prices.

1081 (d) For the purpose of applying subsection (c)(1) of this Section:

1082 (1) in the case of a contract for property, services, or construction to be awarded on the basis of
1083 acceptance of an unsolicited proposal, the property, services, or construction shall be deemed to be
1084 available from only one responsible source if the source has submitted an unsolicited proposal that
1085 demonstrates a concept:

1086 (A) that is unique and innovative or, in the case of a service, for which the source demonstrates a
1087 unique capability to provide the service; and

1088 (B) the substance of which is not otherwise available to the Authority and does not resemble the
1089 substance of a pending competitive procurement.

1090 (2) in the case of a follow-on contract for the continued development or production of a major
1091 system or highly specialized equipment or the continued provision of highly specialized services, the
1092 property, services, or construction may be deemed to be available from only the original source and may
1093 be procured through procedures other than competitive procedures if it is likely that award to a source
1094 other than the original source would result in:

1095 (A) substantial duplication of cost to the Authority that is not expected to be recovered through
1096 competition; or

1097 (B) unacceptable delays in fulfilling the Authority's needs.

1098 (e) If the Authority uses procedures other than competitive procedures to procure property, services,
1099 or construction under subsection (c)(2) of this Section, the Authority shall request offers from as many
1100 potential sources as is practicable under the circumstances.

1101 (f)(1) To promote efficiency and economy in contracting, the Authority may use simplified
1102 acquisition procedures for purchases of property, services and construction.

1103 (2) For the purposes of this subsection, simplified acquisition procedures may be used for purchases
1104 for an amount that does not exceed the simplified acquisition threshold adopted by the federal

government.

(3) A proposed purchase or contract for an amount above the simplified acquisition threshold may not be divided into several purchases or contracts for lesser amounts in order to use the procedures under paragraph (1) of this subsection.

(4) In using simplified acquisition procedures, the Authority shall promote competition to the maximum extent practicable.

(g) The Board shall adopt policies and procedures to implement this Section. The policies and procedures shall provide for publication of notice of procurements and other actions designed to secure competition where competitive procedures are used.

(h) The Authority in its discretion may reject any and all bids or proposals received in response to a solicitation.

Rights-of-Way

7475. The Board is authorized to locate, construct and maintain any of its transit and related facilities in, upon, over, under or across any streets, highways, freeways, bridges and any other vehicular facilities, subject to the applicable laws governing such use of such facilities by public agencies. In the absence of such laws, such use of such facilities by the Board shall be subject to such reasonable conditions as the highway department or other affected agency of a Signatory party may require; provided, however, that the Board shall not construct or operate transit or related facilities upon, over, or across any parkways or park lands without the consent of, and except upon the terms and conditions required by, the agency having jurisdiction with respect to such parkways and park lands, but may construct or operate such facilities in a subway under such parkways or park lands upon such reasonable terms and conditions as may be specified by the agency having jurisdiction with respect thereto.

Compliance with Laws, Regulations and Ordinances

7576. The Board shall comply with all laws, ordinances and regulations of the Signatories and political subdivisions and agencies thereof with respect to use of streets, highways and all other vehicular facilities, traffic control and regulation, zoning, signs and buildings.

