2. Patron: Deeds

3. Committee: Passed Both Houses

4. Title: Commercial driver's licenses; entry-level driver training

5. Summary: This bill amends several statutes regarding the licensure of commercial motor vehicle drivers. The bill codifies federal regulatory requirements relating to the training and licensure of first time applicants for certain classifications of commercial driver's licenses and endorsements. The bill allows for lifetime disqualification of the commercial credentials for holders of commercial driver's licenses and commercial learner's permits for certain felony drug charges in compliance with current federal regulation. The bill authorizes certain exemptions for qualifying military personnel. Several provisions of the bill have delayed or contingent effective dates.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Final. See Item #8.

8. Fiscal Implications: This legislation will not result in a significant expenditure increase for the Department of Motor Vehicles. The staff hours required to implement the bill can be accomplished during the normal work schedules for DMV employees, given current workloads. DMV would be able to absorb this cost within its existing resources, assuming other legislative proposals with fiscal impacts to DMV are not passed. DMV's current fiscal outlook precludes funding the cumulative burden of implementing the programming and staffing requirements of multiple pieces of legislation without improved revenue streams.

9. Specific Agency or Political Subdivisions Affected: Department of Motor Vehicles.

10. Technical Amendment Necessary: No.

11. Other Comments: None.
