6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Indeterminate.

8. Fiscal Implications: Indeterminate. The bill would amend the Government Data Collection and Dissemination Practices Act by inserting a proper purpose provision whereby Commonwealth agencies and political subdivisions could potentially increase the volume and frequency of data or information shared among and between agencies.

Any direct fiscal impact would depend upon the extent to which the bill results in an increase in the amount of data that is shared, and the prevailing data storage costs at the time the data are shared and maintained.
