No sample may be consumed by any individual to whom alcoholic beverages may not lawfully be sold pursuant to § 4.1-304.

Notwithstanding the provision of this subsection to the contrary, an agent of the Board appointed pursuant to subsection D may give samples of spirits, beer, wine, or cider to persons to whom alcoholic beverages may be lawfully sold for on-premises consumption, provided that (i) the spirits, beer, wine, or cider samples are manufactured within the same licensed premises or on contiguous premises of such agent licensed as a distillery, brewery, or winery; (ii) no single sample shall exceed four ounces of beer, two ounces of wine or cider, or one-half ounce of spirits, unless served as a mixed beverage, in which case a single sample of spirits may contain up to one and one-half ounces of spirits; (iii) no more than four total samples of alcoholic beverage products or, in the case of spirits samples, no more than three ounces of spirits shall be given or sold to any person per day; and (iv) in the case of spirits samples, a method is used to track the consumption of each consumer. I. With respect to purchases by consumers at government stores, the Authority shall accept cash in payment for any purchase or series of purchases. The Board may adopt regulations which provide for accepting a credit card or debit card as payment. Such regulations may provide for the collection, where appropriate, of related fees, penalties and service charges for the use of a credit card or debit card by any consumer.

J. Before the Authority implements any increase in the markup on distilled spirits or any change to the markup formula for distilled spirits pursuant to § 4.1-235 that would result in an increase in the retail price of distilled spirits sold to the public, the Authority shall (i) provide at least 45 days' public notice before such a price increase takes effect; (ii) provide the opportunity for submission of written comments regarding the proposed price increase; (iii) conduct a public meeting for the purpose of receiving verbal comment regarding the proposed price increase; and (iv) consider any written or verbal comments before implementing such a price increase.
