59 regulatory agency in another state or Canada when that practitioner of the healing arts is in Virginia  
60 temporarily and such practitioner has been issued a temporary authorization by the Board from  
61 practicing medicine or the duties of the profession for which he is licensed or certified (i) in a summer  
62 camp or in conjunction with patients who are participating in recreational activities, (ii) while  
63 participating in continuing educational programs prescribed by the Board, or (iii) by rendering at any  
64 site any health care services within the limits of his license, voluntarily and without compensation, to  
65 any patient of any clinic which is organized in whole or in part for the delivery of health care services  
66 without charge as provided in § 54.1-106;

67 17. The performance of the duties of any active duty health care provider in active service in the  
68 army, navy, coast guard, marine corps, air force, or public health service of the United States at any  
69 public or private health care facility while such individual is so commissioned or serving and in  
70 accordance with his official military duties;

71 18. Any masseur, who publicly represents himself as such, from performing services within the scope  
72 of his usual professional activities and in conformance with state law;

73 19. Any person from performing services in the lawful conduct of his particular profession or  
74 business under state law;

75 20. Any person from rendering emergency care pursuant to the provisions of § 8.01-225;

76 21. Qualified emergency medical services personnel, when acting within the scope of their  
77 certification, and licensed health care practitioners, when acting within their scope of practice, from  
78 following Durable Do Not Resuscitate Orders issued in accordance with § 54.1-2987.1 and Board of  
79 Health regulations, or licensed health care practitioners from following any other written order of a  
80 physician not to resuscitate a patient in the event of cardiac or respiratory arrest;

81 22. Any commissioned or contract medical officer of the army, navy, coast guard or air force  
82 rendering services voluntarily and without compensation while deemed to be licensed pursuant to  
83 § 54.1-106;

84 23. Any provider of a chemical dependency treatment program who is certified as an "acupuncture  
85 detoxification specialist" by the National Acupuncture Detoxification Association or an equivalent  
86 certifying body, from administering auricular acupuncture treatment under the appropriate supervision of  
87 a National Acupuncture Detoxification Association certified licensed physician or licensed acupuncturist;

88 24. Any employee of any assisted living facility who is certified in cardiopulmonary resuscitation  
89 (CPR) acting in compliance with the patient's individualized service plan and with the written order of  
90 the attending physician not to resuscitate a patient in the event of cardiac or respiratory arrest;

92 doctor within the Department of Corrections, the Department of Juvenile Justice or local correctional  
93 facilities;

94 26. Any employee of a school board, authorized by a prescriber and trained in the administration of  
95 insulin and glucagon, when, upon the authorization of a prescriber and the written request of the parents  
96 as defined in § 22.1-1, assisting with the administration of insulin or administering glucagon to a  
97 student diagnosed as having diabetes and who requires insulin injections during the school day or for  
98 whom glucagon has been prescribed for the emergency treatment of hypoglycemia;

99 27. Any practitioner of the healing arts or other profession regulated by the Board from rendering  
100 free health care to an underserved population of Virginia who (i) does not regularly practice his  
101 profession in Virginia, (ii) holds a current valid license or certificate to practice his profession in another  
102 state, territory, district or possession of the United States, (iii) volunteers to provide free health care to  
103 an underserved area of the Commonwealth under the auspices of a publicly supported all volunteer,  
104 nonprofit organization that sponsors the provision of health care to populations of underserved people,  
105 (iv) files a copy of the license or certification issued in such other jurisdiction with the Board, (v)  
106 notifies the Board at least five business days prior to the voluntary provision of services of the dates and  
107 location of such service, and (vi) acknowledges, in writing, that such licensure exemption shall only be  
108 valid, in compliance with the Board's regulations, during the limited period that such free health care is  
109 made available through the volunteer, nonprofit organization on the dates and at the location filed with  
110 the Board. The Board may deny the right to practice in Virginia to any practitioner of the healing arts  
111 whose license or certificate has been previously suspended or revoked, who has been convicted of a  
112 felony or who is otherwise found to be in violation of applicable laws or regulations. However, the  
113 Board shall allow a practitioner of the healing arts who meets the above criteria to provide volunteer  
114 services without prior notice for a period of up to three days, provided the nonprofit organization  
115 verifies that the practitioner has a valid, unrestricted license in another state;

116 28. Any registered nurse, acting as an agent of the Department of Health, from obtaining specimens  
117 of sputum or other bodily fluid from persons in whom the diagnosis of active tuberculosis disease, as  
118 defined in § 32.1-49.1, is suspected and submitting orders for testing of such specimens to the Division  
119 of Consolidated Laboratories or other public health laboratories, designated by the State Health  
120 Commissioner, for the purpose of determining the presence or absence of tubercle bacilli as defined in

121 § 32.1-49.1;

122 29. Any physician of medicine or osteopathy or nurse practitioner from delegating to a registered  
123 nurse under his supervision the screening and testing of children for elevated blood-lead levels when  
124 such testing is conducted (i) in accordance with a written protocol between the physician or nurse  
125 practitioner and the registered nurse and (ii) in compliance with the Board of Health's regulations  
126 promulgated pursuant to §§ 32.1-46.1 and 32.1-46.2. Any follow-up testing or treatment shall be  
127 conducted at the direction of a physician or nurse practitioner;

128 30. Any practitioner of one of the professions regulated by the Board of Medicine who is in good  
129 standing with the applicable regulatory agency in another state or Canada from engaging in the practice  
130 of that profession when the practitioner is in Virginia temporarily with an out-of-state athletic team or  
131 athlete for the duration of the athletic tournament, game, or event in which the team or athlete is  
132 competing;

133 31. Any person from performing state or federally funded health care tasks directed by the consumer,  
134 which are typically self-performed, for an individual who lives in a private residence and who, by  
135 reason of disability, is unable to perform such tasks but who is capable of directing the appropriate  
136 performance of such tasks; or

137 32. Any practitioner of one of the professions regulated by the Board of Medicine who is in good  
138 standing with the applicable regulatory agency in another state from engaging in the practice of that  
139 profession in Virginia with a patient who is being transported to or from a Virginia hospital for care; or

140 33. *Any person who holds a current, valid license to practice medicine or osteopathy in a state that*  
141 *is contiguous with the Commonwealth and who is in good standing with the applicable regulatory body*  
142 *in such state from engaging in the practice of medicine in the Commonwealth, provided that (i) he does*  
143 *not have an office or other regularly appointed place in the Commonwealth at which to meet patients*  
144 *and (ii) the same privilege to practice has been extended to persons licensed to practice medicine or*  
145 *osteopathy in the Commonwealth by the state in which he is licensed.*

146 B. Notwithstanding any provision of law or regulation to the contrary, military medical personnel, as  
147 defined in § 2.2-2001.4, while participating in a program established by the Department of Veterans  
148 Services pursuant to § 2.2-2001.4, may practice under the supervision of a licensed physician or  
149 podiatrist or the chief medical officer of an organization participating in such program, or his designee  
150 who is a licensee of the Board and supervising within his scope of practice.
