61 Offender Registry Files, at the time of issuance of a driver's license, temporary driver's permit, learner's
62 permit, or motorcycle learner's permit. Whenever it appears from the records of the State Police that a
63 person has failed to comply with the duty to register or reregister pursuant to Chapter 9 (§ 9.1-900 et
64 seq.) of Title 9.1, the State Police shall promptly investigate and, if there is probable cause to believe a
65 violation has occurred, obtain a warrant or assist in obtaining an indictment charging a violation of
66 § 18.2-472.1 in the jurisdiction in which the person made application of licensure.

67 **§ 46.2-324. Applicants and license holders to notify Department of change of address; fee.**

68 A. Whenever any person, after applying for or obtaining a driver's license or special identification
69 card shall move from the address shown in the application or on the license or special identification
70 card, he shall, within 30 days, notify the Department of his change of address. If the Department
71 receives notification from the person or any court or law-enforcement agency that a person's residential
72 address has changed to a non-Virginia address, unless the person (i) is on active duty with the armed
73 forces of the United States, (ii) provides proof that he is a U.S. citizen and resides outside the United
74 States because of his employment or the employment of a spouse or parent, or (iii) provides proof
75 satisfactory to the Commissioner that he is a bona fide resident of Virginia, the Department shall (i) (a)
76 mail, by first-class mail, no later than three days after the notice of address change is received by the
77 Department, notice to the person that his license and/or special identification card will be cancelled by
78 the Department and (ii) (b) cancel the driver's license and/or special identification card 30 days after
79 notice of cancellation has been mailed.

80 B. The Department may contract with the United States Postal Service or an authorized agent to use
81 the National Change of Address System for the purpose of obtaining current address information for a
82 person whose name appears in customer records maintained by the Department. If the Department
83 receives information from the National Change of Address System indicating that a person whose name
84 appears in a Department record has submitted a permanent change of address to the Postal Service, the
85 Department may then update its records with the mailing address obtained from the National Change of
86 Address System.

87 C. There may be imposed upon anyone failing to notify the Department of his change of address as
88 required by this section a fee of \$5, which fee shall be used to defray the expenses incurred by the
89 Department. Notwithstanding the foregoing provision of this subsection, no fee shall be imposed on any
90 person whose address is obtained from the National Change of Address System.

91 D. The Department shall electronically transmit change of address information to the Department of
92 State Police, in a format approved by the State Police, for comparison with information contained in the
93 Virginia Criminal Information Network and National Crime Information Center Convicted Sexual
94 Offender Registry Files, at the time of the change of address. Whenever it appears from the records of
95 the State Police that a person has failed to comply with the duty to register or reregister pursuant to
96 Chapter 9 (§ 9.1-900 et seq.) of Title 9.1, the State Police shall promptly investigate and, if there is
97 probable cause to believe a violation has occurred, obtain a warrant or assist in obtaining an indictment
98 charging a violation of § 18.2-472.1 in the jurisdiction in which the person last registered or reregistered
99 or in the jurisdiction where the person made application for change of address.

100 E. For any summons issued for a violation of this section, the court may, in its discretion, dismiss
101 the summons, where proof of compliance with this section is provided to the court on or before the
102 court date.

103 **§ 46.2-325. Examination of applicants; waiver of Department's examination under certain**
104 **circumstances; behind-the-wheel and knowledge examinations.**

105 A. The Department shall examine every applicant for a driver's license before issuing any license to
106 determine (i) his physical and mental qualifications and his ability to drive a motor vehicle without
107 jeopardizing the safety of persons or property and (ii) if any facts exist which would bar the issuance of
108 a license under §§ 46.2-311 through 46.2-316, 46.2-334, or 46.2-335. The examination, however, shall
109 not include investigation of any facts other than those directly pertaining to the ability of the applicant
110 to drive a motor vehicle with safety, or other than those facts declared to be prerequisite to the issuance
111 of a license under this chapter. No applicant otherwise competent shall be required to demonstrate
112 ability to park any motor vehicle except in an adequate parking space between horizontal markers, and
113 not between flags or sticks simulating parked vehicles. Except as provided for in § 46.2-337, applicants
114 for licensure to drive motor vehicles of the classifications referred to in § 46.2-328 shall submit to
115 examinations which relate to the operation of those vehicles. The motor vehicle to be used by the
116 applicant for the behind-the-wheel examination shall meet the safety and equipment requirements
117 specified in Chapter 10 (§ 46.2-1000 et seq.) and possess a valid inspection sticker as required pursuant
118 to § 46.2-1157. An autocycle shall not be used by the applicant for a behind-the-wheel examination.

