A. Each local department shall establish child-protective services under a departmental coordinator within such department or with one or more adjacent local departments that shall be staffed with qualified personnel pursuant to regulations adopted by the Board. The local department shall be the public agency responsible for receiving and responding to complaints and reports, except that (i) in cases where the reports or complaints are to be made to the court and the judge determines that no local department within a reasonable geographic distance can impartially respond to the report, the court shall assign the report to the court services unit for evaluation; and (ii) in cases where an employee at a private or state-operated hospital, institution or other facility, or an employee of a school board is suspected of abusing or neglecting a child in such hospital, institution or other facility, or public school, the local department shall request the Department and the relevant private or state-operated hospital, institution or other facility, or school board to assist in conducting a joint investigation in accordance with regulations adopted by the Board, in consultation with the Departments of Education, Health, Medical Assistance Services, Behavioral Health and Developmental Services, Juvenile Justice and Corrections.

The local department shall develop, when practicable, memoranda of understanding for responding to reports of child abuse and neglect with local law enforcement and the attorney for the Commonwealth.

In each case in which the local department notifies the local law-enforcement agency of a complaint pursuant to this subsection, the local department shall, within two business days of delivery of the notification, complete a written report, on a form provided by the Board for such purpose, which shall include (a) the name of the representative of the local department providing notice required by this subsection; (b) the name of the local law-enforcement officer who received such notice; (c) the date and time that notification was made; (d) the identity of the victim; (e) the identity of the person alleged to have abused or neglected the child, if known; (f) the clause or clauses in this subsection that describe the reasons for the notification; and (g) the signatures, which may be electronic signatures, of the representatives of the local department making the notification and the local law-enforcement officer receiving the notification.
