Be it enacted by the General Assembly of Virginia:

1. That §§ 24.2-404, 24.2-411.1, 24.2-643, and 24.2-701 of the Code of Virginia are amended and reenacted as follows:

§ 24.2-404. Duties of Department of Elections.

A. The Department of Elections shall provide for the continuing operation and maintenance of a central recordkeeping system, the Virginia voter registration system, for all voters registered in the Commonwealth.

In order to operate and maintain the system, the Department shall:

1. Maintain a complete, separate, and accurate record of all registered voters in the Commonwealth.
2. Require the general registrars to enter the names of all registered voters into the system and to change or correct registration records as necessary.

3. Provide to each general registrar, voter confirmation documents for newly registered voters and for notice to registered voters on the system of changes and corrections in their registration records and polling places and voter photo identification cards containing the voter's photograph and signature for free for those voters who do not have one of the forms of identification specified in subsection B of § 24.2-643. The Department shall promulgate rules and regulations authorizing each general registrar to obtain a photograph and signature of a voter who does not have one of the forms of identification specified in subsection B of § 24.2-643 for the purpose of providing such voter a voter photo identification card containing the voter's photograph and signature. The Department shall provide each general registrar with the equipment necessary to obtain a voter's signature and photograph and no general registrar shall be required to purchase such equipment at his own expense. Photographs and signatures obtained by a general registrar shall be submitted to the Department. The Department may contract with an outside vendor for the production and distribution of voter photo identification cards.

4. Require the general registrars to delete from the record of registered voters the name of any voter who (i) is deceased, (ii) is no longer qualified to vote in the county or city where he is registered due to removal of his residence, (iii) has been convicted of a felony, (iv) has been adjudicated incapacitated, (v) is known not to be a United States citizen by reason of reports from the Department of Motor Vehicles pursuant to § 24.2-410.1 or from the Department of Elections based on information received from the Systematic Alien Verification for Entitlements Program (SAVE Program) pursuant to subsection E, or (vi) is otherwise no longer qualified to vote as may be provided by law. Such action shall be taken no later than 30 days after notification from the Department. The Department shall promptly provide the information referred to in this subdivision, upon receiving it, to general registrars.

5. Retain on the system for four years a separate record for registered voters whose names have been deleted, with the reason for deletion.

6. Retain on the system permanently a separate record for information received regarding deaths, felony convictions, and adjudications of incapacity pursuant to §§ 24.2-408 through 24.2-410.

7. Provide to each general registrar, at least 16 days prior to a general or primary election and three days prior to a special election, an alphabetical list of all registered voters in each precinct or portion of a precinct in which the election is being held in the county, city, or town. These precinct lists shall be used as the official lists of qualified voters and shall constitute the pollbooks. The Department shall provide instructions for the division of the pollbooks and precinct lists into sections to accommodate the efficient processing of voter lines at the polls. Prior to any general, primary, or special election, the Department shall provide any general registrar, upon his request, with a separate electronic list of all registered voters in the registrar's county or city. If electronic pollbooks are used in the locality or electronic voter registration inquiry devices are used in precincts in the locality, the Department shall provide a regional or statewide list of registered voters to the general registrar of the locality. The Department shall determine whether regional or statewide data is provided. Neither the pollbook nor the regional or statewide list of registered voters shall include the day and month of birth of the voter, but shall include the voter's year of birth.

61 9. Use any source of information that may assist in carrying out the purposes of this section. All

65 Election Officer of another state for the maintenance of the voter registration system.

66 10. Cooperate with other states and jurisdictions to develop systems to compare voters, voter history,
67 and voter registration lists to ensure the accuracy of the voter registration rolls, to identify voters whose
68 addresses have changed, to prevent duplication of registration in more than one state or jurisdiction, and
69 to determine eligibility of individuals to vote in Virginia.

70 11. Reprint and impose a reasonable charge for the sale of any part of Title 24.2, lists of precincts
71 and polling places, statements of election results by precinct, and any other items required of the
72 Department by law. Receipts from such sales shall be credited to the Board for reimbursement of
73 printing expenses.

74 B. The Department shall be authorized to provide for the production, distribution, and receipt of

77 seq.) shall not apply to records about individuals maintained in this system.

78 C. The State Board shall institute procedures to ensure that each requirement of this section is
79 fulfilled. As part of its procedures, the State Board shall provide that the general registrar shall mail
80 notice of any cancellation pursuant to clause (v) of subdivision A 4 to the person whose registration is
81 cancelled.

82 D. The State Board shall promulgate rules and regulations to ensure the uniform application of the
83 law for determining a person's residence.

84 E. The Department shall apply to participate in the Systematic Alien Verification for Entitlements
85 Program (SAVE Program) operated by U.S. Citizenship and Immigration Services of the U.S.
86 Department of Homeland Security for the purposes of verifying that voters listed in the Virginia voter
87 registration system are United States citizens. Upon approval of the application, the Department shall
88 enter into any required memorandum of agreement with U.S. Citizenship and Immigration Services. The
89 State Board shall promulgate rules and regulations governing the use of the immigration status and
90 citizenship status information received from the SAVE Program.