119 Prior to taking the examination, the applicant shall either (a) present evidence that the applicant has
120 completed a state-approved driver education class pursuant to the provisions of § 46.2-324.1 or 46.2-334
121 or (b) submit to the examiner a behind-the-wheel maneuvers checklist, on a form provided by the

Department, that describes the vehicle maneuvers the applicant may be expected to perform while taking the behind-the-wheel examination, that has been signed by a licensed driver, certifying that the applicant has practiced the driving maneuvers contained and described therein, and that has been signed by the applicant certifying that, at all times while holding a learner's permit, the applicant has complied with the provisions of § 46.2-335 while operating a motor vehicle.

Except for applicants subject to § 46.2-312, if the Commissioner is satisfied that an applicant has demonstrated the same proficiency as required by the Department's examination through successful completion of either (1) the driver education course approved by the Department of Education or (2) a driver training course offered by a driver training school licensed under Chapter 17 (§ 46.2-1700 et seq.), he may waive those parts of the Department's examination provided for in this section that require the applicant to drive and park a motor vehicle.

B. Any person who fails the *knowledge examination* or behind-the-wheel examination for a driver's license administered by *an employee of* the Department shall wait ~~two~~ *five* days before being permitted to take another such examination. No person who fails the behind-the-wheel examination for a driver's license administered by the Department three times shall be permitted to take such examination a fourth time until he successfully completes, subsequent to the third examination failure, the in-vehicle component of driver instruction at a driver training school licensed under Chapter 17 (§ 46.2-1700 et seq.) or a comparable course approved by the Department or the Department of Education. In addition, no person who fails the driver knowledge examination for a driver's license administered by the Department three times shall be permitted to take such examination a fourth time until he successfully completes, subsequent to the third examination failure, the classroom component of driver instruction at a driver training school licensed under Chapter 17 (§ 46.2-1700 et seq.) or a comparable course approved by the Department or the Department of Education or, for (i) persons at least 18 years old or (ii) persons less than 18 years old who have previously completed the classroom component of driver instruction, a course of instruction based on the Virginia Driver's Manual, which may be conducted in a classroom or online, offered by a driver training school licensed under Chapter 17 (§ 46.2-1700 et seq.) or a comparable course approved by the Department or the Department of Education. Any driver training school authorized to provide the Virginia Driver's Manual course online shall be a computer-based driver education provider as defined in § 46.2-1700. Providers of the Virginia Driver's Manual course online shall ensure that the certificate of completion is issued to the same person who took the course in a manner prescribed by the Department. All persons required to complete the in-vehicle component of driver instruction or the classroom component of driver instruction pursuant to this section shall be required after successful completion of the necessary courses to have the applicable examination administered by the Department.

The provisions of this subsection shall not apply to persons ~~placed under medical control who are subject to reexamination~~ by the Department pursuant to § 46.2-322.

§ 46.2-328.1. Certain licenses, permits, and special identification cards to be issued only to applicants who meet the requirements of the REAL ID Act.

A. Notwithstanding any other provision of this title, except as provided in subsection G of § 46.2-345, the Department shall not issue an original license, permit, or special identification card pursuant to the provisions of the REAL ID Act of 2005, as amended, (REAL ID Act) and the REAL ID implementing regulations, 6 C.F.R. Part 37, to any applicant who has not presented to the Department, with the application, valid documentary evidence that the applicant is either (i) a citizen of the United States, (ii) a legal permanent resident of the United States, or (iii) a conditional resident alien of the United States lawfully present in the United States as required pursuant to the REAL ID Act.

