4. Title: Define requirements for longitudinal data collection

5. Summary: This bill requires that the data annually collected and published by the State Council of Higher Education for Virginia regarding the percentage of graduates of Virginia's public institutions of higher education and certain nonprofit private institutions of higher education, who are known to be employed in the Commonwealth, and the average salary and higher education-related debt for such graduates, be disaggregated by degree program and level. In addition, this bill requires that those affected institutions provide a link on their websites to such data and make the link available to each admitted student.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Preliminary (see Section 8)

8. Fiscal Implications: As currently proposed, it is anticipated that this legislation would not have a fiscal impact.

9. Specific Agency or Political Subdivisions Affected: Virginia's public and nonprofit private institutions of higher education and the State Council of Higher Education for Virginia

10. Technical Amendment Necessary: No.

11. Other Comments: This bill clarifies language regarding the Virginia Longitudinal Data System.
