75 **§ 24.2-612. List of offices and candidates filed with Department of Elections and checked for**
76 **accuracy; when ballots printed; number required.**

77 Immediately after the expiration of the time provided by law for a candidate for any office to qualify
78 to have his name printed on the official ballot and prior to printing the ballots for an election, each
79 general registrar shall forward to the Department of Elections a list of the county, city, or town offices
80 to be filled at the election and the names of all candidates who have filed for each office. In addition,
81 each general registrar shall forward the name of any candidate who failed to qualify with the reason for
82 his disqualification. On that same day, the general registrar shall also provide a copy of the notice to
83 each disqualified candidate. The notice shall be sent by email or regular mail to the address on the
84 candidate's certificate of candidate qualification, and such notice shall be deemed sufficient. The
85 Department of Elections shall promptly advise the general registrar of the accuracy of the list. The
86 failure of any general registrar to send the list to the Department of Elections for verification shall not
87 invalidate any election.

88 Each general registrar shall have printed the number of ballots he determines will be sufficient to
89 conduct the election. Such determination shall be based on the number of active registered voters and
90 historical election data, including voter turnout, and shall be subject to the approval by the electoral
91 board.

92 Notwithstanding any other provisions of this title, the Department of Elections may print or otherwise
93 provide one statewide paper ballot style for each paper ballot style in use for presidential and
94 vice-presidential electors for use only by persons eligible to vote for those offices only under § 24.2-402
95 or only for federal elections under § 24.2-453. The Department of Elections may apportion or authorize
96 the printer or vendor to apportion the costs for these ballots among the localities based on the number of
97 ballots ordered. Any printer employed by the Department of Elections shall execute the statement
98 required by § 24.2-616. The Department of Elections shall designate a representative to be present at the
99 printing of such ballots and deliver them to the appropriate general registrars pursuant to § 24.2-617.
100 Upon receipt of such paper ballots, the electoral board or the general registrar shall affix the seal of the
101 electoral board. Thereafter, such ballots shall be handled and accounted for, and the votes counted as the
102 Department of Elections shall specifically direct.

103 The general registrar shall make printed ballots available for absentee voting not later than 45 days
104 prior to any election or within three business days of the receipt of a properly completed absentee ballot
105 application, whichever is later. In the case of a special election, excluding for federal offices, if time is
106 insufficient to meet the applicable deadline established herein, then the general registrar shall make
107 printed ballots available as soon after the deadline as possible. For the purposes of this chapter, making
108 printed ballots available includes mailing of such ballots or electronic transmission of such ballots
109 pursuant to § 24.2-706 to a ~~qualified absentee voter who is eligible for an absentee ballot under~~
110 ~~subdivision A 2 of § 24.2-700 covered voter, as defined in § 24.2-452, who has applied for an absentee~~
111 ~~ballot pursuant to § 24.2-452.~~ Not later than five days after absentee ballots are made available, each
112 general registrar shall report to the Department of Elections, in writing on a form approved by the
113 Department of Elections, whether he has complied with the applicable deadline.

114 Only the names of candidates for offices to be voted on in a particular election district shall be
115 printed on the ballots for that election district.

116 The general registrar shall send to the Department of Elections a statement of the number of ballots
117 ordered to be printed, proofs of each printed ballot for verification, and copies of each final ballot. If the
118 Department of Elections finds that, in its opinion, the number of ballots ordered to be printed by any
119 general registrar is not sufficient, it may direct the general registrar to order the printing of a reasonable
120 number of additional ballots.

121 **§ 24.2-700. Persons entitled to vote by absentee ballot.**
