A BILL to amend and reenact §§ 16.1-241 and 32.1-45.1 of the Code of Virginia, relating to exposure to bodily fluids; infection with human immunodeficiency virus or hepatitis B or C viruses; expedited testing.

Be it enacted by the General Assembly of Virginia:**1. That §§ 16.1-241 and 32.1-45.1 of the Code of Virginia are amended and reenacted as follows:****§ 16.1-241. Jurisdiction; consent for abortion.**

The judges of the juvenile and domestic relations district court elected or appointed under this law shall be conservators of the peace within the corporate limits of the cities and the boundaries of the counties for which they are respectively chosen and within one mile beyond the limits of such cities and counties. Except as hereinafter provided, each juvenile and domestic relations district court shall have, within the limits of the territory for which it is created, exclusive original jurisdiction, and within one mile beyond the limits of said city or county, concurrent jurisdiction with the juvenile court or courts of the adjoining city or county, over all cases, matters and proceedings involving:

A. The custody, visitation, support, control or disposition of a child:

1. Who is alleged to be abused, neglected, in need of services, in need of supervision, a status offender, or delinquent except where the jurisdiction of the juvenile court has been terminated or divested;

2. Who is abandoned by his parent or other custodian or who by reason of the absence or physical or mental incapacity of his parents is without parental care and guardianship;

2a. Who is at risk of being abused or neglected by a parent or custodian who has been adjudicated as having abused or neglected another child in the care of the parent or custodian;

3. Whose custody, visitation or support is a subject of controversy or requires determination. In such cases jurisdiction shall be concurrent with and not exclusive of courts having equity jurisdiction, except as provided in § 16.1-244;

4. Who is the subject of an entrustment agreement entered into pursuant to § 63.2-903 or 63.2-1817 or whose parent or parents for good cause desire to be relieved of his care and custody;

5. Where the termination of residual parental rights and responsibilities is sought. In such cases jurisdiction shall be concurrent with and not exclusive of courts having equity jurisdiction, as provided in § 16.1-244;

6. Who is charged with a traffic infraction as defined in § 46.2-100; or

7. Who is alleged to have refused to take a blood test in violation of § 18.2-268.2.

In any case in which the juvenile is alleged to have committed a violent juvenile felony enumerated in subsection B of § 16.1-269.1, and for any charges ancillary thereto, the jurisdiction of the juvenile court shall be limited to conducting a preliminary hearing to determine if there is probable cause to believe that the juvenile committed the act alleged and that the juvenile was 14 years of age or older at the time of the commission of the alleged offense, and any matters related thereto. In any case in which the juvenile is alleged to have committed a violent juvenile felony enumerated in subsection C of § 16.1-269.1, and for all charges ancillary thereto, if the attorney for the Commonwealth has given notice as provided in subsection C of § 16.1-269.1, the jurisdiction of the juvenile court shall be limited to conducting a preliminary hearing to determine if there is probable cause to believe that the juvenile committed the act alleged and that the juvenile was 14 years of age or older at the time of the commission of the alleged offense, and any matters related thereto. A determination by the juvenile court following a preliminary hearing pursuant to subsection B or C of § 16.1-269.1 to certify a charge to the grand jury shall divest the juvenile court of jurisdiction over the charge and any ancillary charge. In any case in which a transfer hearing is held pursuant to subsection A of § 16.1-269.1, if the juvenile court determines to transfer the case, jurisdiction of the juvenile court over the case shall be divested as provided in § 16.1-269.6.

In all other cases involving delinquent acts, and in cases in which an ancillary charge remains after a violent juvenile felony charge has been dismissed or a violent juvenile felony has been reduced to a lesser offense not constituting a violent juvenile felony, the jurisdiction of the juvenile court shall not be divested unless there is a transfer pursuant to subsection A of § 16.1-269.1.

The authority of the juvenile court to adjudicate matters involving the custody, visitation, support, control or disposition of a child shall not be limited to the consideration of petitions filed by a mother, father or legal guardian but shall include petitions filed at any time by any party with a legitimate

60 interest therein. A party with a legitimate interest shall be broadly construed and shall include, but not
61 be limited to, grandparents, step-grandparents, stepparents, former stepparents, blood relatives and family
62 members. A party with a legitimate interest shall not include any person (i) whose parental rights have
63 been terminated by court order, either voluntarily or involuntarily, (ii) whose interest in the child derives
64 from or through a person whose parental rights have been terminated by court order, either voluntarily
65 or involuntarily, including, but not limited to, grandparents, stepparents, former stepparents, blood
66 relatives and family members, if the child subsequently has been legally adopted, except where a final
67 order of adoption is entered pursuant to § 63.2-1241, or (iii) who has been convicted of a violation of
68 subsection A of § 18.2-61, § 18.2-63, subsection B of § 18.2-366, or an equivalent offense of another
69 state, the United States, or any foreign jurisdiction, when the child who is the subject of the petition was
70 conceived as a result of such violation. The authority of the juvenile court to consider a petition
71 involving the custody of a child shall not be proscribed or limited where the child has previously been
72 awarded to the custody of a local board of social services.

