

Department of Planning and Budget 2019 Fiscal Impact Statement

1. Bill Number: SB1233

House of Origin	<input checked="" type="checkbox"/>	Introduced	<input type="checkbox"/>	Substitute	<input type="checkbox"/>	Engrossed
Second House	<input type="checkbox"/>	In Committee	<input type="checkbox"/>	Substitute	<input type="checkbox"/>	Enrolled

2. Patron: Ebbin

3. Committee: General Laws and Technology

4. Title: Administration of government; prohibition on the use of products and services; Kaspersky Labs.

5. Summary: Prohibits public bodies from using products and services provided by Kaspersky Lab. The bill also requires the Virginia Information Technologies Agency to review statewide procedures for implementing such a prohibition and to prepare a report with recommendations for the Governor and General Assembly.

6. Budget Amendment Necessary: No

7. Fiscal Impact Estimates: Indeterminate; See Item 8

8. Fiscal Implications: The fiscal impact of this bill is indeterminate. The proposed legislation requires VITA to conduct a review of the procedures of all public bodies' process for compliance with the bill's prohibitions regarding the use of Kaspersky Lab's products, within a four-month time frame. The unbounded definition of "public bodies," combined with the November 2019 deadline create an administrative burden for VITA, however the exact costs cannot be determined. It is assumed that several contractors will need to be hired in order to contact the public bodies and complete the work in the timeframe allotted. Absent the authority for VITA to charge for this service, the costs would need to be absorbed by the general fund.

9. Specific Agency or Political Subdivisions Affected: VITA; all state agencies and public bodies as defined in the legislation

10. Technical Amendment Necessary: No

11. Other Comments: None
