Be it enacted by the General Assembly of Virginia:

1. That §§ 24.2-404, 24.2-411.1, 24.2-643, 24.2-653, 24.2-701, as it is currently effective and as it shall become effective, and 24.2-701.1, as it shall become effective, of the Code of Virginia are amended and reenacted as follows:

§ 24.2-404. Duties of Department of Elections.

A. The Department of Elections shall provide for the continuing operation and maintenance of a central recordkeeping system, the Virginia voter registration system, for all voters registered in the Commonwealth.

In order to operate and maintain the system, the Department shall:

1. Maintain a complete, separate, and accurate record of all registered voters in the Commonwealth.
2. Require the general registrars to enter the names of all registered voters into the system and to change or correct registration records as necessary.

3. Provide to each general registrar, voter confirmation documents for newly registered voters and for notice to registered voters on the system of changes and corrections in their registration records and polling places and voter photo identification cards containing the voter's photograph and signature for free for those voters who do not have one of the forms of identification specified in subsection B of § 24.2-643. The Department shall promulgate rules and regulations authorizing each general registrar to obtain a photograph and signature of a voter who does not have one of the forms of identification specified in subsection B of § 24.2-643 for the purpose of providing such voter a voter photo identification card containing the voter's photograph and signature. The Department shall provide each general registrar with the equipment necessary to obtain a voter's signature and photograph and no general registrar shall be required to purchase such equipment at his own expense. Photographs and signatures obtained by a general registrar shall be submitted to the Department. The Department may contract with an outside vendor for the production and distribution of voter photo identification cards.

4. Require the general registrars to delete from the record of registered voters the name of any voter who (i) is deceased, (ii) is no longer qualified to vote in the county or city where he is registered due to removal of his residence, (iii) has been convicted of a felony, (iv) has been adjudicated incapacitated, (v) is known not to be a United States citizen by reason of reports from the Department of Motor Vehicles pursuant to § 24.2-410.1 or from the Department of Elections based on information received from the Systematic Alien Verification for Entitlements Program (SAVE Program) pursuant to subsection E, or (vi) is otherwise no longer qualified to vote as may be provided by law. Such action shall be taken no later than 30 days after notification from the Department. The Department shall promptly provide the information referred to in this subdivision, upon receiving it, to general registrars.

5. Retain on the system for four years a separate record for registered voters whose names have been deleted, with the reason for deletion.

6. Retain on the system permanently a separate record for information received regarding deaths, felony convictions, and adjudications of incapacity pursuant to §§ 24.2-408 through 24.2-410.

7. Provide to each general registrar, at least 16 days prior to a general or primary election and three days prior to a special election, an alphabetical list of all registered voters in each precinct or portion of a precinct in which the election is being held in the county, city, or town. These precinct lists shall be used as the official lists of qualified voters and shall constitute the pollbooks. The Department shall provide instructions for the division of the pollbooks and precinct lists into sections to accommodate the efficient processing of voter lines at the polls. Prior to any general, primary, or special election, the Department shall provide any general registrar, upon his request, with a separate electronic list of all registered voters in the registrar's county or city. If electronic pollbooks are used in the locality or electronic voter registration inquiry devices are used in precincts in the locality, the Department shall provide a regional or statewide list of registered voters to the general registrar of the locality. The Department shall determine whether regional or statewide data is provided. Neither the pollbook nor the regional or statewide list of registered voters shall include the day and month of birth of the voter, but shall include the voter's year of birth.

60 8. Acquire by purchase, lease, or contract equipment necessary to execute the duties of the
61 Department.

62 9. Use any source of information that may assist in carrying out the purposes of this section. All
63 agencies of the Commonwealth shall cooperate with the Department in procuring and exchanging
64 identification information for the purpose of maintaining the voter registration system. The Department
65 may share any information that it receives from another agency of the Commonwealth with any Chief
66 Election Officer of another state for the maintenance of the voter registration system.

67 10. Cooperate with other states and jurisdictions to develop systems to compare voters, voter history,
68 and voter registration lists to ensure the accuracy of the voter registration rolls, to identify voters whose
69 addresses have changed, to prevent duplication of registration in more than one state or jurisdiction, and
70 to determine eligibility of individuals to vote in Virginia.