73 B. The admission of minors for inpatient treatment in a mental health facility in accordance with the
74 provisions of Article 16 (§ 16.1-335 et seq.) and the involuntary admission of a person with mental
75 illness or judicial certification of eligibility for admission to a training center for persons with
76 intellectual disability in accordance with the provisions of Chapter 8 (§ 37.2-800 et seq.) of Title 37.2.
77 Jurisdiction of the involuntary admission and certification of adults shall be concurrent with the general
78 district court.

79 C. Except as provided in subsections D and H, judicial consent to such activities as may require
80 parental consent may be given for a child who has been separated from his parents, guardian, legal
81 custodian or other person standing in loco parentis and is in the custody of the court when such consent
82 is required by law.

83 D. Judicial consent for emergency surgical or medical treatment for a child who is neither married
84 nor has ever been married, when the consent of his parent, guardian, legal custodian or other person
85 standing in loco parentis is unobtainable because such parent, guardian, legal custodian or other person
86 standing in loco parentis (i) is not a resident of the Commonwealth, (ii) has his whereabouts unknown,
87 (iii) cannot be consulted with promptness, reasonable under the circumstances, or (iv) fails to give such
88 consent or provide such treatment when requested by the judge to do so.

89 E. Any person charged with deserting, abandoning or failing to provide support for any person in
90 violation of law.

91 F. Any parent, guardian, legal custodian or other person standing in loco parentis of a child:

92 1. Who has been abused or neglected;

93 2. Who is the subject of an entrustment agreement entered into pursuant to § 63.2-903 or 63.2-1817
94 or is otherwise before the court pursuant to subdivision A 4; or

95 3. Who has been adjudicated in need of services, in need of supervision, or delinquent, if the court
96 finds that such person has by overt act or omission induced, caused, encouraged or contributed to the
97 conduct of the child complained of in the petition.

98 G. Petitions filed by or on behalf of a child or such child's parent, guardian, legal custodian or other
99 person standing in loco parentis for the purpose of obtaining treatment, rehabilitation or other services
100 that are required by law to be provided for that child or such child's parent, guardian, legal custodian or
101 other person standing in loco parentis. Jurisdiction in such cases shall be concurrent with and not
102 exclusive of that of courts having equity jurisdiction as provided in § 16.1-244.

103 H. Judicial consent to apply for a work permit for a child when such child is separated from his
104 parents, legal guardian or other person standing in loco parentis.

105 I. The prosecution and punishment of persons charged with ill-treatment, abuse, abandonment or
106 neglect of children or with any violation of law that causes or tends to cause a child to come within the
107 purview of this law, or with any other offense against the person of a child. In prosecution for felonies
108 over which the court has jurisdiction, jurisdiction shall be limited to determining whether or not there is
109 probable cause.

110 J. All offenses in which one family or household member is charged with an offense in which
111 another family or household member is the victim and all offenses under § 18.2-49.1.

112 In prosecution for felonies over which the court has jurisdiction, jurisdiction shall be limited to
113 determining whether or not there is probable cause. Any objection based on jurisdiction under this
114 subsection shall be made before a jury is impaneled and sworn in a jury trial or, in a nonjury trial,
115 before the earlier of when the court begins to hear or receive evidence or the first witness is sworn, or it
116 shall be conclusively waived for all purposes. Any such objection shall not affect or be grounds for
117 challenging directly or collaterally the jurisdiction of the court in which the case is tried.

118 K. Petitions filed by a natural parent, whose parental rights to a child have been voluntarily
119 relinquished pursuant to a court proceeding, to seek a reversal of the court order terminating such
120 parental rights. No such petition shall be accepted, however, after the child has been placed in the home
121 of adoptive parents.

L. Any person who seeks spousal support after having separated from his spouse. A decision under this subdivision shall not be res judicata in any subsequent action for spousal support in a circuit court. A circuit court shall have concurrent original jurisdiction in all causes of action under this subdivision.

U. Petitions filed in connection with parental placement adoption consent hearings pursuant to § 63.2-1233. Such proceedings shall be advanced on the docket so as to be heard by the court within 10 days of filing of the petition, or as soon thereafter as practicable so as to provide the earliest possible disposition.

V. Petitions filed for the purpose of obtaining the court's assistance with the execution of consent to an adoption when the consent to an adoption is executed pursuant to the laws of another state and the laws of that state provide for the execution of consent to an adoption in the court of the Commonwealth.