Police Security

7677. (a) The Authority is authorized to establish and maintain a regular police force, to be known as the Metro Transit Police, to provide protection for its patrons, personnel, and Transit facilities. The Metro Transit Police shall have the powers and duties and shall be subject to the limitations set forth in this section. It shall be composed of both uniformed and plain clothes personnel and shall be charged with the duty of enforcing the laws of the Signatories, and the laws, ordinances, and regulations of the political subdivisions thereof in the Transit Zone, and the rules and regulations of the Authority. The jurisdiction of the Metro Transit Police shall include all the Transit facilities (including bus stops) owned, controlled, or operated by the Authority, but this restriction shall not limit the power of the Metro Transit Police to make arrests in the Transit Zone for violations committed upon, to, or against such Transit facilities committed from within or outside such Transit facilities while in hot or close pursuit, or to execute traffic citations and criminal process in accordance with subsection (c) below. The members of the Metro Transit Police shall have concurrent jurisdiction in the performance of their duties with the duly constituted law-enforcement agencies of the Signatories and of the political subdivisions thereof in which any Transit facility of the Authority is located or in which the Authority operates any Transit service. On-duty Metro Transit Police officers are authorized to make arrests off of Transit facilities within the Transit Zone when immediate action is necessary to protect the health, safety, welfare or property of an individual from actual or threatened harm or from an unlawful act. Nothing contained in this section shall either relieve any Signatory or political subdivision or agency thereof from its duty to provide police, fire, and other public safety service and protection, or limit, restrict, or interfere with the jurisdiction of or the performance of duties by the existing police, fire, and other public safety agencies. For purposes of this section, "bus stop" means that area within 150 feet of a MetroBus bus stop sign, excluding the interior of any building not owned, controlled or operated by the Washington Metropolitan Area Transit Authority.

(b) A member of the Metro Transit Police shall have same powers, including the power of arrest, and shall be subject to the same limitations, including regulatory limitations, in the performance of his duties as a member of the duly constituted police force of the political subdivision in which the Metro Transit Police member is engaged in the performance of his duties. A member of the Metro Transit Police is authorized to carry and use only such weapons, including handguns, as are issued by the Authority. A member of the Metro Transit Police is subject to such additional limitations in the use of weapons as are imposed on the duly constituted police force for the political subdivision in which he is engaged in the performance of his duties.

(c) Members of the Metro Transit Police shall have power to execute on the Transit facilities owned, controlled, or operated by the Authority any traffic citation or any criminal process issued by any court of any Signatory or of any political subdivision of a Signatory, for any felony, misdemeanor, or other

1166 offense against the laws, ordinances, rules, or regulations specified in subsection (a). With respect to
1167 offenses committed upon, to, or against the Transit facilities owned, controlled, or operated by the
1168 Authority, the Metro Transit Police shall have power to execute criminal process within the Transit
1169 Zone.

1170 (d) Upon the apprehension or arrest of any person by a member of the Metro Transit Police pursuant
1171 to the provisions of subsection (b), the officer, as required by the law of the place of apprehension or
1172 arrest, shall either issue a summons or a citation against the person, book the person, or deliver the
1173 person to the duly constituted police or judicial officer of the Signatory or political subdivision where
1174 the apprehension or arrest is made, for disposition as required by law.

1175 (e) The Authority shall have the power to adopt rules and regulations for the safe, convenient, and
1176 orderly use of the Transit facilities owned, controlled, or operated by the Authority, including the
1177 payment and the manner of the payment of fares or charges therefor, the protection of the Transit
1178 facilities, the control of traffic and parking upon the Transit facilities, and the safety and protection of
1179 the riding public. In the event that any such rules and regulations contravene the laws, ordinances, rules,
1180 or regulations of a Signatory or any political subdivision thereof which are existing or subsequently
1181 enacted, these laws, ordinances, rules, or regulations of the Signatory or the political subdivision shall
1182 apply and the conflicting rule or regulation, or portion thereof, of the Authority shall be void within the
1183 jurisdiction of that Signatory or political subdivision. In all other respects the rules and regulations of
1184 the Authority shall be uniform throughout the Transit Zone. The rules and regulations established under
1185 this subsection shall be adopted by the Board following public hearings held in accordance with Section
1186 62 (c) and (d) of this Compact. The final regulation shall be published in a newspaper of general
1187 circulation within the Zone at least 15 days before its effective date. Any person violating any rule or
1188 regulation of the Authority shall be subject to arrest and, upon conviction by a court of competent
1189 jurisdiction, shall pay a fine of not more than two hundred fifty dollars (\$ 250) and costs. Criminal
1190 violations of any rule or regulation of the Authority shall be prosecuted by the Signatory or political
1191 subdivision in which the violation occurred, in the same manner by which violations of law, ordinances,
1192 rules and regulations of the Signatory or political subdivisions are prosecuted.

