60 for distribution in accordance with this section. The forfeited property and proceeds *in the special fund*  
61 *of the Department of Criminal Justice Services*, less 10 percent, shall be made available to federal, state,  
62 and local agencies to promote law enforcement in accordance with this section and regulations adopted  
63 by the Criminal Justice Services Board to implement the asset-sharing program. *The state treasury shall*  
64 *transfer the remaining 20 percent of the forfeited property and proceeds into the Drug Offender*

66 The 10 percent retained by the Department shall be held in a nonreverting fund, known as the Asset  
67 Sharing Administrative Fund. Administrative costs incurred by the Department to manage and operate  
68 the asset-sharing program shall be paid from the Fund. Any amounts remaining in the Fund after  
69 payment of these costs shall be used to promote state or local law-enforcement activities. Distributions  
70 from the Fund for these activities shall be based upon need and shall be made from time to time in  
71 accordance with regulations promulgated by the Board.

72 B. Any federal, state, or local agency or office that directly participated in the investigation or other  
73 law-enforcement activity which led, directly or indirectly, to the seizure and forfeiture shall be eligible  
74 for, and may petition the Department for, return of the forfeited asset or an equitable share of the net  
75 proceeds, based upon the degree of participation in the law-enforcement effort resulting in the forfeiture,  
76 taking into account the total value of all property forfeited and the total law-enforcement effort with  
77 respect to the violation of law on which the forfeiture is based. Upon finding that the petitioning agency  
78 is eligible for distribution and that all participating agencies agree on the equitable share of each, the  
79 Department shall distribute each share directly to the appropriate treasury of the participating agency.

80 If all eligible participating agencies cannot agree on the equitable shares of the net proceeds, the  
81 shares shall be determined by the Criminal Justice Services Board in accordance with regulations which  
82 shall specify the criteria to be used by the Board in assessing the degree of participation in the  
83 law-enforcement effort resulting in the forfeiture.

84 C. After the order of forfeiture is entered concerning any motor vehicle, boat, aircraft, or other  
85 tangible personal property, any seizing agency may (i) petition the Department for return of the property  
86 that is not subject to a grant or pending petition for remission or (ii) request the circuit court to order  
87 the property destroyed. Where all the participating agencies agree upon the equitable distribution of the  
88 tangible personal property, the Department shall return the property to those agencies upon finding that  
89 (a) the agency meets the criteria for distribution as set forth in subsection B and (b) the agency has a  
90 clear and reasonable law-enforcement need for the forfeited property.

91 If all eligible participating agencies cannot agree on the distribution of the property, distribution shall  
92 be determined by the Criminal Justice Services Board as in subsection B, taking into consideration the  
93 clear and reasonable law-enforcement needs for the property which the agencies may have. In order to  
94 equitably distribute tangible personal property, the Criminal Justice Services Board may require the  
95 agency receiving the property to reimburse the Department in cash for the difference between the fair  
96 market value of the forfeited property and the agency's equitable share as determined by the Criminal  
97 Justice Services Board.

98 If a seizing agency has received property for its use pursuant to this section, when the agency  
99 disposes of the property (1) by sale, the proceeds shall be distributed as set forth in this section; or (2)  
100 by destruction pursuant to a court order, the agency shall do so in a manner consistent with this section.

101 D. All forfeited property, including its proceeds or cash equivalent, received by a participating state  
102 or local agency pursuant to this section shall be used to promote law enforcement but shall not be used  
103 to supplant existing programs or funds. The Board shall promulgate regulations establishing an audit  
104 procedure to ensure compliance with this section. *For the purposes of this section, "promote law*  
105 *enforcement" includes activities calculated to enhance future investigations, law-enforcement training,*

112 funds and proceeds from forfeited property to the Virginia Public Safety Foundation to support the  
113 construction of the Commonwealth Public Safety Memorial. Any funds contributed by seizing agencies  
114 shall be contributed only after an internal analysis to determine that such contributions will not  
115 negatively impact law-enforcement training or operations.

116 F. The Department shall report annually on or before December 31 to the Governor and the General  
117 Assembly the amount of all cash, negotiable instruments, and proceeds from sales conducted pursuant to  
118 § 19.2-386.7 or 19.2-386.12 that were forfeited to the Commonwealth, including the amount of all  
119 forfeitures distributed to the Literary Fund. Such report shall also detail the amount distributed by the
