4. Title: Online Virginia Network Authority.

5. Summary: Adds the Chancellor of the Virginia Community College System and one nonlegislative citizen member appointed by the State Board for Community Colleges to the members of the board of trustees of the Online Virginia Network Authority (Authority). The bill also provides that the Online Virginia Network, established by the Authority, will facilitate the completion of degrees at comprehensive community colleges as well as at George Mason University and Old Dominion University.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Preliminary. See Item 8.

8. Fiscal Implications: Nonlegislative citizen members of the board are compensated as provided in § 2.2-2813, Code of Virginia, and all members are reimbursed for expenses incurred in the performance of their duties (travel, lodging, meals) as provided in §§2.2-2813 and 2.2-2825, Code of Virginia. Adding members to the board would therefore impose a small cost on the Authority, depending on how many meetings the board has in any given year. Any costs to the Virginia Community College System (VCCS) to support the Authority are indeterminate at this time.

9. Specific Agency or Political Subdivisions Affected: Online Virginia Network Authority, Virginia Community College System, State Board for Community Colleges.

10. Technical Amendment Necessary: No.

11. Other Comments: Companion to SB 760.