1193 (f) With respect to members of the Metro Transit Police, the Authority shall:

1194 (1) Establish classifications based on the nature and scope of duties, and fix and provide for their
1195 qualification, appointment, removal, tenure, term, compensation, pension, and retirement benefits;

1196 (2) Provide for their training and, for this purpose, the Authority may enter into contracts or
1197 agreements with any public or private organization engaged in police training, and this training and the
1198 qualifications of the uniformed and plain clothes personnel shall at least equal the requirements of each
1199 Signatory and of the political subdivisions therein in the Transit Zone for their personnel performing
1200 comparable duties; and

1201 (3) Prescribe distinctive uniforms to be worn.

1202 (g) The Authority shall have the power to enter into agreements with the Signatories, the political
1203 subdivisions thereof in the Transit Zone, and public safety agencies located therein, including those of
1204 the Federal Government, for the delineation of the functions and responsibilities of the Metro Transit
1205 Police and the duly constituted police, fire, and other public safety agencies, and for mutual assistance.

1206 (h) Before entering upon the duties of office, each member of the Metro Transit Police shall take or
1207 subscribe to an oath or affirmation, before a person authorized to administer oaths, faithfully to perform
1208 the duties of that office.

1209 Exemption from Regulation

1210 ~~77~~78. Except as otherwise provided in this Title, any Transit service rendered by Transit facilities
1211 owned or controlled by the Authority and the Authority or any corporation, firm or association
1212 performing such transit service pursuant to an operating contract with the Authority, shall, in connection
1213 with the performance of such service, be exempt from all laws, rules, regulations and orders of the
1214 Signatories and of the United States otherwise applicable to such transit service and persons, except that
1215 laws, rules, regulations and orders relating to inspection of equipment and facilities, safety and testing
1216 shall remain in force and effect; provided, however, that the Board may promulgate regulations for the
1217 safety of the public and employees not inconsistent with the applicable laws, rules, regulations or orders
1218 of the Signatories and of the United States.

1219 Tax Exemption

1220 ~~78~~79. It is hereby declared that the creation of the Authority and the carrying out of the corporate
1221 purposes of the Authority is in all respects for the benefit of the people of the Signatory states and is
1222 for a public purpose and that the Authority and the Board will be performing an essential governmental
1223 function, including, without limitation, proprietary, governmental and other functions, in the exercise of
1224 the powers conferred by this Title. Accordingly, the Authority and the Board shall not be required to
1225 pay taxes or assessments upon any of the property acquired by it or under its jurisdiction, control,
1226 possession or supervision or upon its activities in the operation and maintenance of any Transit facilities
1227 or upon any revenues therefrom and the property and income derived therefrom shall be exempt from all

federal, State, District of Columbia, municipal and local taxation. This exemption shall include, without limitation, all motor vehicle license fees, sales taxes and motor fuel taxes.

Reduced Fares

7980. The District of Columbia, the Northern Virginia Transportation District, the Washington Suburban Transit District and the component governments thereof, may enter into contracts or agreements with the Authority to make equitable payments for fares lower than those established by the Authority pursuant to the provisions of Article XIII hereof for any specified class or category of riders.

Liability for Contracts and Torts

8081. The Authority shall be liable for its contracts and for its torts and those of its Directors, officers, employees and agents committed in the conduct of any proprietary function, in accordance with the law of the applicable Signatory (including rules on conflict of laws), but shall not be liable for any torts occurring in the performance of a governmental function. The exclusive remedy for such breach of contracts and torts for which the Authority shall be liable, as herein provided, shall be by suit against the Authority. Nothing contained in this Title shall be construed as a waiver by the District of Columbia, Maryland, Virginia and the counties and cities within the Zone of any immunity from suit.

Jurisdiction of Courts

8182.