W. Petitions filed by a juvenile seeking judicial authorization for a physician to perform an abortion if a minor elects not to seek consent of an authorized person.

After a hearing, a judge shall issue an order authorizing a physician to perform an abortion, without the consent of any authorized person, if he finds that (i) the minor is mature enough and well enough informed to make her abortion decision, in consultation with her physician, independent of the wishes of any authorized person, or (ii) the minor is not mature enough or well enough informed to make such decision, but the desired abortion would be in her best interest.

If the judge authorizes an abortion based on the best interests of the minor, such order shall expressly state that such authorization is subject to the physician or his agent giving notice of intent to perform the abortion; however, no such notice shall be required if the judge finds that such notice would not be in the best interest of the minor. In determining whether notice is in the best interest of the minor, the judge shall consider the totality of the circumstances; however, he shall find that notice is not in the best interest of the minor if he finds that (i) one or more authorized persons with whom the minor regularly and customarily resides is abusive or neglectful, and (ii) every other authorized person, if any, is either abusive or neglectful or has refused to accept responsibility as parent, legal guardian, custodian or person standing in loco parentis.

The minor may participate in the court proceedings on her own behalf, and the court may appoint a guardian ad litem for the minor. The court shall advise the minor that she has a right to counsel and shall, upon her request, appoint counsel for her.

Notwithstanding any other provision of law, the provisions of this subsection shall govern proceedings relating to consent for a minor's abortion. Court proceedings under this subsection and records of such proceedings shall be confidential. Such proceedings shall be given precedence over other pending matters so that the court may reach a decision promptly and without delay in order to serve the best interests of the minor. Court proceedings under this subsection shall be heard and decided as soon as practicable but in no event later than four days after the petition is filed.

An expedited confidential appeal to the circuit court shall be available to any minor for whom the court denies an order authorizing an abortion without consent or without notice. Any such appeal shall be heard and decided no later than five days after the appeal is filed. The time periods required by this subsection shall be subject to subsection B of § 1-210. An order authorizing an abortion without consent or without notice shall not be subject to appeal.

No filing fees shall be required of the minor at trial or upon appeal.

183 If either the original court or the circuit court fails to act within the time periods required by this
184 subsection, the court before which the proceeding is pending shall immediately authorize a physician to
185 perform the abortion without consent of or notice to an authorized person.

186 Nothing contained in this subsection shall be construed to authorize a physician to perform an
187 abortion on a minor in circumstances or in a manner that would be unlawful if performed on an adult
188 woman.

189 A physician shall not knowingly perform an abortion upon an unemancipated minor unless consent
190 has been obtained or the minor delivers to the physician a court order entered pursuant to this section
191 and the physician or his agent provides such notice as such order may require. However, neither consent
192 nor judicial authorization nor notice shall be required if the minor declares that she is abused or
193 neglected and the attending physician has reason to suspect that the minor may be an abused or
194 neglected child as defined in § 63.2-100 and reports the suspected abuse or neglect in accordance with
195 § 63.2-1509; or if there is a medical emergency, in which case the attending physician shall certify the
196 facts justifying the exception in the minor's medical record.

197 For purposes of this subsection:

198 "Authorization" means the minor has delivered to the physician a notarized, written statement signed

202 (ii) a person standing in loco parentis, including, but not limited to, a grandparent or adult sibling with
203 whom the minor regularly and customarily resides and who has care and control of the minor. Any
204 person who knows he is not an authorized person and who knowingly and willfully signs an
205 authorization statement consenting to an abortion for a minor is guilty of a Class 3 misdemeanor.

206 "Consent" means that (i) the physician has given notice of intent to perform the abortion and has
207 received authorization from an authorized person, or (ii) at least one authorized person is present with
208 the minor seeking the abortion and provides written authorization to the physician, which shall be
209 witnessed by the physician or an agent thereof. In either case, the written authorization shall be
210 incorporated into the minor's medical record and maintained as a part thereof.

211 "Medical emergency" means any condition which, on the basis of the physician's good faith clinical
212 judgment, so complicates the medical condition of the pregnant minor as to necessitate the immediate
213 abortion of her pregnancy to avert her death or for which a delay will create a serious risk of substantial
214 and irreversible impairment of a major bodily function.

215 "Notice of intent to perform the abortion" means that (i) the physician or his agent has given actual
216 notice of his intention to perform such abortion to an authorized person, either in person or by
217 telephone, at least 24 hours previous to the performance of the abortion; or (ii) the physician or his
218 agent, after a reasonable effort to notify an authorized person, has mailed notice to an authorized person
219 by certified mail, addressed to such person at his usual place of abode, with return receipt requested, at
220 least 72 hours prior to the performance of the abortion.