91 F. The Department shall report annually by October 1 for the preceding 12 months ending August 31
92 to the Committees on Privileges and Elections on each of its activities undertaken to maintain the
93 Virginia voter registration system and the results of those activities. The Department's report shall be
94 governed by the provisions of § 2.2-608 and shall encompass activities undertaken pursuant to

97 methodology used in gathering and analyzing the data. The Commissioner of Elections shall certify that

103 2. Apply for, replace, or renew a special identification card; or
104 3. Change an address on an existing driver's license or special identification card.

105 B. The method used to receive an application for voter registration shall avoid duplication of the
106 license portion of the license application and require only the minimum additional information necessary
107 to enable registrars to determine the voter eligibility of the applicant and to administer voter registration
108 and election laws. A person who does not sign the registration portion of the application shall be
109 deemed to have declined to register at that time. The voter application shall include a statement that, if
110 an applicant declines to register to vote, the fact the applicant has declined to register will remain
111 confidential and will be used only for voter registration purposes.

112 Each application form distributed under this section shall be accompanied by the following statement
113 featured prominently in boldface capital letters: "WARNING: INTENTIONALLY MAKING A
114 MATERIALLY FALSE STATEMENT ON THIS FORM CONSTITUTES THE CRIME OF ELECTION
115 FRAUD, WHICH IS PUNISHABLE UNDER VIRGINIA LAW AS A FELONY. VIOLATORS MAY
116 BE SENTENCED TO UP TO 10 YEARS IN PRISON, OR UP TO 12 MONTHS IN JAIL AND/OR
117 FINED UP TO \$2,500."

118 Any completed application for voter registration submitted by a person who is already registered
119 shall serve as a written request to update his registration record. Any change of address form submitted
120 for purposes of a motor vehicle driver's license or special identification card shall serve as notification

of change of address for voter registration for the registrant involved unless the registrant states on the form that the change of address is not for voter registration purposes. If the information from the notification of change of address for voter registration indicates that the registered voter has moved to another general registrar's jurisdiction within the Commonwealth, the notification shall be treated as a request for transfer from the registered voter. The notification and the registered voter's registration record shall be transmitted as directed by the Department of Elections to the appropriate general registrar who shall send confirmation documents of the transfer to the voter pursuant to § 24.2-424. The Department of Motor Vehicles and Department of Elections shall cooperate in the prompt transmittal by electronic or other means of the notification to the appropriate general registrar.

C. The completed voter registration portion of the application shall be transmitted as directed by the Department of Elections not later than five business days after the date of receipt. The Department of Motor Vehicles and Department of Elections shall cooperate in the prompt transmittal by electronic or other means of the voter registration portion of the application to the appropriate general registrar.

F. ~~The Department of Motor Vehicles shall provide assistance as required in providing voter photo identification cards as provided in subdivision A 3 of § 24.2-404.~~

§ 24.2-643. Qualified voter permitted to vote; procedures at polling place; voter identification.

A. After the polls are open, each qualified voter at a precinct shall be permitted to vote. The officers of election shall ascertain that a person offering to vote is a qualified voter before admitting him to the voting booth and furnishing an official ballot to him.

B. An officer of election shall ask the voter for his full name and current residence address and the voter may give such information orally or in writing. The officer of election shall repeat, in a voice audible to party and candidate representatives present, the full name and address provided by the voter. The officer shall ask the voter to present any one of the following forms of identification: *his voter confirmation documents; his valid Virginia driver's license, his valid United States passport, or any other photo identification issued by the Commonwealth, one of its political subdivisions, or the United States; any valid student identification card containing a photograph of the voter and issued by any institution of higher education located in the Commonwealth or any private school located in the Commonwealth; or any valid employee identification card containing a photograph of the voter and issued by an employer of the voter in the ordinary course of the employer's business; or a copy of a current utility bill, bank statement, government check, paycheck, or other government document containing the name and address of the voter.*

Any voter who does not show one of the forms of identification specified in this subsection shall be offered a provisional ballot under the provisions of § 24.2-653. The State Board of Elections shall provide an ID-ONLY provisional ballot envelope that requires no follow-up action by the registrar or electoral board other than matching submitted identification documents from the voter for the electoral board to make a determination on whether to count the ballot.

If the voter presents one of the forms of identification listed above, if his name is found on the pollbook in a form identical to or substantially similar to the name on the presented form of identification and the name provided by the voter, if he is qualified to vote in the election, and if no objection is made, an officer shall enter, opposite the voter's name on the pollbook, the first or next consecutive number from the voter count form provided by the State Board, or shall enter that the voter has voted if the pollbook is in electronic form; an officer shall provide the voter with the official ballot; and another officer shall admit him to the voting booth. If the current residence address provided by the voter is different from the address shown on the pollbook, the officer of election shall furnish the voter with a change of address form prescribed by the State Board. Upon its completion, the voter shall sign the prescribed form, subject to felony penalties for making false statements pursuant to § 24.2-1016, which the officer of election shall then place in an envelope provided for such forms for transmission to the general registrar who shall then transfer or cancel the registration of such voter pursuant to Chapter 4 (§ 24.2-400 et seq.).
