1. Income derived from obligations, or on the sale or exchange of obligations, of the United States and on obligations or securities of any authority, commission, or instrumentality of the United States to the extent exempt from state income taxes under the laws of the United States, including, but not limited to, stocks, bonds, treasury bills, and treasury notes but not including interest on refunds of federal taxes, interest on equipment purchase contracts, or interest on other normal business transactions.

2. Income derived from obligations, or on the sale or exchange of obligations, of the Commonwealth or of any political subdivision or instrumentality of the Commonwealth.

3. Benefits received under Title II of the Social Security Act and other benefits subject to federal income taxation solely pursuant to § 86 of the Internal Revenue Code.

4. Up to \$20,000 of disability income, as defined in § 22(c)(2)(B)(iii) of the Internal Revenue Code; however, any person who claims a deduction under subdivision 5 of § 58.1-322.03 may not also claim a subtraction under this subdivision.

67 property or the easement thereto being devoted to open-space use, as that term is defined in §
68 58.1-3230, for a period of time not less than 30 years. To the extent that a subtraction is taken in
69 accordance with this subdivision, no tax credit under this chapter for donating land for its preservation
70 shall be allowed for three years following the year in which the subtraction is taken.

71 15. Fifteen thousand dollars of military basic pay for military service personnel on extended active
72 duty for periods in excess of 90 days; however, the subtraction amount shall be reduced dollar-for-dollar
73 by the amount by which the taxpayer's military basic pay exceeds \$15,000 and shall be reduced to zero
74 if such military basic pay amount is equal to or exceeds \$30,000.

75 16. The first \$15,000 of salary for each federal and state employee whose total annual salary from all

77 17. Unemployment benefits taxable pursuant to § 85 of the Internal Revenue Code.

78 18. Any amount received as military retirement income by an individual awarded the Congressional
79 Medal of Honor.

80 19. Items of income attributable to, derived from, or in any way related to (i) assets stolen from,
81 hidden from, or otherwise lost by an individual who was a victim or target of Nazi persecution or (ii)
82 damages, reparations, or other consideration received by a victim or target of Nazi persecution to
83 compensate such individual for performing labor against his will under the threat of death, during World
84 War II and its prelude and direct aftermath. This subtraction shall not apply to assets acquired with such
85 items of income or with the proceeds from the sale of assets stolen from, hidden from, or otherwise lost
86 to, during World War II and its prelude and direct aftermath, a victim or target of Nazi persecution. The
87 provisions of this subdivision shall only apply to an individual who was the first recipient of such items
88 of income and who was a victim or target of Nazi persecution, or a spouse, widow, widower, or child or
89 stepchild of such victim.

90 As used in this subdivision:

91 "Nazi regime" means the country of Nazi Germany, areas occupied by Nazi Germany, those
92 European countries allied with Nazi Germany, or any other neutral European country or area in Europe
93 under the influence or threat of Nazi invasion.

94 "Victim or target of Nazi persecution" means any individual persecuted or targeted for persecution by
95 the Nazi regime who had assets stolen from, hidden from, or otherwise lost as a result of any act or

97 (iii) transactions with or actions of the Nazi regime, (iv) treatment of refugees fleeing Nazi persecution,
98 or (v) the holding of such assets by entities or persons in the Swiss Confederation during World War II
99 and its prelude and aftermath. A "victim or target of Nazi persecution" also includes any individual
100 forced into labor against his will, under the threat of death, during World War II and its prelude and
101 direct aftermath.

102 20. The military death gratuity payment made after September 11, 2001, to the survivor of deceased
103 military personnel killed in the line of duty, pursuant to 10 U.S.C. Chapter 75; however, the subtraction
104 amount shall be reduced dollar-for-dollar by the amount that the survivor may exclude from his federal
105 gross income in accordance with § 134 of the Internal Revenue Code.

106 21. The death benefit payments from an annuity contract that are received by a beneficiary of such
107 contract, provided that (i) the death benefit payment is made pursuant to an annuity contract with an
108 insurance company and (ii) the death benefit payment is paid solely by lump sum. The subtraction under
109 this subdivision shall be allowed only for that portion of the death benefit payment that is included in
110 federal adjusted gross income.

111 22. Any gain recognized from the sale of launch services to space flight participants, as defined in
112 49 U.S.C. § 70102, or launch services intended to provide individuals with the training or experience of
113 a launch, without performing an actual launch. To qualify for a deduction under this subdivision, launch
114 services must be performed in Virginia or originate from an airport or spaceport in Virginia.

115 23. Any gain recognized as a result of resupply services contracts for delivering payload, as defined
116 in 49 U.S.C. § 70102, entered into with the Commercial Orbital Transportation Services division of the
117 National Aeronautics and Space Administration or other space flight entity, as defined in § 8.01-227.8,
118 and launched from an airport or spaceport in Virginia.

119 24. Any income taxed as a long-term capital gain for federal income tax purposes, or any income
120 taxed as investment services partnership interest income (otherwise known as investment partnership

121 carried interest income) for federal income tax purposes. To qualify for a subtraction under this
 122 subdivision, such income shall be attributable to an investment in a "qualified business," as defined in
 123 § 58.1-339.4, or in any other technology business approved by the Secretary of Technology, provided
 124 that the business has its principal office or facility in the Commonwealth and less than \$3 million in
 125 annual revenues in the fiscal year prior to the investment. To qualify for a subtraction under this
 126 subdivision, the investment shall be made between the dates of April 1, 2010, and June 30, 2020. No
 127 taxpayer who has claimed a tax credit for an investment in a "qualified business" under § 58.1-339.4
 128 shall be eligible for the subtraction under this subdivision for an investment in the same business.

