§ 24.2-653. Voter whose name does not appear on pollbook or who is marked as having voted; handling of provisional ballots; ballots cast after normal close of polls due to court order extending polling hours.

A. When a person offers to vote pursuant to § 24.2-652 and the general registrar is not available or cannot state that the person is registered to vote, then such person shall be allowed to vote by printed ballot in the manner provided in this section. This procedure shall also apply when required by § 24.2-643 or 24.2-651.1.

Such person shall be given a printed ballot and provide, subject to the penalties for making false statements pursuant to § 24.2-1016, on a green envelope supplied by the Department of Elections, the identifying information required on the envelope, including the last four digits of his social security number, if any, full name including the maiden or any other prior legal name, date of birth, complete address, and signature. Such person shall be asked to present one of the forms of identification specified in subsection B of § 24.2-643. The officers of election shall note on the green envelope whether or not the voter has presented one of the specified forms of identification. The officers of election shall enter the appropriate information for the person in the precinct provisional ballots log in accordance with the instructions of the State Board but shall not enter a consecutive number for the voter on the pollbook nor otherwise mark his name as having voted. The officers of election shall provide an application for registration to the person offering to vote in the manner provided in this section.

183 The voter shall then, in the presence of an officer of election, but in a secret manner, mark the
184 printed ballot as provided in § 24.2-644 and seal it in the green envelope. The envelope containing the
185 ballot shall then promptly be placed in the ballot container by an officer of election.

186 An officer of election, by a written notice given to the voter, shall (i) inform him that a
187 determination of his right to vote shall be made by the electoral board, (ii) advise the voter of the
188 beginning time and place for the board's meeting and of the voter's right to be present at that meeting,
189 and (iii) inform a voter voting provisionally when required by § 24.2-643 that he may submit a copy of
190 one of the forms of identification specified in subsection B of § 24.2-643 to the electoral board by
191 facsimile, electronic mail, in-person submission, or timely United States Postal Service or commercial
192 mail delivery, to be received by the electoral board no later than noon on the third day after the
193 election. At the meeting, the voter may request an extension of the determination of the provisional vote
194 in order to provide information to prove that the voter is entitled to vote in the precinct pursuant to
195 § 24.2-401. The electoral board shall have the authority to grant such extensions which it deems
196 reasonable to determine the status of a provisional vote.

197 B. The provisional votes submitted pursuant to subsection A, in their unopened envelopes, shall be
198 sealed in a special envelope marked "Provisional Votes," inscribed with the number of envelopes
199 contained therein, and signed by the officers of election who counted them. All provisional votes
200 envelopes shall be delivered either (i) to the clerk of the circuit court who shall deliver all such
201 envelopes to the secretary of the electoral board or (ii) to the general registrar in localities in which the
202 electoral board has directed delivery of election materials to the general registrar pursuant to § 24.2-668.

203 The electoral board shall meet on the day following the election and determine whether each person
204 having submitted such a provisional vote was entitled to do so as a qualified voter in the precinct in
205 which he offered the provisional vote. If the board is unable to determine the validity of all the
206 provisional ballots offered in the election, or has granted any voter who has offered a provisional ballot
207 an extension as provided in subsection A, the meeting shall stand adjourned, not to exceed seven
208 calendar days from the date of the election, until the board has determined the validity of all provisional
209 ballots offered in the election.

210 One authorized representative of each political party or independent candidate in a general or special
211 election or one authorized representative of each candidate in a primary election shall be permitted to
212 remain in the room in which the determination is being made as an observer so long as he does not
213 participate in the proceedings and does not impede the orderly conduct of the determination. Each
214 authorized representative shall be a qualified voter of any jurisdiction of the Commonwealth. Each
215 representative, who is not himself a candidate or party chairman, shall present to the electoral board a
216 written statement designating him to be a representative of the party or candidate and signed by the
217 county or city chairman of his political party, the independent candidate, or the primary candidate, as
218 appropriate. If the county or city chairman is unavailable to sign such a written designation, such a
219 designation may be made by the state or district chairman of the political party. However, no written
220 designation made by a state or district chairman shall take precedence over a written designation made
221 by the county or city chairman. Such statement, bearing the chairman's or candidate's original signature,
222 may be photocopied and such photocopy shall be as valid as if the copy had been signed.

223 Notwithstanding the provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.),
224 attendance at meetings of the electoral board to determine the validity of provisional ballots shall be
225 permitted only for the authorized representatives provided for in this subsection, for the persons whose
226 provisional votes are being considered and their representative or legal counsel, and for appropriate staff
227 and legal counsel for the electoral board.

228 If the electoral board determines that such person was not entitled to vote as a qualified voter in the
229 precinct in which he offered the provisional vote, is unable to determine his right to vote, or has not
230 been provided one of the forms of identification specified in subsection B of § 24.2-643, the envelope
231 containing his ballot shall not be opened and his vote shall not be counted. The provisional vote shall be
232 counted if (a) such person is entitled to vote in the precinct pursuant to § 24.2-401 or (b) the
233 Department of Elections or the voter presents proof that indicates the voter submitted an application for
234 registration to the Department of Motor Vehicles or other a state-designated voter registration agency or
235 the voter's information was transmitted by the Department of Motor Vehicles to the Department of
236 Elections pursuant to § 24.2-411.3 prior to the close of registration pursuant to § 24.2-416 and the
237 registrar determines that the person was qualified for registration based upon the application for
238 registration submitted by the person pursuant to subsection A. The general registrar shall notify in
239 writing pursuant to § 24.2-114 those persons found not properly registered or whose provisional vote
240 was not counted.

241 If the electoral board determines that such person was entitled to vote, the name of the voter shall be
242 entered in a provisional votes pollbook and marked as having voted, the envelope shall be opened, and
243 the ballot placed in a ballot container without any inspection further than that provided for in
244 § 24.2-646.

On completion of its determination, the electoral board shall proceed to count such ballots and certify the results of its count. Its certified results shall be added to those found pursuant to § 24.2-671. No adjustment shall be made to the statement of results for the precinct in which the person offered to vote. However, any voter who cast a provisional ballot and is determined by the electoral board to have been entitled to vote shall have his name included on the list of persons who voted that is submitted to the Department of Elections pursuant to § 24.2-406.

The certification of the results of the count together with all ballots and envelopes, whether open or unopened, and other related material shall be delivered by the electoral board to the clerk of the circuit court and retained by him as provided for in §§ 24.2-668 and 24.2-669.

C. Whenever the polling hours are extended by an order of a court of competent jurisdiction, any ballots marked after the normal polling hours by persons who were not already in line at the time the polls would have closed, notwithstanding the court order, shall be treated as provisional ballots under this section. The officers of election shall mark the green envelope for each such provisional ballot to indicate that it was cast after normal polling hours due to the court order, and when preparing the materials to deliver to the registrar or electoral board, shall separate these provisional ballots from any provisional ballots used for any other reason. The electoral board shall treat these provisional ballots as provided in subsection B; however, the counted and uncounted provisional ballots marked after the normal polling hours shall be kept separate from all other ballots and recorded in a separate provisional ballots pollbook. The Department of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to this section.

2. That § 24.2-411.1 of the Code of Virginia is repealed.