B. Notwithstanding the provisions of subsection A and the provisions of §§ 46.2-330 and 46.2-345, an applicant who presents in person valid documentary evidence of (i) a valid, unexpired nonimmigrant visa or nonimmigrant visa status for entry into the United States, (ii) a pending or approved application for asylum in the United States, (iii) entry into the United States in refugee status, (iv) a pending or approved application for temporary protected status in the United States, (v) approved deferred action status, or (vi) a pending application for adjustment of status to legal permanent residence status or conditional resident status, for a REAL ID who provides evidence of temporary lawful status in the United States as required under the REAL ID Act may be issued a temporary license, permit, or special identification card. Such temporary license, permit, or special identification card shall be valid only during the period of time of the applicant's authorized stay in the United States or if there is no definite end to the period of authorized stay a period of one year. No license, permit, or special identification card shall be issued if an applicant's authorized stay in the United States is less than 30 days from the date of application. Any temporary license, permit, or special identification card issued pursuant to this subsection shall clearly indicate that it is temporary and shall state the date that it expires. Such a temporary license, permit or identification card may be renewed only upon presentation of valid documentary evidence that the status by which the applicant qualified for the temporary license, permit

or special identification has been extended by the United States Immigration and Naturalization Service or the Bureau of Citizenship and Immigration Services of the Department of Homeland Security.

C. Any license or special identification card for which an application has been made for renewal, duplication or reissuance shall be presumed to have been issued in accordance with the provisions of subsection A, provided that, at the time the application is made, (i) the license or special identification card has not expired or been cancelled, suspended or revoked or (ii) the license or special identification card has been canceled or suspended as a result of the applicant having been placed under medical review by the Department pursuant to ~~§ 46.2-322~~. The requirements of subsection A shall apply, however, to a renewal, duplication or reissuance if the Department is notified by a local, state or federal government agency that the individual seeking such renewal, duplication or reissuance is neither a citizen of the United States nor legally in the United States.

D. The Department shall cancel any license, permit, or special identification card *issued pursuant to the REAL ID Act* that it has issued to an individual if it is notified by a federal government agency that the individual is neither a citizen of the United States nor legally present in the United States.

E. For any applicant who presents a document pursuant to this section proving legal presence other than citizenship, the Department shall record and provide to the State Board of Elections monthly the applicant's document number, if any, issued by an agency or court of the United States government.

§ 46.2-330. Expiration and renewal of licenses; examinations required.

A. Every driver's license shall expire on the applicant's birthday at the end of the period of years for which a driver's license has been issued. At no time shall any driver's license be issued for more than eight years or less than five years, unless otherwise provided by law. Thereafter the driver's license shall be renewed on or before the birthday of the licensee and shall be valid for a period not to exceed eight years except as otherwise provided by law. Any driver's license issued to a person age 75 or older shall be issued for a period not to exceed five years. Notwithstanding these limitations, the Commissioner may extend the validity period of an expiring license if (i) the Department is unable to process an application for renewal due to circumstances beyond its control; *and* (ii) the extension has been authorized under a directive from the Governor; *and* (iii) ~~the license was not issued as a temporary driver's license under the provisions of subsection B of § 46.2-328.1~~. However, in no event shall the validity period be extended more than 90 days per occurrence of such conditions. In determining the number of years for which a driver's license shall be renewed, the Commissioner shall take into consideration the examinations, conditions, requirements, and other criteria provided under this title that relate to the issuance of a license to operate a vehicle. Any driver's license issued to a person required to register pursuant to Chapter 9 (§ 9.1-900 et seq.) of Title 9.1 shall expire on the applicant's birthday in years which the applicant attains an age equally divisible by five.

B. Within one year prior to the date shown on the driver's license as the date of expiration, the Department shall send notice, to the holder thereof, at the address shown on the records of the Department in its driver's license file, that his license will expire on a date specified therein, whether he must be reexamined, and when he may be reexamined. Nonreceipt of the notice shall not extend the period of validity of the driver's license beyond its expiration date. The license holder may request the Department to send such renewal notice to an email or other electronic address, upon provision of such address to the Department.