71 11. Reprint and impose a reasonable charge for the sale of any part of Title 24.2, lists of precincts
72 and polling places, statements of election results by precinct, and any other items required of the
73 Department by law. Receipts from such sales shall be credited to the Board for reimbursement of
74 printing expenses.

75 B. The Department shall be authorized to provide for the production, distribution, and receipt of
76 information and lists through the Virginia voter registration system by any appropriate means including,
77 but not limited to, paper and electronic means. The Virginia Freedom of Information Act (§ 2.2-3700 et
78 seq.) shall not apply to records about individuals maintained in this system.

79 C. The State Board shall institute procedures to ensure that each requirement of this section is
80 fulfilled. As part of its procedures, the State Board shall provide that the general registrar shall mail
81 notice of any cancellation pursuant to clause (v) of subdivision A 4 to the person whose registration is
82 cancelled.

83 D. The State Board shall promulgate rules and regulations to ensure the uniform application of the
84 law for determining a person's residence.

85 E. The Department shall apply to participate in the Systematic Alien Verification for Entitlements
86 Program (SAVE Program) operated by U.S. Citizenship and Immigration Services of the U.S.
87 Department of Homeland Security for the purposes of verifying that voters listed in the Virginia voter
88 registration system are United States citizens. Upon approval of the application, the Department shall
89 enter into any required memorandum of agreement with U.S. Citizenship and Immigration Services. The
90 State Board shall promulgate rules and regulations governing the use of the immigration status and
91 citizenship status information received from the SAVE Program.

92 F. The Department shall report annually by October 1 for the preceding 12 months ending August 31
93 to the Committees on Privileges and Elections on each of its activities undertaken to maintain the
94 Virginia voter registration system and the results of those activities. The Department's report shall be
95 governed by the provisions of § 2.2-608 and shall encompass activities undertaken pursuant to
96 subdivisions A 9 and 10 and subsection E and pursuant to §§ 24.2-404.3, 24.2-404.4, 24.2-408,
97 24.2-409, 24.2-409.1, 24.2-410, 24.2-410.1, 24.2-427, and 24.2-428. This report shall contain the
98 methodology used in gathering and analyzing the data. The Commissioner of Elections shall certify that
99 the data included in the report is accurate and reliable.

100 **§ 24.2-411.1. Offices of the Department of Motor Vehicles.**

101 A. The Department of Motor Vehicles shall provide the opportunity to register to vote to each person
102 who comes to an office of the Department of Motor Vehicles to:

- 103 1. Apply for, replace, or renew a driver's license;
- 104 2. Apply for, replace, or renew a special identification card; or
- 105 3. Change an address on an existing driver's license or special identification card.

106 B. The method used to receive an application for voter registration shall avoid duplication of the
107 license portion of the license application and require only the minimum additional information necessary
108 to enable registrars to determine the voter eligibility of the applicant and to administer voter registration
109 and election laws. A person who does not sign the registration portion of the application shall be
110 deemed to have declined to register at that time. The voter application shall include a statement that, if
111 an applicant declines to register to vote, the fact the applicant has declined to register will remain
112 confidential and will be used only for voter registration purposes.

113 Each application form distributed under this section shall be accompanied by the following statement
114 featured prominently in boldface capital letters: "WARNING: INTENTIONALLY MAKING A
115 MATERIALLY FALSE STATEMENT ON THIS FORM CONSTITUTES THE CRIME OF ELECTION
116 FRAUD, WHICH IS PUNISHABLE UNDER VIRGINIA LAW AS A FELONY. VIOLATORS MAY
117 BE SENTENCED TO UP TO 10 YEARS IN PRISON, OR UP TO 12 MONTHS IN JAIL AND/OR
118 FINED UP TO \$2,500."

119 Any completed application for voter registration submitted by a person who is already registered
120 shall serve as a written request to update his registration record. Any change of address form submitted
121 for purposes of a motor vehicle driver's license or special identification card shall serve as notification

of change of address for voter registration for the registrant involved unless the registrant states on the form that the change of address is not for voter registration purposes. If the information from the notification of change of address for voter registration indicates that the registered voter has moved to another general registrar's jurisdiction within the Commonwealth, the notification shall be treated as a request for transfer from the registered voter. The notification and the registered voter's registration record shall be transmitted as directed by the Department of Elections to the appropriate general registrar who shall send confirmation documents of the transfer to the voter pursuant to § 24.2-424. The Department of Motor Vehicles and Department of Elections shall cooperate in the prompt transmittal by electronic or other means of the notification to the appropriate general registrar.

