Summary: Requires a public body initiating a transfer of public records to any entity, including to any other public body, to remain the custodian of those records only if the public body has transferred the entirety of those public records. Current law requires the public body initiating a transfer of public records to remain the custodian if it has transferred possession of any public records. The bill also excludes the transfer of a portion of information contained in one public body's public record to another public body from being considered as a transfer of an entire public record.
