3. Committee: General Laws

4. Title: Remote access to land records; fee; Department of General Services

5. Summary: This bill exempts the Department of General Services and the Department of Conservation and Recreation from paying the fee for remote access to land records.

6. Budget Amendment Necessary: No

7. Fiscal Impact Estimates: Indeterminate; See Item 8.

8. Fiscal Implications: The fiscal impact is indeterminate. This legislation would add the Department of General Services (DGS) and the Department of Conservation and Recreation (DCR) to the list of agencies currently exempt from paying any fees for remote access to land records maintained by circuit court clerks. DGS indicates that the agency currently requests paper copies to avoid paying fees and therefore would not experience any direct savings if this legislation were enacted. The agency will likely have some administrative cost efficiencies but any amount is currently indeterminate. DCR does not currently use these services and therefore will likely not experience any savings.

9. Specific Agency or Political Subdivisions Affected: Department of General Services, Department of Conservation and Recreation, and County Clerks of the Circuit Court

10. Technical Amendment Necessary: No