C. The completed voter registration portion of the application shall be transmitted as directed by the Department of Elections not later than five business days after the date of receipt. The Department of Motor Vehicles and Department of Elections shall cooperate in the prompt transmittal by electronic or other means of the voter registration portion of the application to the appropriate general registrar.

D. The Department of Elections shall maintain statistical records on the number of applications to register to vote with information provided from the Department of Motor Vehicles.

E. A person who provides services at the Department of Motor Vehicles shall not disclose, except as authorized by law for official use, the social security number, or any part thereof, of any applicant for voter registration.

F. The Department of Motor Vehicles shall provide assistance as required in providing voter photo identification cards as provided in subdivision A 3 of § 24.2-404.

§ 24.2-643. Qualified voter permitted to vote; procedures at polling place; voter identification.

A. After the polls are open, each qualified voter at a precinct shall be permitted to vote. The officers of election shall ascertain that a person offering to vote is a qualified voter before admitting him to the voting booth and furnishing an official ballot to him.

B. An officer of election shall ask the voter for his full name and current residence address and the voter may give such information orally or in writing. The officer of election shall repeat, in a voice audible to party and candidate representatives present, the full name and address provided by the voter. The officer shall ask the voter to present any one of the following forms of identification: (i) *his voter confirmation documents*; (ii) *his valid Virginia driver's license, his valid United States passport, or any other photo identification issued by the Commonwealth, one of its political subdivisions, or the United States*; (iii) *any valid student identification card containing a photograph of the voter and issued by any institution of higher education located in the Commonwealth or any private school located in the Commonwealth*; ~~or~~ (iv) *any valid student identification card issued by any institution of higher education located in any other state or territory of the United States*; (v) *any valid employee identification card containing a photograph of the voter and issued by an employer of the voter in the ordinary course of the employer's business*; or (vi) *a copy of a current utility bill, bank statement, government check, paycheck, or other government document containing the name and address of the voter. The expiration date on a Virginia driver's license shall not be considered when determining the validity of the driver's license offered for purposes of this section.*

~~Any~~ Except as provided in subsection E, any voter who does not show one of the forms of identification specified in this subsection shall be *allowed to vote after signing a statement, subject to felony penalties for false statements pursuant to § 24.2-1016, that he is the named registered voter he claims to be. A voter who requires assistance in voting by reason of a physical disability or an inability to read or write, and who requests assistance pursuant to § 24.2-649, may be assisted in preparation of this statement in accordance with that section. The provisions of § 24.2-649 regarding voters who are unable to sign shall be followed when assisting a voter in completing this statement. A voter who does not show one of the forms of identification specified in this subsection and does not sign this statement shall be offered a provisional ballot under the provisions of § 24.2-653. The State Board of Elections shall provide an ID-ONLY provisional ballot envelope that requires no follow-up action by the registrar or electoral board other than matching submitted identification documents from the voter for the electoral board to make a determination on whether to count the ballot.*

If the voter presents one of the forms of identification listed above, if his name is found on the pollbook in a form identical to or substantially similar to the name on the presented form of identification and the name provided by the voter, if he is qualified to vote in the election, and if no objection is made, an officer shall enter, opposite the voter's name on the pollbook, the first or next consecutive number from the voter count form provided by the State Board, or shall enter that the voter has voted if the pollbook is in electronic form; an officer shall provide the voter with the official ballot; and another officer shall admit him to the voting booth. Each voter whose name has been marked on the pollbooks as present to vote and entitled to a ballot shall remain in the presence of the officers of election in the polling place until he has voted. If a line of voters who have been marked on the pollbooks as present to vote forms to await entry to the voting booths, the line shall not be permitted to

183 extend outside of the room containing the voting booths and shall remain under observation by the
184 officers of election.

185 A voter may be accompanied into the voting booth by his child age 15 or younger.

186 C. If the current residence address provided by the voter is different from the address shown on the
187 pollbook, the officer of election shall furnish the voter with a change of address form prescribed by the
188 State Board. Upon its completion, the voter shall sign the prescribed form, subject to felony penalties
189 for making false statements pursuant to § 24.2-1016, which the officer of election shall then place in an
190 envelope provided for such forms for transmission to the general registrar who shall then transfer or
191 cancel the registration of such voter pursuant to Chapter 4 (§ 24.2-400 et seq.).

