§ 59.1-510. Definitions; rule of construction.

As used in this chapter:

"Established business relationship" means a relationship between the called person and the person on whose behalf the telephone solicitation call is being made *or initiated* based on: (i) the called person's purchase from, or transaction with, the person on whose behalf the telephone solicitation call is being made *or initiated* within the 18 months immediately preceding the date of the call or (ii) the called person's inquiry or application regarding any property, good, or service offered by the person on whose behalf the telephone solicitation call is being made *or initiated* within the three months immediately preceding the date of the call.

"Personal relationship" means the relationship between a telephone solicitor making *or initiating* a telephone solicitation call and any family member, friend, or acquaintance of that telephone solicitor.

"Responsible person" means either or both of a (i) telephone solicitor or (ii) a seller if the telephone solicitation call offering or advertising the seller's property, goods, or services is presumed to have been made *or initiated* on behalf of or for the benefit of the seller and the presumption is not rebutted as provided in subsection B of § 59.1-514.1.

"Seller" means any person on whose behalf or for whose benefit a telephone solicitation call offering or advertising the person's property, goods, or services is made *or initiated*.

"Telephone solicitation call" means any telephone call made *or initiated* to any natural person's residence in the Commonwealth, or to any wireless telephone with a Virginia area code *or to a wireless telephone registered to any natural person who is a resident of the Commonwealth*, for the purpose of offering or advertising any property, goods, or services for sale, lease, license, or investment, including offering or advertising an extension of credit.
