Immediately after the expiration of the time provided by law for a candidate for any office to qualify to have his name printed on the official ballot and prior to printing the ballots for an election, each general registrar shall forward to the Department of Elections a list of the county, city, or town offices to be filled at the election and the names of all candidates who have filed for each office. In addition, each general registrar shall forward the name of any candidate who failed to qualify with the reason for his disqualification. On that same day, the general registrar shall also provide a copy of the notice to each disqualified candidate. The notice shall be sent by email or regular mail to the address on the candidate's certificate of candidate qualification, and such notice shall be deemed sufficient. The Department of Elections shall promptly advise the general registrar of the accuracy of the list. The failure of any general registrar to send the list to the Department of Elections for verification shall not invalidate any election.

Each general registrar shall have printed the number of ballots he determines will be sufficient to conduct the election. Such determination shall be based on the number of active registered voters and historical election data, including voter turnout, and shall be subject to the approval by the electoral board.

Notwithstanding any other provisions of this title, the Department of Elections may print or otherwise provide one statewide paper ballot style for each paper ballot style in use for presidential and vice-presidential electors for use only by persons eligible to vote for those offices only under § 24.2-402 or only for federal elections under § 24.2-453. The Department of Elections shall designate a representative to be present at the printing of such ballots and deliver them to the appropriate general registrars pursuant to § 24.2-617. The general registrar shall make printed ballots available for absentee voting not later than 45 days prior to any election or within three business days of the receipt of a properly completed absentee ballot application, whichever is later. In the case of a special election, excluding for federal offices, if time is insufficient to meet the applicable deadline established herein, then the general registrar shall make printed ballots available as soon after the deadline as possible. For the purposes of this chapter, making printed ballots available includes mailing of such ballots or electronic transmission of such ballots pursuant to § 24.2-706 to a ~~qualified absentee voter who is eligible for an absentee ballot under subdivision A 2 of § 24.2-700~~ covered voter, as defined in § 24.2-452, who has applied for an absentee ballot pursuant to § 24.2-701. Only the names of candidates for offices to be voted on in a particular election district shall be printed on the ballots for that election district.

The general registrar shall send to the Department of Elections a statement of the number of ballots ordered to be printed, proofs of each printed ballot for verification, and copies of each final ballot. If the Department of Elections finds that, in its opinion, the number of ballots ordered to be printed by any general registrar is not sufficient, it may direct the general registrar to order the printing of a reasonable

§ 24.2-706. Duty of general registrar on receipt of application; statement of voter.

A. On receipt of an application for an absentee ballot, the general registrar shall enroll the name and address of each registered applicant on an absentee voter applicant list that shall be maintained in the office of the general registrar with a file of the applications received. The list shall be available for inspection and copying and the applications shall be available for inspection only by any registered voter during regular office hours. Upon request and for a reasonable fee, the Department of Elections shall provide an electronic copy of the absentee voter applicant list to any political party or candidate. Such list shall be used only for campaign and political purposes. Any list made available for inspection and copying under this section shall contain the post office box address in lieu of the residence street address for any individual who has furnished at the time of registration or subsequently, in addition to his street address, a post office box address pursuant to subsection B of § 24.2-418.

No list or application containing an individual's social security number, or any part thereof, or the individual's day and month of birth, shall be made available for inspection or copying by anyone. The

Department of Elections shall prescribe procedures for general registrars to make the information in the lists and applications available in a manner that does not reveal social security numbers or parts thereof, or an individual's day and month of birth.

B. The completion and timely delivery of an application for an absentee ballot shall be construed to be an offer by the applicant to vote in the election.

The general registrar shall note on each application received whether the applicant is or is not a registered voter. In reviewing the application for an absentee ballot, the general registrar shall not reject the application of any individual because of an error or omission on any record or paper relating to the application, if such error or omission is not material in determining whether such individual is qualified to vote absentee.

If the application has been properly completed and signed and the applicant is a registered voter of the precinct in which he offers to vote, the general registrar shall, at the time when the printed ballots for the election are available, send by the deadline set out in § 24.2-612, obtaining a certificate or other evidence of either first-class or expedited mailing or delivery from the United States Postal Service or other commercial delivery provider, or deliver to him in person in the office of the registrar, the following items and nothing else:

1. An envelope containing the folded ballot, sealed and marked "Ballot within. Do not open except in presence of a witness."

2. An envelope, with printing only on the flap side, for resealing the marked ballot, on which envelope is printed the following:

Signature of Voter _____

Signature of witness _____"

For elections held after January 1, 2004, instead of the envelope containing the above oath, an envelope containing the standard oath prescribed by the presidential designee under § 101(b)(7) of the Uniformed and Overseas Citizens Absentee Voting Act (52 U.S.C. § 20301 et seq.) shall be sent to voters who are qualified to vote absentee under that Act.

When this statement has been properly completed and signed by the registered voter and witnessed, his ballot shall not be subject to challenge pursuant to § 24.2-651.

