4. Title: Public School Assistance Fund and Program created.

5. Summary: Creates the Public School Assistance Fund and Program, to be administered by the Department of Education, for the purpose of providing grants to school boards to be used solely for the purpose of repairing or replacing the roofs of public elementary and secondary school buildings in the local school division. The bill permits any school board in the Commonwealth to apply for Program grants but requires the Department of Education to give priority in the award of grants to school boards that demonstrate the greatest need based on the condition of existing school building roofs and the ability to pay for the repair or replacement of such roofs.

6. Budget Amendment Necessary: No

7. Fiscal Impact Estimates: Preliminary. See Item 8.

8. Fiscal Implications: The additional state cost for the Public School Assistance Program cannot be determined, as any cost is dependent on the amount of funding appropriated by the General Assembly for such grants. The Department of Education anticipates that it can absorb any costs to administer the Public School Assistance Program as described by this bill.

9. Specific Agency or Political Subdivisions Affected: Department of Education, local school divisions

10. Technical Amendment Necessary: No