192 D. At the time the voter is asked his full name and current residence address, the officer of election
193 shall ask any voter for whom the pollbook indicates that an identification number other than a social
194 security number is recorded on the Virginia voter registration system if he presently has a social security
195 number. If the voter is able to provide his social security number, he shall be furnished with a voter
196 registration form prescribed by the State Board to update his registration information. Upon its
197 completion, the form shall be placed by the officer of election in an envelope provided for such forms
198 for transmission to the general registrar. Any social security numbers so provided shall be entered by the
199 general registrar in the voter's record on the voter registration system.

200 *E. This subsection shall apply in the case of any individual who is required by subparagraph (b) of*
201 *52 U.S.C. § 21083 of the Help America Vote Act of 2002 to show identification the first time he votes in*
202 *a federal election in the state. At such election, such individual shall present (i) a current and valid*
203 *photo identification or (ii) a copy of a current utility bill, bank statement, government check, paycheck,*
204 *or other government document that shows the name and address of the voter. Such individual who*
205 *desires to vote in person but does not show one of the forms of identification specified in this subsection*
206 *shall be offered a provisional ballot under the provisions of § 24.2-653. The identification requirements*
207 *of subsection B of this section and subsection A of § 24.2-653 shall not apply to such voter at such*
208 *election. The Department of Elections shall provide instructions to the electoral boards for the handling*
209 *and counting of such provisional ballots pursuant to subsection B of § 24.2-653 and this section.*

210 **§ 24.2-653. Voter whose name does not appear on pollbook or who is marked as having voted;**
211 **handling of provisional ballots; ballots cast after normal close of polls due to court order**
212 **extending polling hours.**

213 A. When a person offers to vote pursuant to § 24.2-652 and the general registrar is not available or
214 cannot state that the person is registered to vote, then such person shall be allowed to vote by printed
215 ballot in the manner provided in this section. This procedure shall also apply when required by
216 § 24.2-643 or 24.2-651.1.

217 Such person shall be given a printed ballot and provide, subject to the penalties for making false
218 statements pursuant to § 24.2-1016, on a green envelope supplied by the Department of Elections, the
219 identifying information required on the envelope, including the last four digits of his social security
220 number, if any, full name including the maiden or any other prior legal name, date of birth, complete
221 address, and signature. Such person shall be asked to present one of the forms of identification specified
222 in subsection B of § 24.2-643. *If he is unable to present one of these forms of identification, he shall*
223 *sign a statement, subject to felony penalties for false statements pursuant to § 24.2-1016, that he is the*
224 *named registered voter he claims to be.* The officers of election shall note on the green envelope
225 whether or not the voter has presented one of the specified forms of identification *or signed the required*
226 *statement in lieu of presenting one of the specified forms of identification.* The officers of election shall
227 enter the appropriate information for the person in the precinct provisional ballots log in accordance
228 with the instructions of the State Board but shall not enter a consecutive number for the voter on the
229 pollbook nor otherwise mark his name as having voted. The officers of election shall provide an
230 application for registration to the person offering to vote in the manner provided in this section.

231 The voter shall then, in the presence of an officer of election, but in a secret manner, mark the
232 printed ballot as provided in § 24.2-644 and seal it in the green envelope. The envelope containing the
233 ballot shall then promptly be placed in the ballot container by an officer of election.

234 An officer of election, by a written notice given to the voter, shall ~~(i)~~ inform him that a
235 determination of his right to vote shall be made by the electoral board; ~~(ii)~~ and advise the voter of the
236 beginning time and place for the board's meeting and of the voter's right to be present at that meeting;
237 ~~and (iii) inform a.~~ *If the voter is voting provisionally when as required by § 24.2-643, an officer of*
238 *election, by written notice given to the voter, shall also inform him that he may submit a copy of one of*
239 *the forms of identification specified in subsection B of § 24.2-643 or a statement, signed by him subject*
240 *to felony penalties for false statements pursuant to § 24.2-1016, that he is the named registered voter he*
241 *claims to be to the electoral board by facsimile, electronic mail, in-person submission, or timely United*
242 *States Postal Service or commercial mail delivery, to be received by the electoral board no later than*
243 *noon on the third day after the election. At the meeting, the voter may request an extension of the*
244 *determination of the provisional vote in order to provide information to prove that the voter is entitled*

to vote in the precinct pursuant to § 24.2-401. The electoral board shall have the authority to grant such extensions which it deems reasonable to determine the status of a provisional vote.

