

## **Department of Planning and Budget 2018 Fiscal Impact Statement**

**1. Bill Number:** SB654

<b>House of Origin</b>	<input checked="" type="checkbox"/> Introduced	<input type="checkbox"/> Substitute	<input type="checkbox"/> Engrossed
<b>Second House</b>	<input type="checkbox"/> In Committee	<input type="checkbox"/> Substitute	<input type="checkbox"/> Enrolled

**2. Patron:** McPike

**3. Committee:** Commerce and Labor

**4. Title:** Virginia Health Club Act; automated external defibrillator required in health clubs.

**5. Summary:** This bill requires each health club location to (i) have a working automated external defibrillator, (ii) develop a medical emergency response plan in coordination with local emergency medical service providers, and (iii) ensure that at least one employee is at the health club location during hours the health club is open to the public who has current certification in cardiopulmonary resuscitation or has received training, within the last two years, in emergency first aid and cardiopulmonary resuscitation, including training on the use of an automated external defibrillator.

**6. Budget Amendment Necessary:** No.

**7. Fiscal Impact Estimates:** Indeterminate. See item 8.

**8. Fiscal Implications:** The fiscal impact of this bill is indeterminate. The Virginia Department of Agriculture and Consumer Services (VDACS) does not currently conduct inspections to ensure compliance with the Virginia Health Club Act. If the department is required to conduct inspections, additional personnel may be needed. Many health clubs are exempt from the Virginia Health Club Act, and the total number of health clubs in Virginia is unknown.

**9. Specific Agency or Political Subdivisions Affected:** Virginia Department of Agriculture and Consumer Services.

**10. Technical Amendment Necessary:** No.

**11. Other Comments:** None.
