88 19. Items of income attributable to, derived from, or in any way related to (i) assets stolen from,
89 hidden from, or otherwise lost by an individual who was a victim or target of Nazi persecution or (ii)
90 damages, reparations, or other consideration received by a victim or target of Nazi persecution to
91 compensate such individual for performing labor against his will under the threat of death, during World

93 items of income or with the proceeds from the sale of assets stolen from, hidden from, or otherwise lost
94 to, during World War II and its prelude and direct aftermath, a victim or target of Nazi persecution. The
95 provisions of this subdivision shall only apply to an individual who was the first recipient of such items

97 stepchild of such victim.

98 As used in this subdivision:

99 "Nazi regime" means the country of Nazi Germany, areas occupied by Nazi Germany, those
100 European countries allied with Nazi Germany, or any other neutral European country or area in Europe
101 under the influence or threat of Nazi invasion.

102 "Victim or target of Nazi persecution" means any individual persecuted or targeted for persecution by
103 the Nazi regime who had assets stolen from, hidden from, or otherwise lost as a result of any act or

105 (iii) transactions with or actions of the Nazi regime, (iv) treatment of refugees fleeing Nazi persecution,
106 or (v) the holding of such assets by entities or persons in the Swiss Confederation during World War II
107 and its prelude and aftermath. A "victim or target of Nazi persecution" also includes any individual
108 forced into labor against his will, under the threat of death, during World War II and its prelude and
109 direct aftermath.

110 20. The military death gratuity payment made after September 11, 2001, to the survivor of deceased
111 military personnel killed in the line of duty, pursuant to 10 U.S.C. Chapter 75; however, the subtraction
112 amount shall be reduced dollar-for-dollar by the amount that the survivor may exclude from his federal
113 gross income in accordance with § 134 of the Internal Revenue Code.

114 21. The death benefit payments from an annuity contract that are received by a beneficiary of such
115 contract, provided that (i) the death benefit payment is made pursuant to an annuity contract with an
116 insurance company and (ii) the death benefit payment is paid solely by lump sum. The subtraction under
117 this subdivision shall be allowed only for that portion of the death benefit payment that is included in
118 federal adjusted gross income.

119 22. Any gain recognized from the sale of launch services to space flight participants, as defined in
120 49 U.S.C. § 70102, or launch services intended to provide individuals with the training or experience of

a launch, without performing an actual launch. To qualify for a deduction under this subdivision, launch services must be performed in Virginia or originate from an airport or spaceport in Virginia.

23. Any gain recognized as a result of resupply services contracts for delivering payload, as defined in 49 U.S.C. § 70102, entered into with the Commercial Orbital Transportation Services division of the National Aeronautics and Space Administration or other space flight entity, as defined in § 8.01-227.8, and launched from an airport or spaceport in Virginia.

24. Any income taxed as a long-term capital gain for federal income tax purposes, or any income taxed as investment services partnership interest income (otherwise known as investment partnership carried interest income) for federal income tax purposes. To qualify for a subtraction under this subdivision, such income shall be attributable to an investment in a "qualified business," as defined in § 58.1-339.4, or in any other technology business approved by the Secretary of Technology, provided that the business has its principal office or facility in the Commonwealth and less than \$3 million in annual revenues in the fiscal year prior to the investment. To qualify for a subtraction under this subdivision, the investment shall be made between the dates of April 1, 2010, and June 30, 2020. No taxpayer who has claimed a tax credit for an investment in a "qualified business" under § 58.1-339.4 shall be eligible for the subtraction under this subdivision for an investment in the same business.

25. For taxable years beginning on and after January 1, 2014, any income of an account holder for the taxable year taxed as (i) a capital gain for federal income tax purposes attributable to such person's first-time home buyer savings account established pursuant to Chapter 32 (§ 55-555 et seq.) of Title 55 and (ii) interest income or other income for federal income tax purposes attributable to such person's first-time home buyer savings account.

Notwithstanding the statute of limitations on assessments contained in § 58.1-312, any subtraction taken under this subdivision shall be subject to recapture in the taxable year or years in which moneys or funds withdrawn from the first-time home buyer savings account were used for any purpose other than the payment of eligible costs by or on behalf of a qualified beneficiary, as provided under § 55-558. The amount subject to recapture shall be a portion of the amount withdrawn in the taxable year that was used for other than the payment of eligible costs, computed by multiplying the amount withdrawn and used for other than the payment of eligible costs by the ratio of the aggregate earnings in the account at the time of the withdrawal to the total balance in the account at such time.

However, recapture shall not apply to the extent of moneys or funds withdrawn that were (i) withdrawn by reason of the qualified beneficiary's death or disability; (ii) a disbursement of assets of the account pursuant to a filing for protection under the United States Bankruptcy Code, 11 U.S.C. §§ 101 through 1330; or (iii) transferred from an account established pursuant to Chapter 32 (§ 55-555 et seq.) of Title 55 into another account established pursuant to such chapter for the benefit of another qualified beneficiary.

For purposes of this subdivision, "account holder," "eligible costs," "first-time home buyer savings account," and "qualified beneficiary" mean the same as those terms are defined in § 55-555.

26. For taxable years beginning on and after January 1, 2015, any income for the taxable year attributable to the discharge of a student loan solely by reason of the student's death. For purposes of this subdivision, "student loan" means the same as that term is defined under § 108(f) of the Internal Revenue Code.

27. a. Income, including investment services partnership interest income (otherwise known as investment partnership carried interest income), attributable to an investment in a Virginia venture capital account. To qualify for a subtraction under this subdivision, the investment shall be made on or after January 1, 2018, but before December 31, 2023. No subtraction shall be allowed under this subdivision for an investment in a company that is owned or operated by a family member or an affiliate of the taxpayer. No subtraction shall be allowed under this subdivision for a taxpayer who has claimed a subtraction under subdivision 24 or a tax credit under § 58.1-339.4 for the same investment.

b. As used in this subdivision 27:

"Qualified portfolio company" means a company that (i) has its principal place of business in the Commonwealth; (ii) has a primary purpose of production, sale, research, or development of a product or service other than the management or investment of capital; and (iii) provides equity in the company to the Virginia venture capital account in exchange for a capital investment. "Qualified portfolio company" does not include a company that is an individual or sole proprietorship.

"Virginia venture capital account" means an investment fund that has been certified by the Department as a Virginia venture capital account. In order to be certified as a Virginia venture capital account, the operator of the investment fund shall register the investment fund with the Department prior to December 31, 2023, (i) indicating that it intends to invest at least 50 percent of the capital committed to its fund in qualified portfolio companies and (ii) providing documentation that it employs at least one investor who has at least four years of professional experience in venture capital investment or substantially equivalent experience. "Substantially equivalent experience" includes, but is not limited to,

182 an undergraduate degree from an accredited college or university in economics, finance, or a similar
183 field of study. The Department may require an investment fund to provide documentation of the
184 investor's training, education, or experience as deemed necessary by the Department to determine
185 substantial equivalency. If the Department determines that the investment fund employs at least one
186 investor with the experience set forth herein, the Department shall certify the investment fund as a
187 Virginia venture capital account at such time as the investment fund actually invests at least 50 percent
188 of the capital committed to its fund in qualified portfolio companies.