3. A properly addressed envelope for the return of the ballot to the general registrar by mail or by the applicant in person.

4. Printed instructions for completing the ballot and statement on the envelope and returning the ballot.

For federal elections held after January 1, 2004, for any voter who is required by subparagraph (b) of 52 U.S.C. § 21083 of the Help America Vote Act of 2002 to show identification the first time the voter votes in a federal election in the state, the printed instructions shall direct the voter to submit with his ballot (i) a copy of a current and valid photo identification or (ii) a copy of a current utility bill, bank statement, government check, paycheck or other government document that shows the name and address of the voter. Such individual who desires to vote by mail but who does not submit one of the forms of identification specified in this paragraph may cast such ballot by mail and the ballot shall be counted as a provisional ballot under the provisions of § 24.2-653. The Department of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to subsection B of § 24.2-653 and this section.

5. For any voter entitled to vote absentee under the Uniformed and Overseas Citizens Absentee Voting Act (52 U.S.C. § 20301 et seq.), information provided by the Department of Elections specific to the voting rights and responsibilities for such citizens, or information provided by the registrar specific to the status of the voter registration and absentee ballot application of such voter, may be included.

The envelopes and instructions shall be in the form prescribed by the Department of Elections.

C. If the applicant completes his application in person under § 24.2-701 at a time when the printed ballots for the election are available, he may request that the general registrar send to him by mail the items set forth in subdivisions B 1 through 4, instead of casting the ballot in person. Such request shall

be made no later than 5:00 p.m. on the seventh day prior to the election in which the applicant offers to vote, and the general registrar shall send those items to the applicant by mail, obtaining a certificate or other evidence of mailing.

D. If the applicant states as the reason for his absence on election day any of the reasons set forth in subdivision A 2 of § 24.2-700 is a covered voter, as defined in § 24.2-452, the general registrar, at the time when the printed ballots for the election are available, shall mail by the deadline set forth in § 24.2-612 or deliver in person to the applicant in the office of the general registrar the items as set forth in subdivisions B 1 through 4 and, if necessary, an application for registration. A certificate or other evidence of mailing shall not be required. If the applicant requests that such items be sent by electronic transmission, the general registrar, at the time when the printed ballots for the election are available but not later than the deadline set forth in § 24.2-612, shall send by electronic transmission the blank ballot, the form for the envelope for returning the marked ballot, and instructions to the voter. Such materials shall be sent using the official email address or fax number of the office of the general registrar published on the Department of Elections website. The State Board of Elections may prescribe by regulation the format of the email address used for transmitting ballots to eligible voters. A general registrar may also use electronic transmission facilities provided by the Federal Voting Assistance Program. The voted ballot shall be returned to the general registrar as otherwise required by this chapter.

E. The circuit courts shall have jurisdiction to issue an injunction to enforce the provisions of this section upon the application of (i) any aggrieved voter, (ii) any candidate in an election district in whole or in part in the court's jurisdiction where a violation of this section has occurred, or is likely to occur, or (iii) the campaign committee or the appropriate district political party chairman of such candidate. Any person who fails to discharge his duty as provided in this section through willful neglect of duty and with malicious intent shall be guilty of a Class 1 misdemeanor as provided in subsection A of § 24.2-1001.

§ 24.2-709. Ballot to be returned in manner prescribed by law.

A. Any ballot returned to the office of the general registrar in any manner except as prescribed by law shall be void. Absentee ballots shall be returned to the general registrar before the closing of the polls. The registrar receiving the ballot shall (i) seal the ballot in an envelope with the statement or declaration of the voter, or both, attached to the outside and (ii) mark on each envelope the date, time, and manner of delivery. No returned absentee ballot shall be deemed void because the inner envelope containing the voted ballot is imperfectly sealed so long as the outside envelope containing the ballot envelope is sealed.

B. Notwithstanding the provisions of subsection A, any absentee ballots (i) received after the close of the polls on any election day, (ii) received before 5:00 p.m. on the second business day before the State Board meets to ascertain the results of the election pursuant to this title, (iii) requested on or before but not sent by the deadline for making absentee ballots available under § 24.2-612, and (iv) cast by an absentee voter who is eligible for an absentee ballot under subdivision A 2 of § 24.2-700 a covered voter, as defined in § 24.2-452, shall be counted pursuant to the procedures set forth in this chapter and, if the voter is found entitled to vote, included in the election returns. The electoral board shall prepare an amended certified abstract, which shall include the results of such ballots, and shall deliver such abstract to the State Board by the business day prior to its meeting pursuant to this title, and shall deliver a copy of such abstract to the general registrar to be available for inspection when his office is open for business.

C. Notwithstanding the provisions of clause (i) of subsection B of § 24.2-427, an absentee ballot returned by a voter in compliance with § 24.2-707 and this section who dies prior to the counting of absentee ballots on election day shall be counted pursuant to the procedures set forth in this chapter if the voter is found to have been entitled to vote at the time that he returned the ballot.