Any driver's license may be renewed by application after the applicant has taken and successfully completed those parts of the examination provided for in §§ 46.2-311, 46.2-325, and the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.), including vision and written tests, other than the parts of the examination requiring the applicant to drive a motor vehicle. All drivers applying in person for renewal of a license shall take and successfully complete the examination each renewal year. Every applicant for a renewal shall appear in person before the Department, unless specifically notified by the Department that renewal may be accomplished in another manner as provided in the notice. Applicants who are required to appear in person before the Department to apply for a renewal may also be required to present proof of identity; ~~legal presence;~~ residency; and social security number ~~or non-work authorized status or Individual Taxpayer Identification Number, or certify that a social security number or Individual Taxpayer Identification Number has not been issued.~~

C. Notwithstanding any other provision of this section, the Commissioner, in his discretion, may require any applicant for renewal to be fully examined as provided in §§ 46.2-311 and 46.2-325 and the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.). Furthermore, if the applicant is less than 75 years old, the Commissioner may waive the vision examination for any applicant for renewal of a driver's license that is not a commercial driver's license and the requirement for the taking of the written test as provided in subsection B of this section, § 46.2-325, and the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.). However, in no case shall there be any waiver of the vision examination for applicants for renewal of a commercial driver's license or of the knowledge test required by the Virginia Commercial Driver's License Act for the hazardous materials endorsement on a commercial driver's license. No driver's license or learner's permit issued to any person who is 75 years

old or older shall be renewed unless the applicant for renewal appears in person and either (i) passes a vision examination or (ii) presents a report of a vision examination, made within 90 days prior thereto by an ophthalmologist or optometrist, indicating that the applicant's vision meets or exceeds the standards contained in § 46.2-311.

D. Every applicant for renewal of a driver's license, whether renewal shall or shall not be dependent on any examination of the applicant, shall appear in person before the Department to apply for renewal, unless specifically notified by the Department that renewal may be accomplished in another manner as provided in the notice.

E. This section shall not modify the provisions of § 46.2-221.2.

F. 1. The Department shall electronically transmit application information, including a photograph, to the Department of State Police, in a format approved by the State Police, for comparison with information contained in the Virginia Criminal Information Network and National Crime Information Center Convicted Sexual Offender Registry files, at the time of the renewal of a driver's license. Whenever it appears from the records of the State Police that a person has failed to comply with the duty to register or reregister pursuant to Chapter 9 (§ 9.1-900 et seq.) of Title 9.1, the State Police shall promptly investigate and, if there is probable cause to believe a violation has occurred, obtain a warrant or assist in obtaining an indictment charging a violation of § 18.2-472.1 in the jurisdiction in which the person last registered or reregistered or in the jurisdiction where the person made application for licensure. The Department of State Police shall electronically transmit to the Department, in a format approved by the Department, for each person required to register pursuant to Chapter 9 of Title 9.1, registry information consisting of the person's name, all aliases that he has used or under which he may have been known, his date of birth, and his social security number as set out in § 9.1-903.

2. For each person required to register pursuant to Chapter 9 of Title 9.1, the Department may not waive the requirement that each such person shall appear for each renewal or the requirement to obtain a photograph in accordance with subsection C of § 46.2-323.

§ 46.2-332. Fees.

A. On and after January 1, 1990, the fee for each driver's license other than a commercial driver's license shall be \$2.40 per year. If the license is a commercial driver's license or seasonal restricted commercial driver's license, the fee shall be \$6 per year. Persons 21 years old or older may be issued a scenic driver's license, learner's permit, or commercial driver's license for an additional fee of \$5. For any one or more driver's license endorsements or classifications, except a motorcycle classification, there shall be an additional fee of \$1 per year; for a motorcycle classification, there shall be an additional fee of \$2 per year. For any and all driver's license classifications, there shall be an additional fee of \$1 per year. For any revalidation of a seasonal restricted commercial driver's license, the fee shall be \$5. A fee of \$10 shall be charged to extend the validity period of a driver's license pursuant to subsection B of § 46.2-221.2.

B. In addition to any other fee imposed and collected by the Department, the Department shall impose and collect a service charge of \$5 upon each person who carries out the renewal of a driver's license or special identification card in any of the Department's Customer Service Centers if such renewal can be conducted by mail or telephone or by using an electronic medium in a format prescribed by the Commissioner. Such service charge shall not apply if, concurrently with the renewal of the driver's license or special identification card, the person undertakes another transaction at a Customer Service Center that cannot be conducted by mail or telephone or by using an electronic medium in a format prescribed by the Commissioner. Such service charge shall be paid by the Commissioner into the state treasury and shall be set aside as a special fund to be used to meet the expenses of the Department.