B. The provisional votes submitted pursuant to subsection A, in their unopened envelopes, shall be sealed in a special envelope marked "Provisional Votes," inscribed with the number of envelopes contained therein, and signed by the officers of election who counted them. All provisional votes envelopes shall be delivered either (i) to the clerk of the circuit court who shall deliver all such envelopes to the secretary of the electoral board or (ii) to the general registrar in localities in which the electoral board has directed delivery of election materials to the general registrar pursuant to § 24.2-668.

The electoral board shall meet on the day following the election and determine whether each person having submitted such a provisional vote was entitled to do so as a qualified voter in the precinct in which he offered the provisional vote. If the board is unable to determine the validity of all the provisional ballots offered in the election, or has granted any voter who has offered a provisional ballot an extension as provided in subsection A, the meeting shall stand adjourned, not to exceed seven calendar days from the date of the election, until the board has determined the validity of all provisional ballots offered in the election.

One authorized representative of each political party or independent candidate in a general or special election or one authorized representative of each candidate in a primary election shall be permitted to remain in the room in which the determination is being made as an observer so long as he does not participate in the proceedings and does not impede the orderly conduct of the determination. Each authorized representative shall be a qualified voter of any jurisdiction of the Commonwealth. Each representative, who is not himself a candidate or party chairman, shall present to the electoral board a written statement designating him to be a representative of the party or candidate and signed by the county or city chairman of his political party, the independent candidate, or the primary candidate, as appropriate. If the county or city chairman is unavailable to sign such a written designation, such a designation may be made by the state or district chairman of the political party. However, no written designation made by a state or district chairman shall take precedence over a written designation made by the county or city chairman. Such statement, bearing the chairman's or candidate's original signature, may be photocopied and such photocopy shall be as valid as if the copy had been signed.

Notwithstanding the provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.), attendance at meetings of the electoral board to determine the validity of provisional ballots shall be permitted only for the authorized representatives provided for in this subsection, for the persons whose provisional votes are being considered and their representative or legal counsel, and for appropriate staff and legal counsel for the electoral board.

If the electoral board determines that such person was not entitled to vote as a qualified voter in the precinct in which he offered the provisional vote, is unable to determine his right to vote, or has not been provided one of the forms of identification specified in subsection B of § 24.2-643 *or the signed statement that the voter is the named registered voter he claims to be*, the envelope containing his ballot shall not be opened and his vote shall not be counted. The provisional vote shall be counted if (a) such person is entitled to vote in the precinct pursuant to § 24.2-401 or (b) the Department of Elections or the voter presents proof that indicates the voter submitted an application for registration to the Department of Motor Vehicles or other state-designated voter registration agency prior to the close of registration pursuant to § 24.2-416 and the registrar determines that the person was qualified for registration based upon the application for registration submitted by the person pursuant to subsection A. The general registrar shall notify in writing pursuant to § 24.2-114 those persons found not properly registered or whose provisional vote was not counted.

If the electoral board determines that such person was entitled to vote, the name of the voter shall be entered in a provisional votes pollbook and marked as having voted, the envelope shall be opened, and the ballot placed in a ballot container without any inspection further than that provided for in § 24.2-646.

On completion of its determination, the electoral board shall proceed to count such ballots and certify the results of its count. Its certified results shall be added to those found pursuant to § 24.2-671. No adjustment shall be made to the statement of results for the precinct in which the person offered to vote. However, any voter who cast a provisional ballot and is determined by the electoral board to have been entitled to vote shall have his name included on the list of persons who voted that is submitted to the Department of Elections pursuant to § 24.2-406.

The certification of the results of the count together with all ballots and envelopes, whether open or unopened, and other related material shall be delivered by the electoral board to the clerk of the circuit court and retained by him as provided for in §§ 24.2-668 and 24.2-669.