129 25. For taxable years beginning on and after January 1, 2014, any income of an account holder for
 130 the taxable year taxed as (i) a capital gain for federal income tax purposes attributable to such person's
 131 first-time home buyer savings account established pursuant to Chapter 32 (§ 55-555 et seq.) of Title 55
 132 and (ii) interest income or other income for federal income tax purposes attributable to such person's
 133 first-time home buyer savings account.

134 Notwithstanding the statute of limitations on assessments contained in § 58.1-312, any subtraction
 135 taken under this subdivision shall be subject to recapture in the taxable year or years in which moneys
 136 or funds withdrawn from the first-time home buyer savings account were used for any purpose other
 137 than the payment of eligible costs by or on behalf of a qualified beneficiary, as provided under
 138 § 55-558. The amount subject to recapture shall be a portion of the amount withdrawn in the taxable
 139 year that was used for other than the payment of eligible costs, computed by multiplying the amount
 140 withdrawn and used for other than the payment of eligible costs by the ratio of the aggregate earnings in
 141 the account at the time of the withdrawal to the total balance in the account at such time.

142 However, recapture shall not apply to the extent of moneys or funds withdrawn that were (i)
 143 withdrawn by reason of the qualified beneficiary's death or disability; (ii) a disbursement of assets of the
 144 account pursuant to a filing for protection under the United States Bankruptcy Code, 11 U.S.C. §§ 101
 145 through 1330; or (iii) transferred from an account established pursuant to Chapter 32 (§ 55-555 et seq.)
 146 of Title 55 into another account established pursuant to such chapter for the benefit of another qualified
 147 beneficiary.

148 For purposes of this subdivision, "account holder," "eligible costs," "first-time home buyer savings
 149 account," and "qualified beneficiary" mean the same as those terms are defined in § 55-555.

150 26. For taxable years beginning on and after January 1, 2015, any income for the taxable year
 151 attributable to the discharge of a student loan solely by reason of the student's death. For purposes of
 152 this subdivision, "student loan" means the same as that term is defined under § 108(f) of the Internal
 153 Revenue Code.

154 27. a. Income, including investment services partnership interest income (otherwise known as
 155 investment partnership carried interest income), attributable to an investment in a Virginia venture
 156 capital account. To qualify for a subtraction under this subdivision, the investment shall be made on or
 157 after January 1, 2018, but before December 31, 2023. No subtraction shall be allowed under this
 158 subdivision for an investment in a company that is owned or operated by a family member or an
 159 affiliate of the taxpayer. No subtraction shall be allowed under this subdivision for a taxpayer who has
 160 claimed a subtraction under subdivision 24 or a tax credit under § 58.1-339.4 for the same investment.

161 b. As used in this subdivision 27:

162 "Qualified portfolio company" means a company that (i) has its principal place of business in the
 163 Commonwealth; (ii) has a primary purpose of production, sale, research, or development of a product or
 164 service other than the management or investment of capital; and (iii) provides equity in the company to
 165 the Virginia venture capital account in exchange for a capital investment. "Qualified portfolio company"
 166 does not include a company that is an individual or sole proprietorship.

167 "Virginia venture capital account" means an investment fund that has been certified by the
 168 Department as a Virginia venture capital account. In order to be certified as a Virginia venture capital
 169 account, the operator of the investment fund shall register the investment fund with the Department prior
 170 to December 31, 2023, (i) indicating that it intends to invest at least 50 percent of the capital committed
 171 to its fund in qualified portfolio companies and (ii) providing documentation that it employs at least one
 172 investor who has at least four years of professional experience in venture capital investment or
 173 substantially equivalent experience. "Substantially equivalent experience" includes, but is not limited to,
 174 an undergraduate degree from an accredited college or university in economics, finance, or a similar
 175 field of study. The Department may require an investment fund to provide documentation of the
 176 investor's training, education, or experience as deemed necessary by the Department to determine
 177 substantial equivalency. If the Department determines that the investment fund employs at least one
 178 investor with the experience set forth herein, the Department shall certify the investment fund as a
 179 Virginia venture capital account at such time as the investment fund actually invests at least 50 percent
 180 of the capital committed to its fund in qualified portfolio companies.

181 28. a. Income attributable to an investment in a Virginia real estate investment trust. To qualify for a

182 subtraction under this subdivision, the investment shall be made on or after January 1, 2019, but before
183 December 31, 2024. No subtraction shall be allowed for an investment in a trust that is managed by a
184 family member or an affiliate of the taxpayer. No subtraction shall be allowed under this subdivision for
185 a taxpayer who has claimed a subtraction under subdivision 24 or 27 or a tax credit under § 58.1-339.4
186 for the same investment.

187 b. As used in this subdivision 28:

188 "Distressed" means satisfying the criteria applicable to a locality described in subdivision E 2 of
189 § 2.2-115.

190 "Double distressed" means satisfying the criteria applicable to a locality described in subdivision E 3
191 of § 2.2-115.

192 "Virginia real estate investment trust" means a real estate investment trust, as defined in 26 U.S.C.
193 § 856, that has been certified by the Department as a Virginia real estate investment trust. In order to be
194 certified as a Virginia real estate investment trust, the trustee shall register the trust with the Department
195 prior to December 31, 2024, indicating that it intends to invest at least 90 percent of trust funds in
196 Virginia and at least 40 percent of trust funds in real estate in localities that are distressed or double
197 distressed. If the Department determines that the trust satisfies the preceding criteria, the Department
198 shall certify the trust as a Virginia real estate investment trust at such time as the trust actually invests
199 at least 90 percent of trust funds in Virginia and at least 40 percent of trust funds in real estate in
200 localities that are distressed or double distressed.
