HOUSE BILL NO. 464

Offered January 10, 2018

Prefiled January 7, 2018

A BILL to amend and reenact § 46.2-924 of the Code of Virginia, relating to yielding the right-of-way to pedestrians; stopping.

Patrons—Carter, Hope and Plum

Referred to Committee on Transportation

Be it enacted by the General Assembly of Virginia:**1. That § 46.2-924 of the Code of Virginia is amended and reenacted as follows:****§ 46.2-924. Drivers to stop for pedestrians; installation of certain signs; penalty.**

A. The driver of any vehicle on a highway shall yield the right-of-way to any pedestrian crossing such highway *by stopping and remaining stopped until such pedestrian has safely crossed:*

1. At any clearly marked crosswalk, whether at mid-block or at the end of any block;

2. At any regular pedestrian crossing included in the prolongation of the lateral boundary lines of the adjacent sidewalk at the end of a block; *or*

3. At any intersection when the driver is approaching on a highway ~~or street~~ where the legal maximum speed ~~does not exceed~~ *limit is not more than* 35 miles per hour.

B. Notwithstanding the provisions of subsection A, at intersections or crosswalks where the movement of traffic is being regulated by law-enforcement officers or traffic control devices, the driver shall yield according to the direction of the law-enforcement officer or device.

No pedestrian shall enter or cross an intersection in disregard of approaching traffic.

The drivers of vehicles entering, crossing, or turning at intersections shall change their course, slow down, or stop if necessary to permit pedestrians to cross such intersections safely and expeditiously.

Pedestrians crossing highways at intersections shall at all times have the right-of-way over vehicles making turns into the highways being crossed by the pedestrians.

C. The governing body of Arlington County, Fairfax County, Loudoun County and any town therein, the City of Alexandria, the City of Fairfax, and the City of Falls Church may by ordinance provide for the installation and maintenance of highway signs at marked crosswalks specifically requiring operators of motor vehicles, at the locations where such signs are installed, to yield the right-of-way to pedestrians crossing or attempting to cross the highway. Any operator of a motor vehicle who fails at such locations to yield the right-of-way to pedestrians as required by such signs shall be guilty of a traffic infraction punishable by a fine of no less than \$100 or more than \$500. The Department of Transportation shall develop criteria for the design, location, and installation of such signs. The provisions of this section shall not apply to any limited access highway.

D. Where a shared-use path crosses a highway at a clearly marked crosswalk and there are no traffic control signals at such crossing, the local governing body may by ordinance require pedestrians, cyclists, and any other users of such shared-used path to come to a complete stop prior to entering such crosswalk. Such local ordinance may provide for a fine not to exceed \$100 for violations. Any locality adopting such an ordinance shall install and maintain stop signs, consistent with standards adopted by the Commonwealth Transportation Board and to the extent necessary in coordination with the Department of Transportation. At such crosswalks, no user of such shared-use path shall enter the crosswalk in disregard of approaching traffic.

E. A locality adopting an ordinance under subsection D shall coordinate the enforcement and placement of any stop signs affecting a shared-use path owned and operated by a park authority formed under Chapter 57 (§ 15.2-5700 et seq.) of Title 15.2 with such authority.

INTRODUCED