C. Whenever the polling hours are extended by an order of a court of competent jurisdiction, any ballots marked after the normal polling hours by persons who were not already in line at the time the polls would have closed, notwithstanding the court order, shall be treated as provisional ballots under

this section. The officers of election shall mark the green envelope for each such provisional ballot to indicate that it was cast after normal polling hours due to the court order, and when preparing the materials to deliver to the registrar or electoral board, shall separate these provisional ballots from any provisional ballots used for any other reason. The electoral board shall treat these provisional ballots as provided in subsection B; however, the counted and uncounted provisional ballots marked after the normal polling hours shall be kept separate from all other ballots and recorded in a separate provisional ballots pollbook. The Department of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to this section.

§ 24.2-701. (Effective for elections prior to the general election on November 3, 2020)
Application for absentee ballot.

A. The State Board shall furnish each general registrar with a sufficient number of applications for official absentee ballots. The registrars shall furnish applications to persons requesting them.

The State Board shall implement a system that enables eligible persons to request and receive an absentee ballot application electronically through the Internet. Electronic absentee ballot applications shall be in a form approved by the State Board.

Except as provided in § 24.2-703, a separate application shall be completed for each election in which the applicant offers to vote. An application for an absentee ballot may be accepted the later of (i) 12 months before an election or (ii) the day following any election held in the twelfth month prior to the election in which the applicant is applying to vote.

An application that is completed in person at the same time that the applicant registers to vote shall be held and processed no sooner than the fifth day after the date that the applicant registered to vote; however, this requirement shall not be applicable to any person who is qualified to vote absentee under subdivision 2 of § 24.2-700.

Any application received before the ballots are printed shall be held and processed as soon as the printed ballots for the election are available.

For the purposes of this chapter, the general registrar's office shall be open a minimum of eight hours between the hours of 8:00 a.m. and 5:00 p.m. on the first and second Saturday immediately preceding all general elections, except May general elections, and on the Saturday immediately preceding any primary election, May general election, or special election.

Unless the applicant is disabled, all applications for absentee ballots shall be signed by the applicant who shall state, subject to felony penalties for making false statements pursuant to § 24.2-1016, that to the best of his knowledge and belief the facts contained in the application are true and correct and that he has not and will not vote in the election at any other place in Virginia or in any other state. If the applicant is unable to sign the application, a person assisting the applicant will note this fact on the applicant signature line and provide his signature, name, and address.

B. Applications for absentee ballots shall be completed in the following manner:

1. An application completed in person shall be made not less than three days prior to the election in which the applicant offers to vote and completed only in the office of the general registrar. The applicant shall sign the application in the presence of a registrar. The applicant shall provide one of the forms of identification specified in subsection B of § 24.2-643, *or if he is unable to present one of the specified forms of identification listed in that subsection, he shall sign a statement, subject to felony penalties for making false statements pursuant to § 24.2-1016, that he is the named registered voter he claims to be. An applicant who requires assistance in voting by reason of a physical disability or an inability to read or write, and who requests assistance pursuant to § 24.2-649, may be assisted in preparation of this statement in accordance with that section. The provisions of § 24.2-649 regarding voters who are unable to sign shall be followed when assisting a voter in completing this statement.* Any applicant who does not show one of the forms of identification specified in subsection B of § 24.2-643 *or does not sign this statement* shall be offered a provisional ballot under the provisions of § 24.2-653. The State Board of Elections shall provide instructions to the general registrar for the handling and counting of such provisional ballots pursuant to subsection B of § 24.2-653 and this section.

This paragraph shall apply in the case of any individual who is required by subparagraph (b) of 52 U.S.C. § 21083 of the Help America Vote Act of 2002 to show identification the first time he votes in a federal election in the state. At such election, such individual shall present (i) a current and valid photo identification or (ii) a copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows the name and address of the voter. Such individual who desires to vote in person but does not show one of the forms of identification specified in this paragraph shall be offered a provisional ballot under the provisions of § 24.2-653. The identification requirements of subsection B of § 24.2-643 and subsection A of § 24.2-653 shall not apply to such voter at such election. The Department of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to subsection B of § 24.2-653 and this section.

2. Any other application may be made by mail, by electronic or telephonic transmission to a

facsimile device if one is available to the office of the general registrar or to the office of the State Board if a device is not available locally, or by other means. The application shall be on a form furnished by the registrar or, if made under subdivision 2 of § 24.2-700, may be on a federal postcard application prescribed pursuant to 52 U.S.C. § 20301(b)(2). The federal postcard application may be accepted the later of (i) 12 months before an election or (ii) the day following any election held in the twelfth month prior to the election in which the applicant is applying to vote.
