B. Except as provided in subsection C or § 22.1-277.07 or 22.1-277.08, no student in preschool through grade three shall be suspended for more than three school days or expelled from attendance at school, unless (i) the offense involves physical harm or credible threat of physical harm to others or (ii) the local school board or the division superintendent or his designee finds that aggravating circumstances exist, as defined by the Department.

E. Notwithstanding the provisions of § 22.1-277.08, no school board shall be required to suspend or expel any student who holds a valid written certification for the use of cannabidiol oil or THC-A oil issued by a practitioner in accordance with subsection B of § 54.1-3408.3 for the possession or use of such oil in accordance with the student's individualized health plan and in compliance with a policy adopted by the school board.

2. That the Department of Health Professions, in coordination with the Department of Education, shall develop and make available to school boards a standardized form that is to be completed by a practitioner who issues a written certification and a pharmaceutical processor that dispenses the cannabidiol oil or THC-A oil to a student. A completed form shall identify the student; specify the dosage of the cannabidiol oil or THC-A oil, the frequency in which it is to be administered, and any other circumstances that may warrant its use; and provide other relevant information.
