If the judge authorizes an abortion based on the best interests of the minor, such order shall expressly state that such authorization is subject to the physician or his agent giving notice of intent to perform the abortion; however, no such notice shall be required if the judge finds that such notice would not be in the best interest of the minor. Notwithstanding any other provision of law, the provisions of this subsection shall govern proceedings relating to consent for a minor's abortion. Court proceedings under this subsection and records of such proceedings shall be confidential. Such proceedings shall be given precedence over other pending matters so that the court may reach a decision promptly and without delay in order to serve the best interests of the minor. Court proceedings under this subsection shall be heard and decided as soon as practicable but in no event later than four days after the petition is filed.

An expedited confidential appeal to the circuit court shall be available to any minor for whom the court denies an order authorizing an abortion without consent or without notice. Notwithstanding any other provision of law, no fees shall be charged by a sheriff for the service of any process in a proceeding pursuant to subdivision A 3, except as provided in subdivision A 6 of § 17.1-272, or subsection B, D, M, or R.

Notwithstanding the provisions of § 18.2-71, any physician who performs an abortion in violation of subsection W shall be guilty of a Class 3 misdemeanor.

The petition for review of the voluntary continuing services and support agreement and the program participant's case plan shall be filed by the local department of social services no later than 30 days after execution of the voluntary continuing services and support agreement. - 1. Determines whether remaining under the care and placement responsibility of the local department of social services is in the best interests of the program participant; and*
- 2. Approves or denies the program participant's case plan.*

In determining whether to approve or deny the program participant's case plan, the court shall consider whether the services and support provided under the case plan are sufficient to support the program participant's goal of achieving independence. If the court makes any revision to the case plan, a copy of such revisions shall be sent by the court to all persons who received a copy of the original case plan.

D. After the initial hearing, the court may close the case or schedule a subsequent hearing to be held within six months to review the program participant's case plan. Subsequent review hearings may be held at six-month or shorter intervals in the discretion of the court. The local department of social services shall file a petition for review of the program participant's case plan within 30 days prior to any such scheduled hearing. If a hearing was not previously scheduled, the court shall schedule a

If subsequent review hearings are not held by the court, the local department of social services shall conduct administrative reviews pursuant to § 63.2-923.