C. A reexamination fee of ~~\$2~~ \$5 shall be charged for each administration of the knowledge ~~portion of the driver's license examination taken by an applicant who is 18 years of age or older if taken more than once within a 15-day period examination for a learner's permit or driver's license or behind-the-wheel examination for a driver's license administered by an employee of the Department, excluding those who are subject to reexamination by the Department pursuant to § 46.2-322.~~ The reexamination fee shall be charged each time the examination is administered until the applicant successfully completes the examination, ~~if taken prior to the fifteenth day.~~

~~An applicant who is less than 18 years of age who does not successfully complete the knowledge portion of the driver's license examination shall not be permitted to take the knowledge portion more than once in 15 days.~~

D. A fee of \$50 shall be charged each time an applicant for a commercial driver's license fails to keep a scheduled skills test appointment, unless such applicant cancels his appointment with the assigned driver's license examiner at least 24 hours in advance of the scheduled appointment. The Commissioner may, on a case-by-case basis, waive such fee for good cause shown. All such fees shall be paid by the Commissioner into the state treasury and set aside as a special fund to be used to meet the necessary

306 expenses incurred by the Department.

307 *E.* If the applicant for a driver's license is an employee of the Commonwealth, or of any county, city,
308 or town who drives a motorcycle or a commercial motor vehicle solely in the line of his duty, he shall
309 be exempt from the additional fee otherwise assessable for a motorcycle classification or a commercial
310 motor vehicle endorsement. The Commissioner may prescribe the forms as may be requisite for
311 completion by persons claiming exemption from additional fees imposed by this section.

312 *F.* No additional fee above \$2.40 per year shall be assessed for the driver's license or commercial
313 driver's license required for the operation of a school bus.

314 *G.* Excluding the \$2 \$5 reexamination fee, \$1.50 of all fees collected for each original or renewal
315 driver's license shall be paid into the driver education fund of the state treasury and expended as
316 provided by law. Unexpended funds from the driver education fund shall be retained in the fund and be
317 available for expenditure in ensuing years as provided therein.

318 *H.* All fees for motorcycle classifications shall be distributed as provided in § 46.2-1191.

319 *I.* This section shall supersede conflicting provisions of this chapter.

320 **§ 46.2-335. Learner's permits; fees; certification required.**

321 *A.* The Department, on receiving from any Virginia resident over the age of 15 years and six months
322 an application for a learner's permit or motorcycle learner's permit, may, subject to the applicant's
323 satisfactory documentation of meeting the requirements of this chapter and successful completion of the
324 written or automated knowledge and vision examinations and, in the case of a motorcycle learner's
325 permit applicant, the automated motorcycle test, issue a permit entitling the applicant, while having the
326 permit in his immediate possession, to drive a motor vehicle or, if the application is made for a
327 motorcycle learner's permit, a motorcycle, on the highways, when accompanied by any licensed driver
328 21 years of age or older or by his parent or legal guardian, or by a brother, sister, half-brother,
329 half-sister, step-brother, or step-sister 18 years of age or older. The accompanying person shall be (i)
330 alert, able to assist the driver, and actually occupying a seat beside the driver or, for motorcycle
331 instruction, providing immediate supervision from a separate accompanying motor vehicle and (ii)
332 lawfully permitted to operate the motor vehicle or accompanying motorcycle at that time.

333 The Department shall not, however, issue a learner's permit or motorcycle learner's permit to any
334 minor applicant required to provide evidence of compliance with the compulsory school attendance law
335 set forth in Article 1 (§ 22.1-254 et seq.) of Chapter 14 of Title 22.1, unless such applicant is in good
336 academic standing or, if not in such standing or submitting evidence thereof, whose parent or guardian,
337 having custody of such minor, provides written authorization for the minor to obtain a learner's permit
338 or motorcycle learner's permit, which written authorization shall be obtained on forms provided by the
339 Department and indicating the Commonwealth's interest in the good academic standing and regular
340 school attendance of such minors. Any minor providing proper evidence of the solemnization of his
341 marriage or a certified copy of a court order of emancipation shall not be required to provide the
342 certification of good academic standing or any written authorization from his parent or guardian to
343 obtain a learner's permit or motorcycle learner's permit.