221 "Perform an abortion" means to interrupt or terminate a pregnancy by any surgical or nonsurgical
222 procedure or to induce a miscarriage as provided in § 18.2-72, 18.2-73, or 18.2-74.

223 "Unemancipated minor" means a minor who has not been emancipated by (i) entry into a valid
224 marriage, even though the marriage may have been terminated by dissolution; (ii) active duty with any
225 of the Armed Forces of the United States; (iii) willingly living separate and apart from his or her
226 parents or guardian, with the consent or acquiescence of the parents or guardian; or (iv) entry of an
227 order of emancipation pursuant to Article 15 (§ 16.1-331 et seq.).

228 X. Petitions filed pursuant to Article 17 (§ 16.1-349 et seq.) relating to standby guardians for minor
229 children.

230 *Y. Petitions involving minors filed pursuant to § 32.1-45.1 relating to obtaining a blood specimen or*
231 *test results.*

232 The ages specified in this law refer to the age of the child at the time of the acts complained of in
233 the petition.

234 Notwithstanding any other provision of law, no fees shall be charged by a sheriff for the service of
235 any process in a proceeding pursuant to subdivision A 3, except as provided in subdivision A 6 of
236 § 17.1-272, or subsection B, D, M, or R.

237 Notwithstanding the provisions of § 18.2-71, any physician who performs an abortion in violation of
238 subsection W shall be guilty of a Class 3 misdemeanor.

242 of a health care provider, is directly exposed to body fluids of a patient in a manner that may, according
243 to the then current guidelines of the Centers for Disease Control and Prevention, transmit human
244 immunodeficiency virus or hepatitis B or C viruses, the patient whose body fluids were involved in the

exposure shall be deemed to have consented to testing for infection with human immunodeficiency virus or hepatitis B or C viruses. Such patient shall also be deemed to have consented to the release of such test results to the person who was exposed. In other than emergency situations, it shall be the responsibility of the health care provider to inform patients of this provision prior to providing them with health care services which create a risk of such exposure.

B. Whenever any patient is directly exposed to body fluids of a health care provider, or of any person employed by or under the direction and control of a health care provider, in a manner that may, according to the then current guidelines of the Centers for Disease Control and Prevention, transmit human immunodeficiency virus or hepatitis B or C viruses, the person whose body fluids were involved in the exposure shall be deemed to have consented to testing for infection with human immunodeficiency virus or hepatitis B or C viruses. The Department of Health shall provide appropriate counseling and opportunity for face-to-face disclosure of any test results to any such person.

E. Whenever any law-enforcement officer, salaried or volunteer firefighter, or salaried or volunteer emergency medical services provider is directly exposed to body fluids of a person in a manner that may, according to the then current guidelines of the Centers for Disease Control and Prevention, transmit human immunodeficiency virus or hepatitis B or C viruses, the person whose body fluids were involved in the exposure shall be deemed to have consented to testing for infection with human immunodeficiency virus or hepatitis B or C viruses. Such person shall also be deemed to have consented to the release of such test results to the person who was exposed.

F. Whenever a person is directly exposed to the body fluids of a law-enforcement officer, salaried or volunteer firefighter, or salaried or volunteer emergency medical services provider in a manner that may, according to the then current guidelines of the Centers for Disease Control and Prevention, transmit human immunodeficiency virus or hepatitis B or C viruses, the person whose body fluids were involved in the exposure shall be deemed to have consented to testing for infection with human immunodeficiency virus or hepatitis B or C viruses. The law-enforcement officer, salaried or volunteer firefighter, or salaried or volunteer emergency medical services provider shall also be deemed to have consented to the release of such test results to the person who was exposed.

G. Such person shall also be deemed to have consented to the release of such test results to the school board employee who was exposed. If the person whose blood specimen is sought for testing is a minor, the parent, guardian, or person standing in loco parentis of such minor shall be notified prior to initiating such testing. In other than emergency situations, it shall be the responsibility of the school board employee to inform the person of this provision prior to the contact that creates a risk of such exposure.

I. Whenever any person is directly exposed to the body fluids of a school board employee in a manner that may, according to the then current guidelines of the Centers for Disease Control and Prevention, transmit human immunodeficiency virus or hepatitis B or C viruses, the school board employee whose body fluids were involved in the exposure shall be deemed to have consented to testing for infection with human immunodeficiency virus or hepatitis B or C viruses. The school board employee shall also be deemed to have consented to the release of such test results to the person.

J. For the purposes of this section, "school board employee" means a person who is both (i) acting in

the course of employment at the time of such exposure and (ii) employed by any local school board in the Commonwealth.
