Referred to Committee on Education

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding in Chapter 21 of Title 23.1 a section numbered 23.1-2104 as follows:

§ 23.1-2104. Authority to establish Radford University-Roanoke Division.

A. In recognition of the fact that maintaining an innovative academic health center in Roanoke addresses the increased health care training needs in the Commonwealth, the board may establish the Radford University-Roanoke Division (the Division) through the acquisition of Jefferson College of Health Sciences, a nonprofit private institution wholly owned and operated by Carilion Clinic.

B. Upon establishment of the Division, the board may (i) exercise the same powers with respect to the operation of the Division as are vested in the board regarding the University and (ii) offer at the Division all programs of instruction offered by Jefferson College of Health Sciences at the time of acquisition, including associate-degree programs, provided, however, that the board shall cease to offer such associate-degree programs at the Division in the event that the Council approves an associate-degree-granting institution to offer such associate-degree programs in the Roanoke region.

C. Notwithstanding any other provision of law, the University may award merit-based and need-based institutional aid to students enrolled at the Division in a manner that is consistent with practices at the former Jefferson College of Health Sciences.