344 Such permit, except a motorcycle learner's permit, shall be valid until the holder thereof either is
345 issued a driver's license as provided for in this chapter or no longer meets the qualifications for issuance
346 of a learner's permit as provided in this section. Motorcycle learner's permits shall be valid for 12
347 months. When a motorcycle learner's permit expires, the permittee may, upon submission of an
348 application, payment of the application fee, and successful completion of the examinations, be issued
349 another motorcycle learner's permit valid for 12 months.

350 Any person 25 years of age or older who is eligible to receive an operator's license in Virginia, but
351 who is required, pursuant to § 46.2-324.1, to be issued a learner's permit for 60 days prior to his first
352 behind-the-wheel exam, may be issued such learner's permit even though restrictions on his driving
353 privilege have been ordered by a court. Any such learner's permit shall be subject to the restrictions
354 ordered by the court.

355 *B.* No driver's license shall be issued to any such person who is less than 18 years old unless, while
356 holding a learner's permit, he has driven a motor vehicle for at least 45 hours, at least 15 of which were
357 after sunset, as certified by his parent, foster parent, or legal guardian unless the person is married or
358 otherwise emancipated. Such certification shall be on a form provided by the Commissioner and shall
359 contain the following statement:

360 "It is illegal for anyone to give false information in connection with obtaining a driver's license. This

363 regarding this certification are true and correct."

364 Such form shall also include the driver's license or Department of Motor Vehicles-issued
365 identification card number of the person making the certification.

366 *C.* No learner's permit shall authorize its holder to operate a motor vehicle with more than one

D. No learner's permit shall authorize its holder to operate a motor vehicle between midnight and four o'clock a.m.

E. Except in a driver emergency or when the vehicle is lawfully parked or stopped, no holder of a learner's permit shall operate a motor vehicle on the highways of the Commonwealth while using any cellular telephone or any other wireless telecommunications device, regardless of whether or not such device is handheld. No citation for a violation of this subsection shall be issued unless the officer issuing such citation has cause to stop or arrest the driver of such motor vehicle for the violation of some other provision of this Code or local ordinance relating to the operation, ownership, or maintenance of a motor vehicle or any criminal statute.

F. It shall be unlawful for any person, after having received a learner's permit, to drive a motor vehicle without being accompanied by a licensed driver as provided in the foregoing provisions of this section; however, a learner's permit other than a motorcycle learner's permit, accompanied by documentation verifying that the driver is at least 16 years and three months old and has successfully completed an approved driver's education course, signed by the minor's parent, guardian, legal custodian or other person standing in loco parentis, shall constitute a temporary driver's license for the purpose of driving unaccompanied by a licensed driver 18 years of age or older, if all other requirements of this chapter have been met. Such temporary driver's license shall only be valid until the driver has received his permanent license pursuant to § 46.2-336.

J. *Any person who applies for a learner's permit and fails the knowledge examination administered by an employee of the Department pursuant to this section shall not be eligible for retesting for at least five days.*

The Department may adopt regulations as may be necessary to provide for the special examination under § 46.2-325 of persons desiring to qualify to drive motorcycles in the Commonwealth and for the granting of licenses or permits suitably endorsed for qualified applicants. The road test for two-wheeled motorcycles and the road test for three-wheeled motorcycles shall be separate and distinct examinations emphasizing the skills and maneuvers necessary to operate each type of motorcycle.

429 No person applying for a classification to authorize the driving of a motorcycle who fails the road
430 test portion of the special examination two times shall be eligible for such classification until he
431 successfully completes a motorcycle rider safety training course offered by a provider licensed under
432 Article 23 (§ 46.2-1188 et seq.) of Chapter 10.

433 *A reexamination fee of \$5 shall be charged for each administration of the knowledge examination or*

443 rider safety training course offered by a provider licensed under Article 23 (§ 46.2-1188 et seq.) of
444 Chapter 10, he may waive the written material or road test portion or both portions of the special
445 examination. The Commissioner may also waive the written material or road test portion or both
446 portions of the special examination if the person intending to operate a motorcycle holds a valid
447 Virginia driver's license and is a member, the spouse of a member, or a dependent of a member of the
448 United States Armed Services, and the license holder has successfully completed a basic motorcycle
449 rider course approved by the United States Armed Services.
