Patrons—Lopez, Samirah, Simonds and Subramanyam

Referred to Committee on Agriculture, Chesapeake and Natural Resources

Be it enacted by the General Assembly of Virginia:

- 1. That §§ 10.1-1182 and 10.1-1183 of the Code of Virginia are amended and reenacted as follows:**
§ 10.1-1182. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Department" means the Department of Environmental Quality.

"Director" means the Director of the Department of Environmental Quality.

"Environment" means the natural, scenic, and historic attributes of the Commonwealth.

"Environmental justice" means the fair treatment and meaningful involvement of every person, regardless of race, color, national origin or income, in the development, implementation, and enforcement of environmental laws, regulations, and policies.

"Special order" means an administrative order issued to any party that has a stated duration of not more than twelve months and that may include a civil penalty of not more than \$10,000.

§ 10.1-1183. Creation of Department of Environmental Quality; statement of policy.

A. There is hereby created a Department of Environmental Quality by the consolidation of the programs, functions, staff, facilities, assets, and obligations of the following agencies: the State Water Control Board, the Department of Air Pollution Control, the Department of Waste Management, and the Council on the Environment. Wherever in this title and in the Code of Virginia reference is made to the Department of Air Pollution Control, the Department of Waste Management, or the Council on the Environment, or any division thereof, it shall mean the Department of Environmental Quality.

B. It shall be is the policy of the Department of Environmental Quality to protect the environment of Virginia in order to promote the health and well-being of the Commonwealth's citizens. The purposes of the Department are:

1. To assist in the effective implementation of the Constitution of Virginia by carrying out state policies aimed at conserving the Commonwealth's natural resources and protecting its atmosphere, land, and waters from pollution.

2. To coordinate permit review and issuance procedures to protect all aspects of Virginia's environment.

3. To further environmental justice and enhance public participation in the regulatory and permitting processes.

4. To establish and effectively implement a pollution prevention program to reduce the impact of pollutants on Virginia's natural resources.

5. To establish procedures for, and undertake, long-range environmental program planning and policy analysis.

6. To conduct comprehensive evaluations of the Commonwealth's environmental protection programs.

7. To develop uniform administrative systems to ensure coherent environmental policies.

8. To coordinate state reviews with federal agencies on environmental issues, such as environmental impact statements.

9. To promote environmental quality through public hearings and expeditious and comprehensive permitting, inspection, monitoring, and enforcement programs, and provide effective service delivery to the regulated community.

10. To advise the Governor and General Assembly, and, on request, assist other officers, employees, and public bodies of the Commonwealth, on matters relating to environmental quality and the effectiveness of actions and programs designed to enhance that quality.

11. To ensure that there is consistency in the enforcement of the laws, regulations, and policies as they apply to holders of permits or certificates issued by the Department, whether the owners or operators of such regulated facilities are public sector or private sector entities, including the development of electronic recordkeeping and document transmittal systems that encourage the use of electronic methods in performing the Department's business as a means of furthering both resource conservation and transaction efficiency. ~~To serve that end, wherever~~
